[57] CLAIM

The ornamental design for an interlocking fence row curb panel for animal confinement pens, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of an interlocking fence row curb panel for animal confinement pens showing my new design, the rear being the same as the front shown;

FIG. 2 is a fragmentary perspective view taken from the top, front and left side thereof;

FIG. 3 is a right side elevational view thereof;

FIG. 4 is a left side elevational view thereof; and

FIG. 5 is a bottom plan view thereof.

The interlocking fence row curb panel has been broken away in FIGS. 2 through 5 to indicate indeterminate length.
