[57] CLAIM

The ornamental design for a dental cabinet, substantially as shown and described.

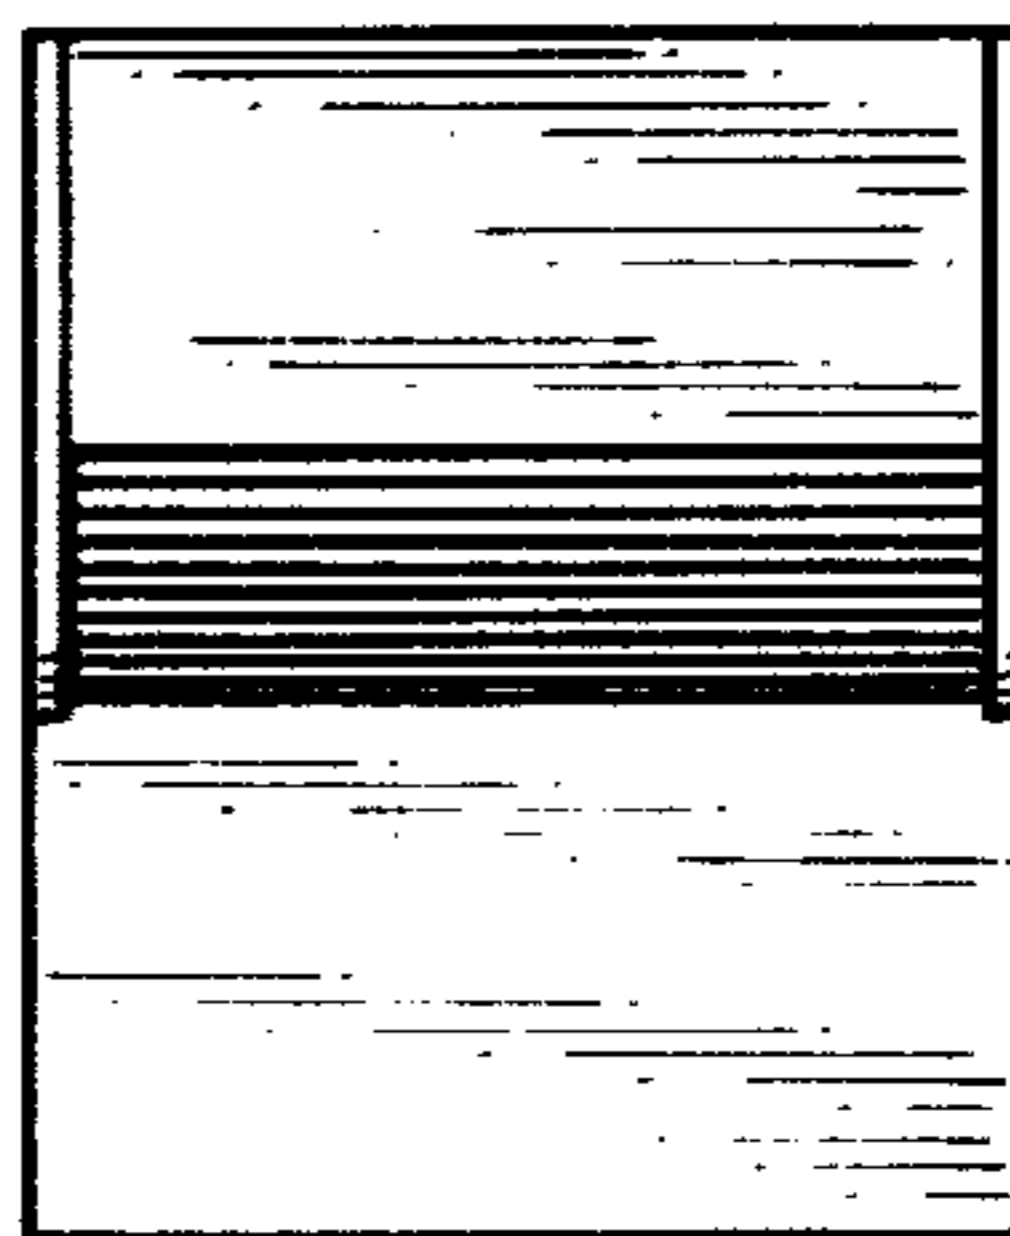

DESCRIPTION

FIG. 1 is a top plan view of a dental cabinet showing the new design;

FIG. 2 is a front elevation view thereof; and

FIG. 3 is a side elevation view thereof.

The undisclosed side portion of the dental cabinet is a mirror image of the side shown. The dental cabinet is designed to stand on its base and against a wall surface so no bottom or rear views are shown as they are conventionally plain and unornamented.

