[57] **CLAIM**

The ornamental design for a disposable cassette for use with an intravenous controller, substantially as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a disposable cassette for use with an intravenous controller showing my new design;

FIG. 2 is one side view thereof and with the other side view being substantially identical;

FIG. 3 is a bottom plan view thereof; and

FIG. 4 is a rear view thereof.

The broken lines representing the tube elements are shown for illustrative purposes only.
