[57] CLAIM

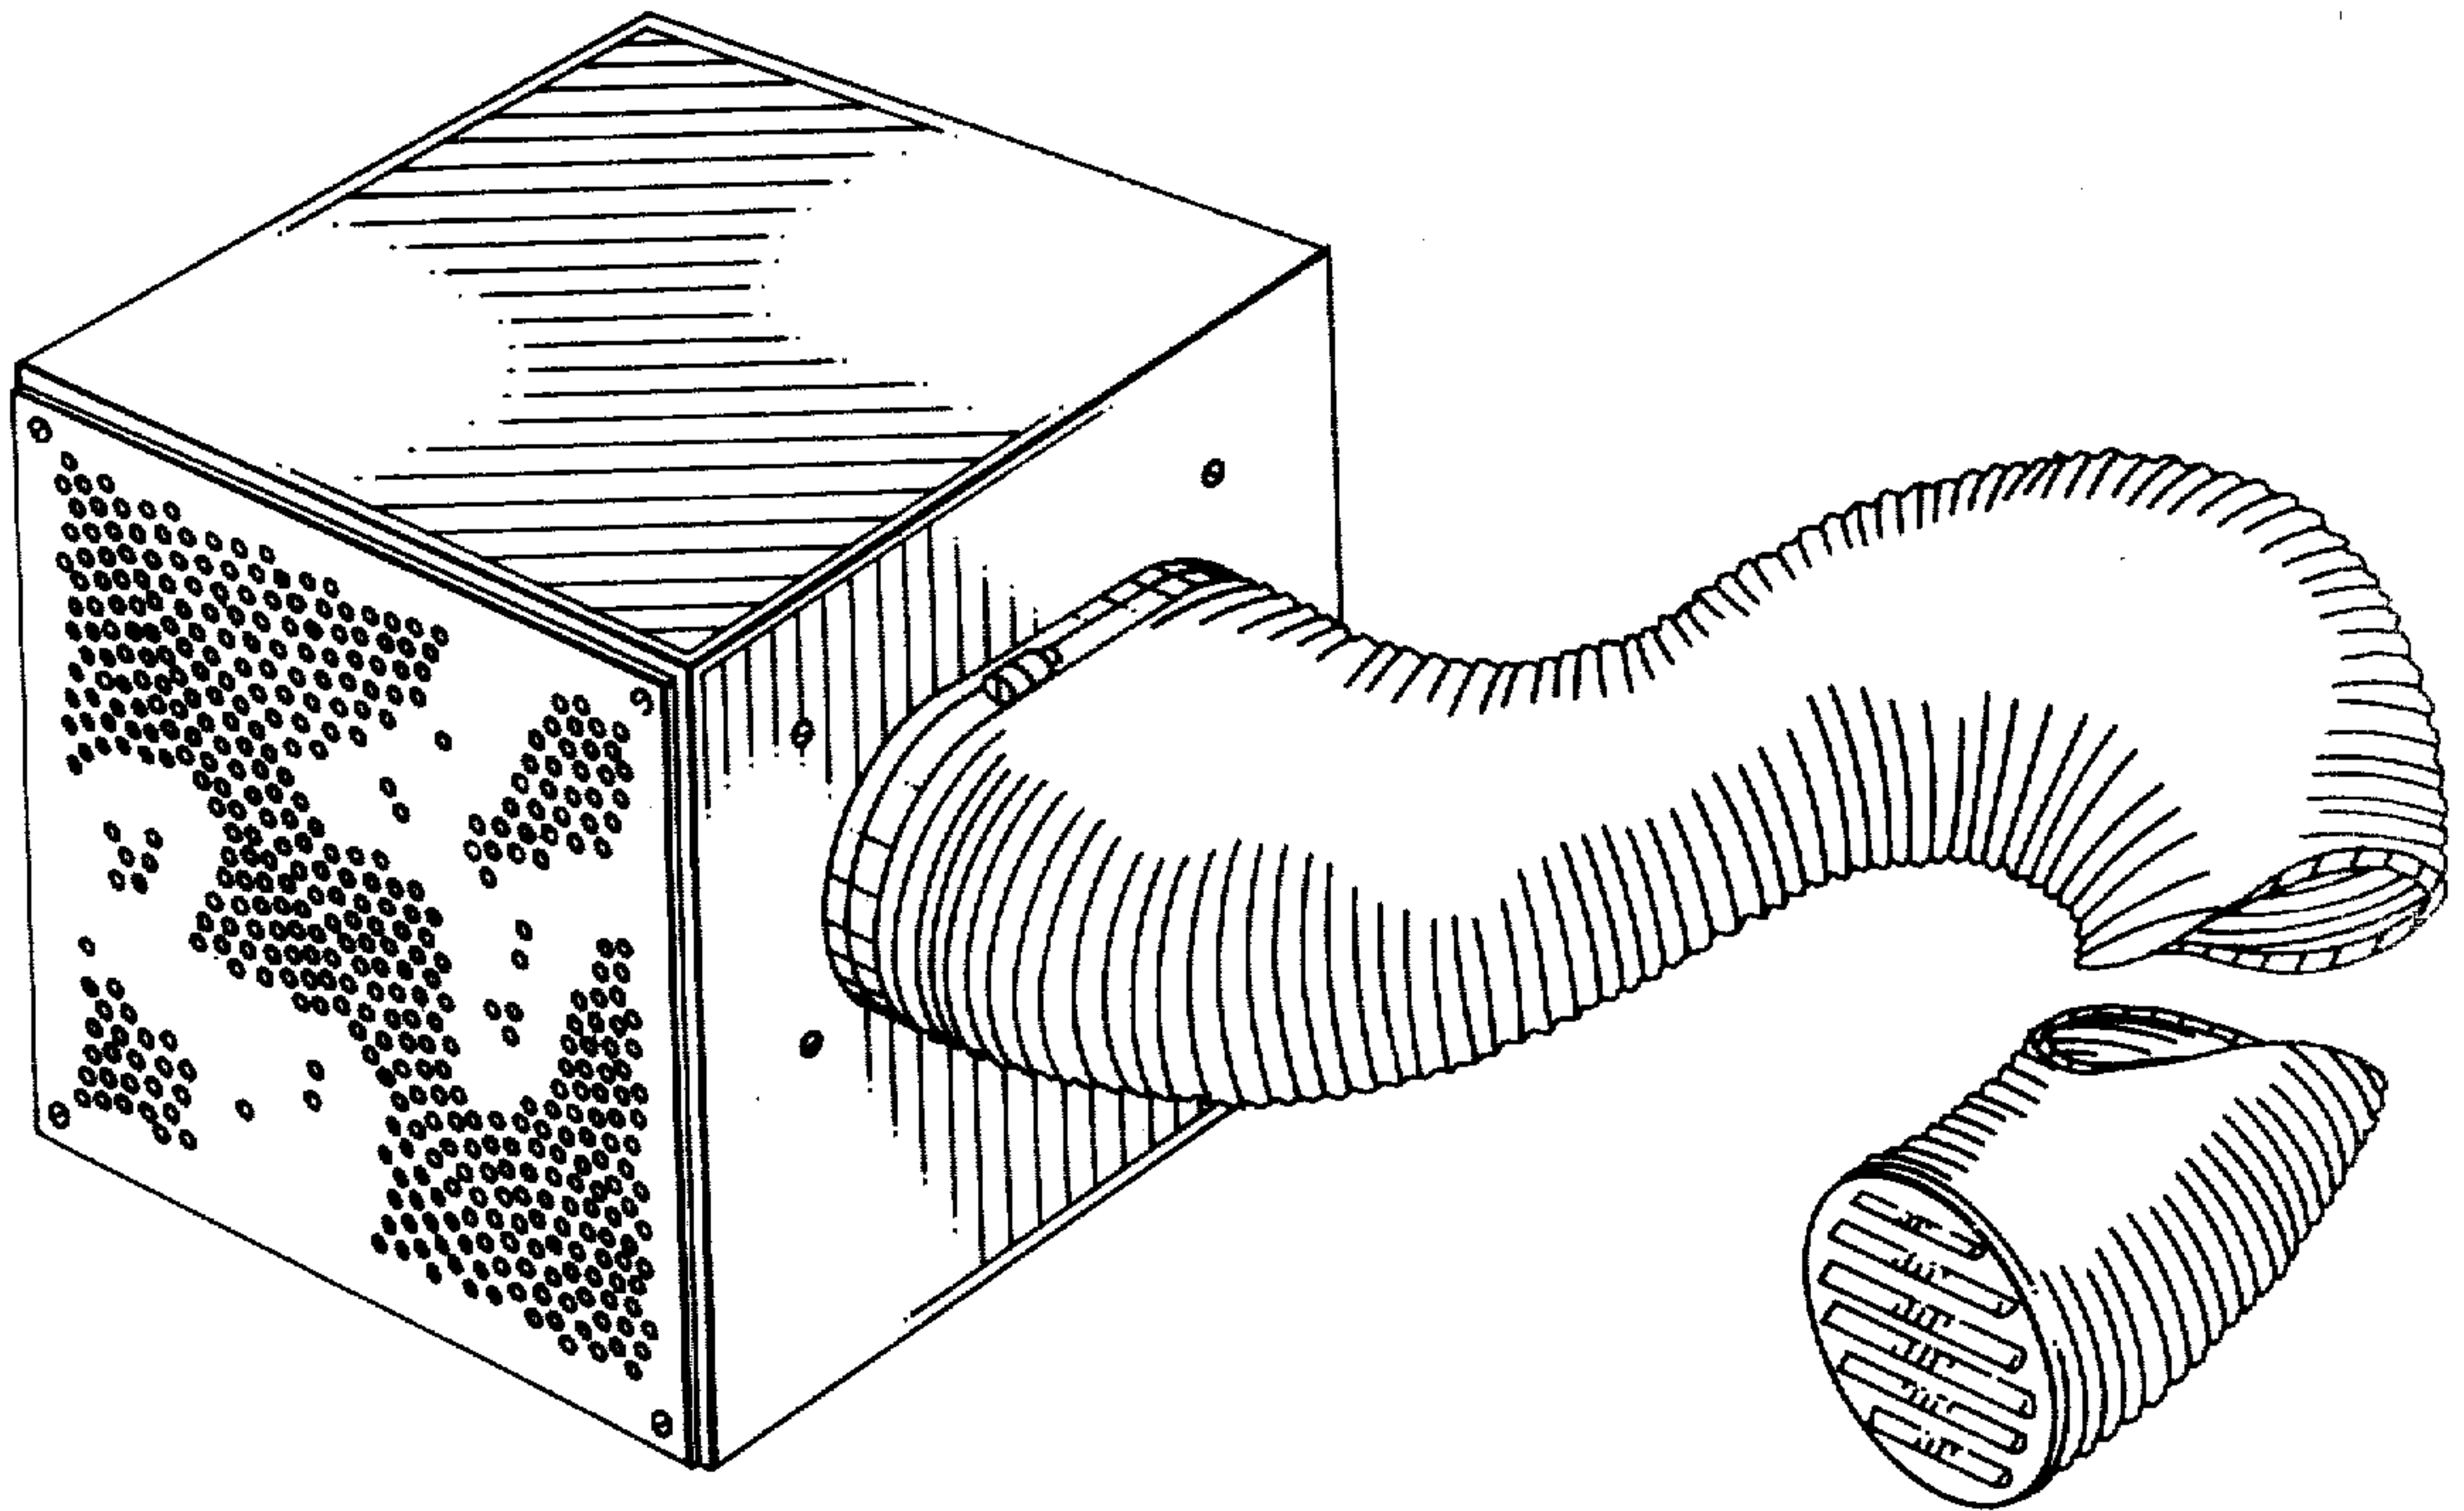

The ornamental design for an attic ventilator or the like, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view taken from the top, front and left side of an attic ventilator or the like, showing my new design; and

FIG. 2 is a perspective view taken from the bottom, rear and right side thereof.