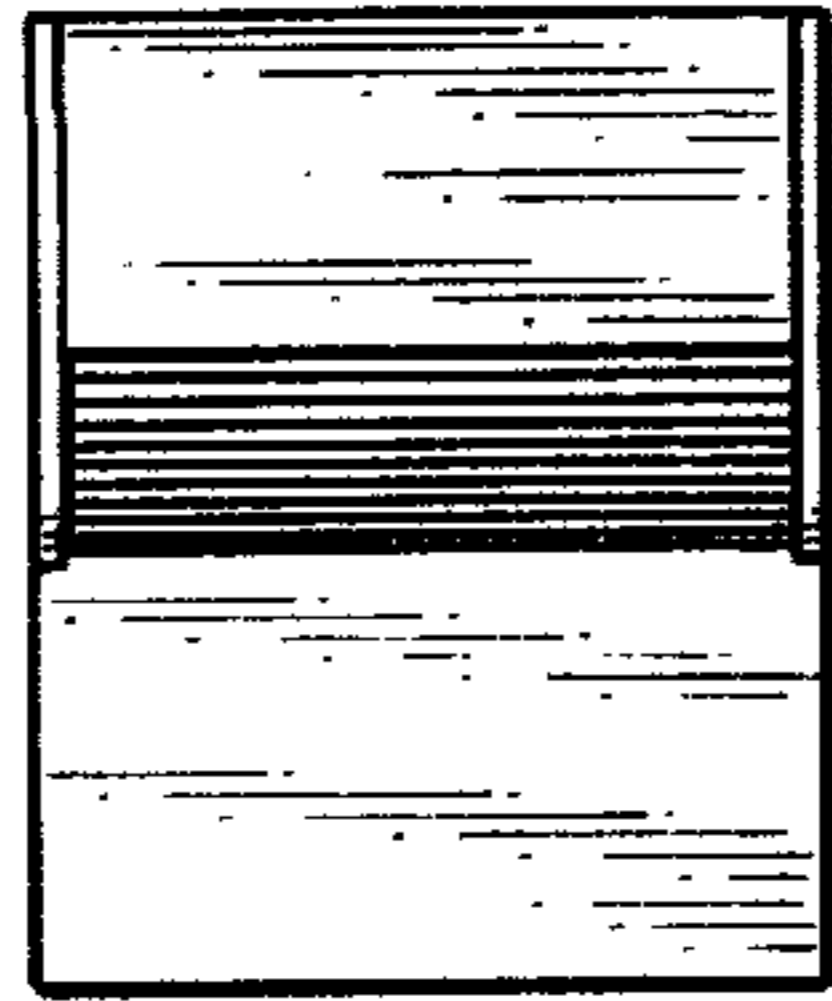

FIG. 1

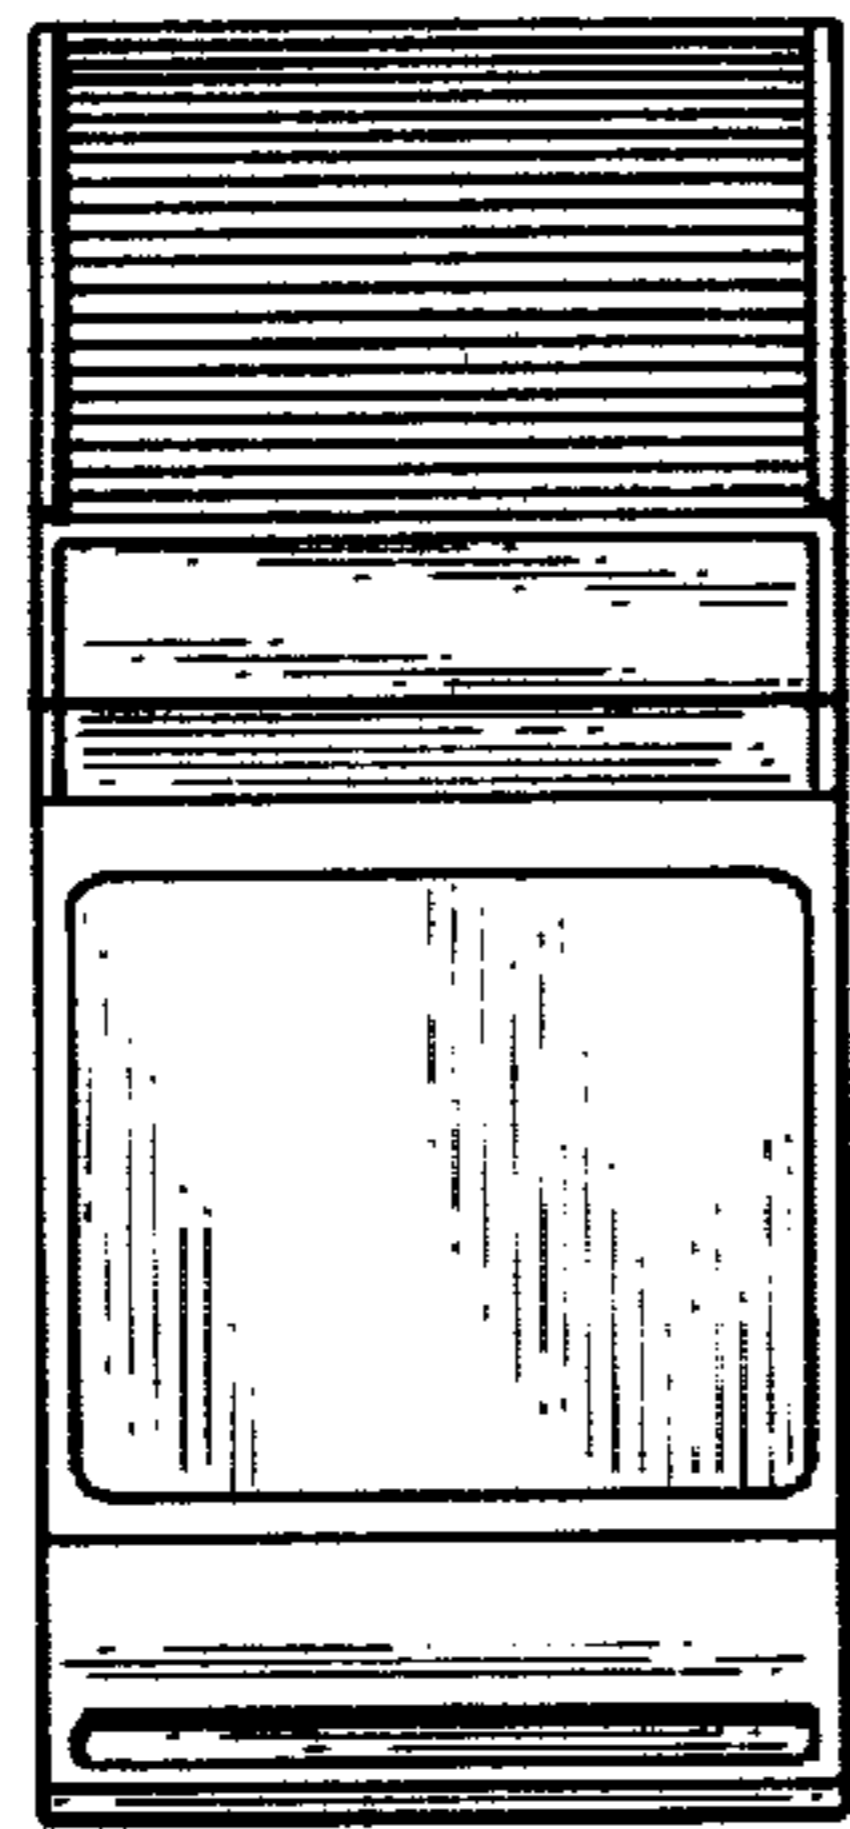

FIG. 2