The ventilating hose is broken away in FIGS. 1 and 2 to indicate indeterminate length and it is understood that the pattern of apertures fragmentarily shown in FIGS. 1 and 2 are continuous throughout the area indicated.

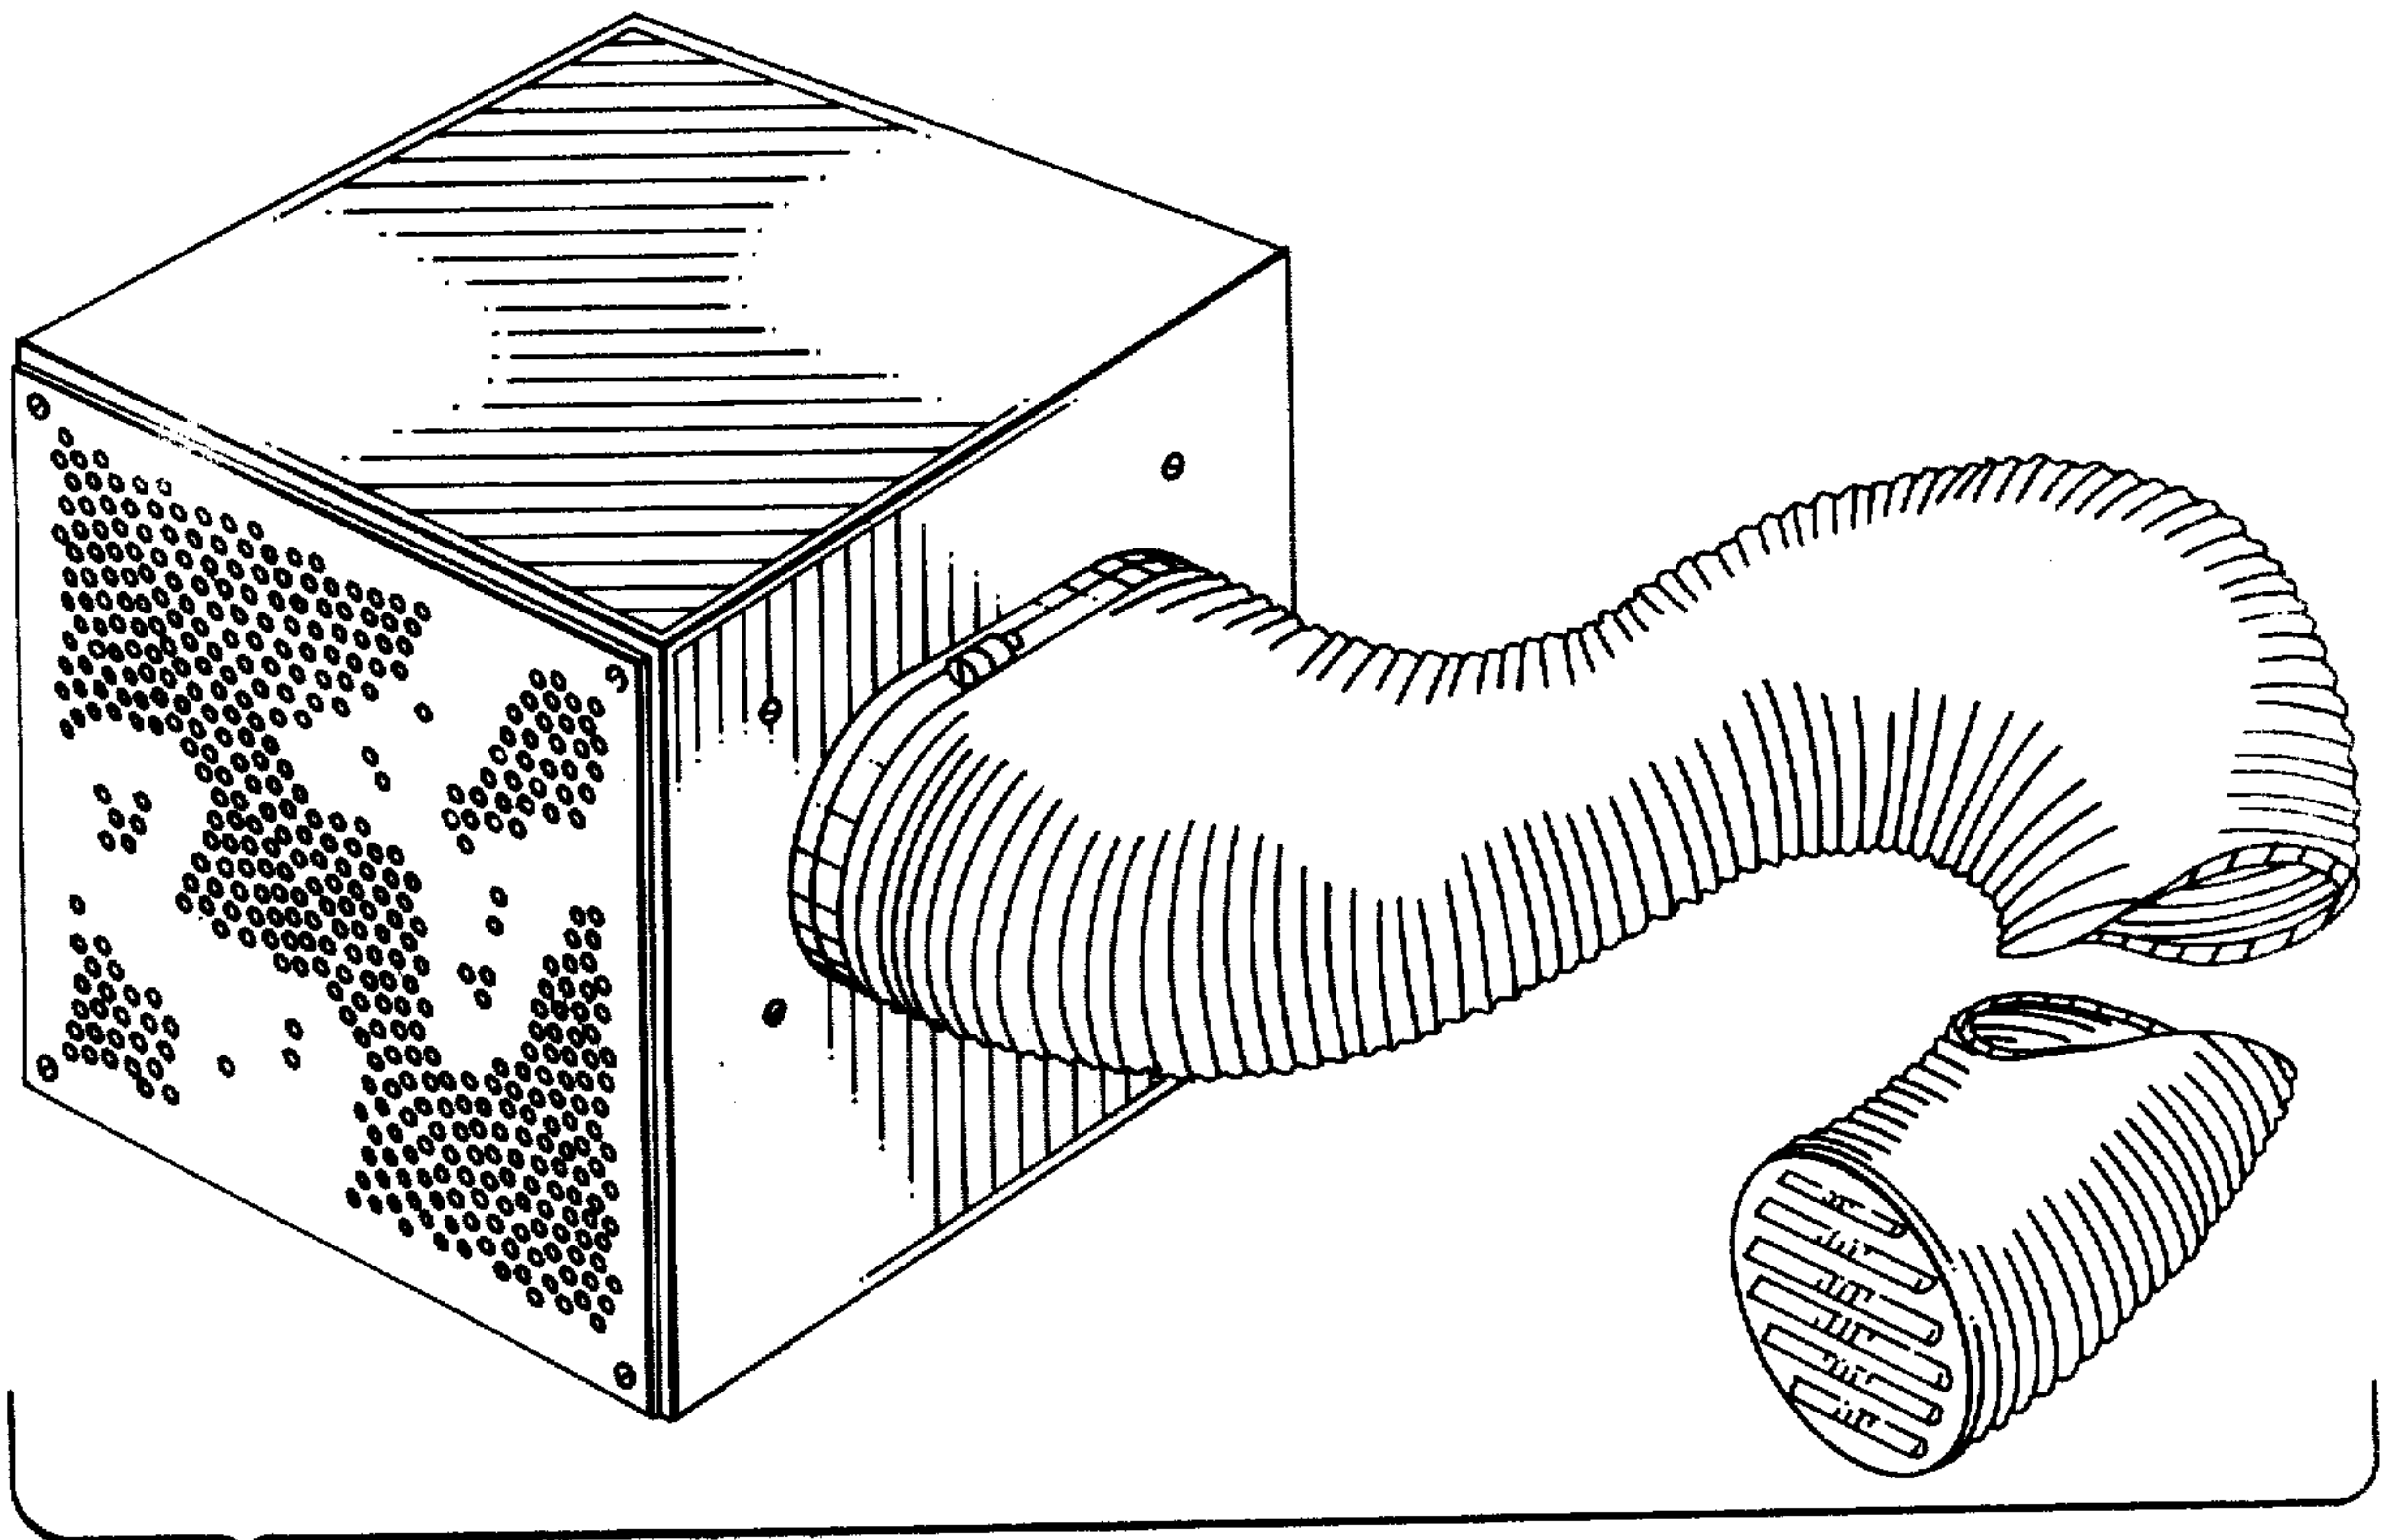

FIG. 1