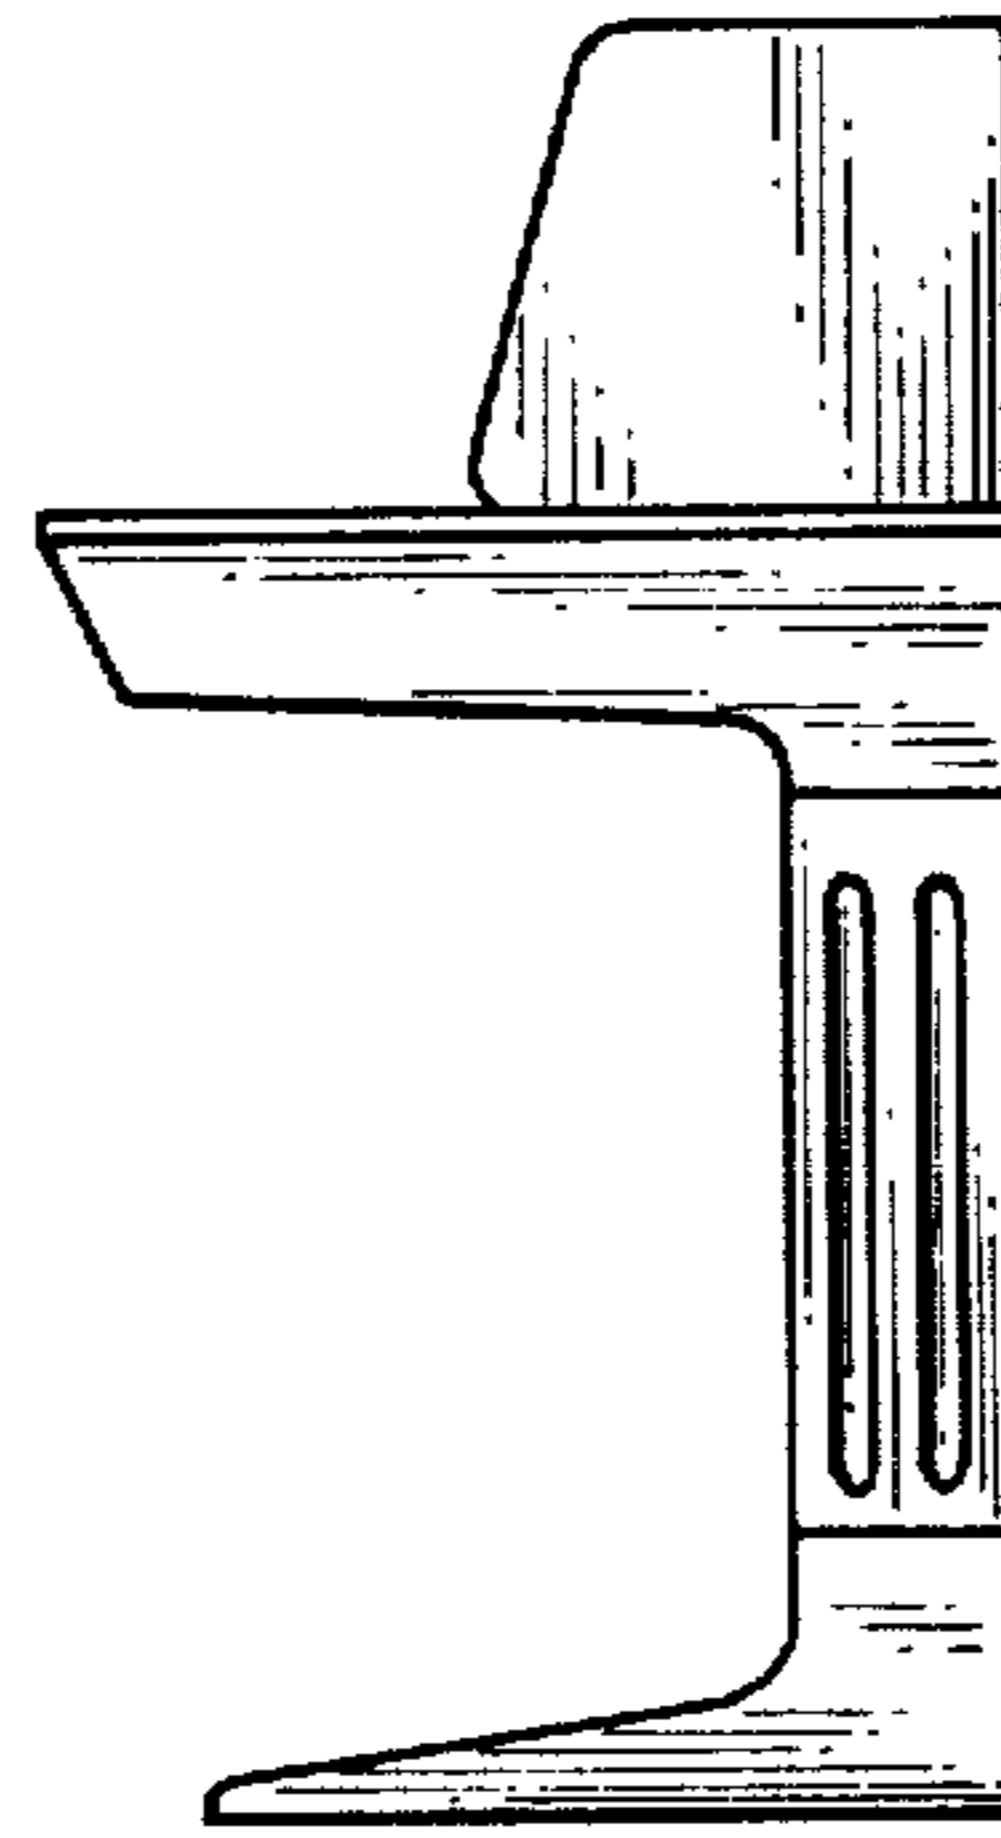

FIG. 3
