[57]

The ornamental design for a combined underwater cutting and welding torch, as shown and described.

CLAIM

DESCRIPTION

FIG. 1 is a front elevational view of a combined underwater cutting and welding torch showing our new design;

FIG. 2 is a side elevational view taken from the right side of FIG. 1, the broken lines showing a portion of a trigger actuated gas control valve and associated gas conduit and a separate insulated electrical conduit being for illustrative purposes only;

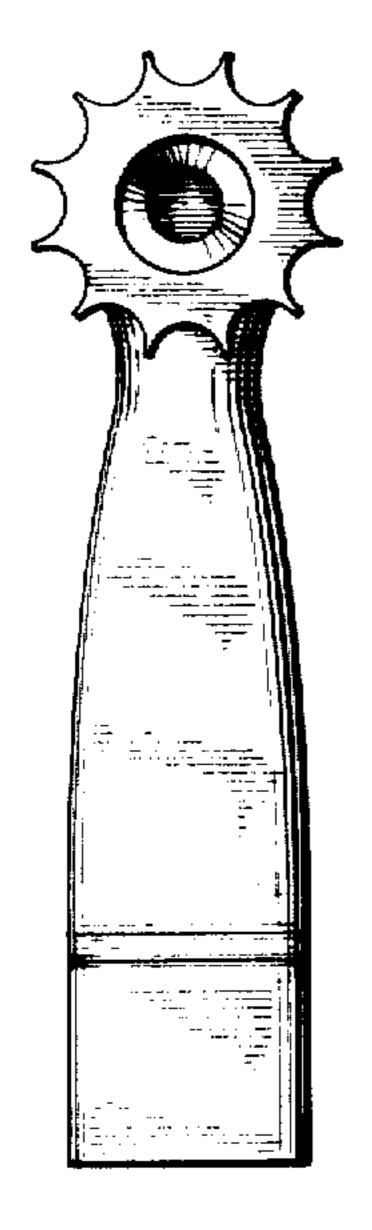

FIG. 3 is a rear elevational view thereof;

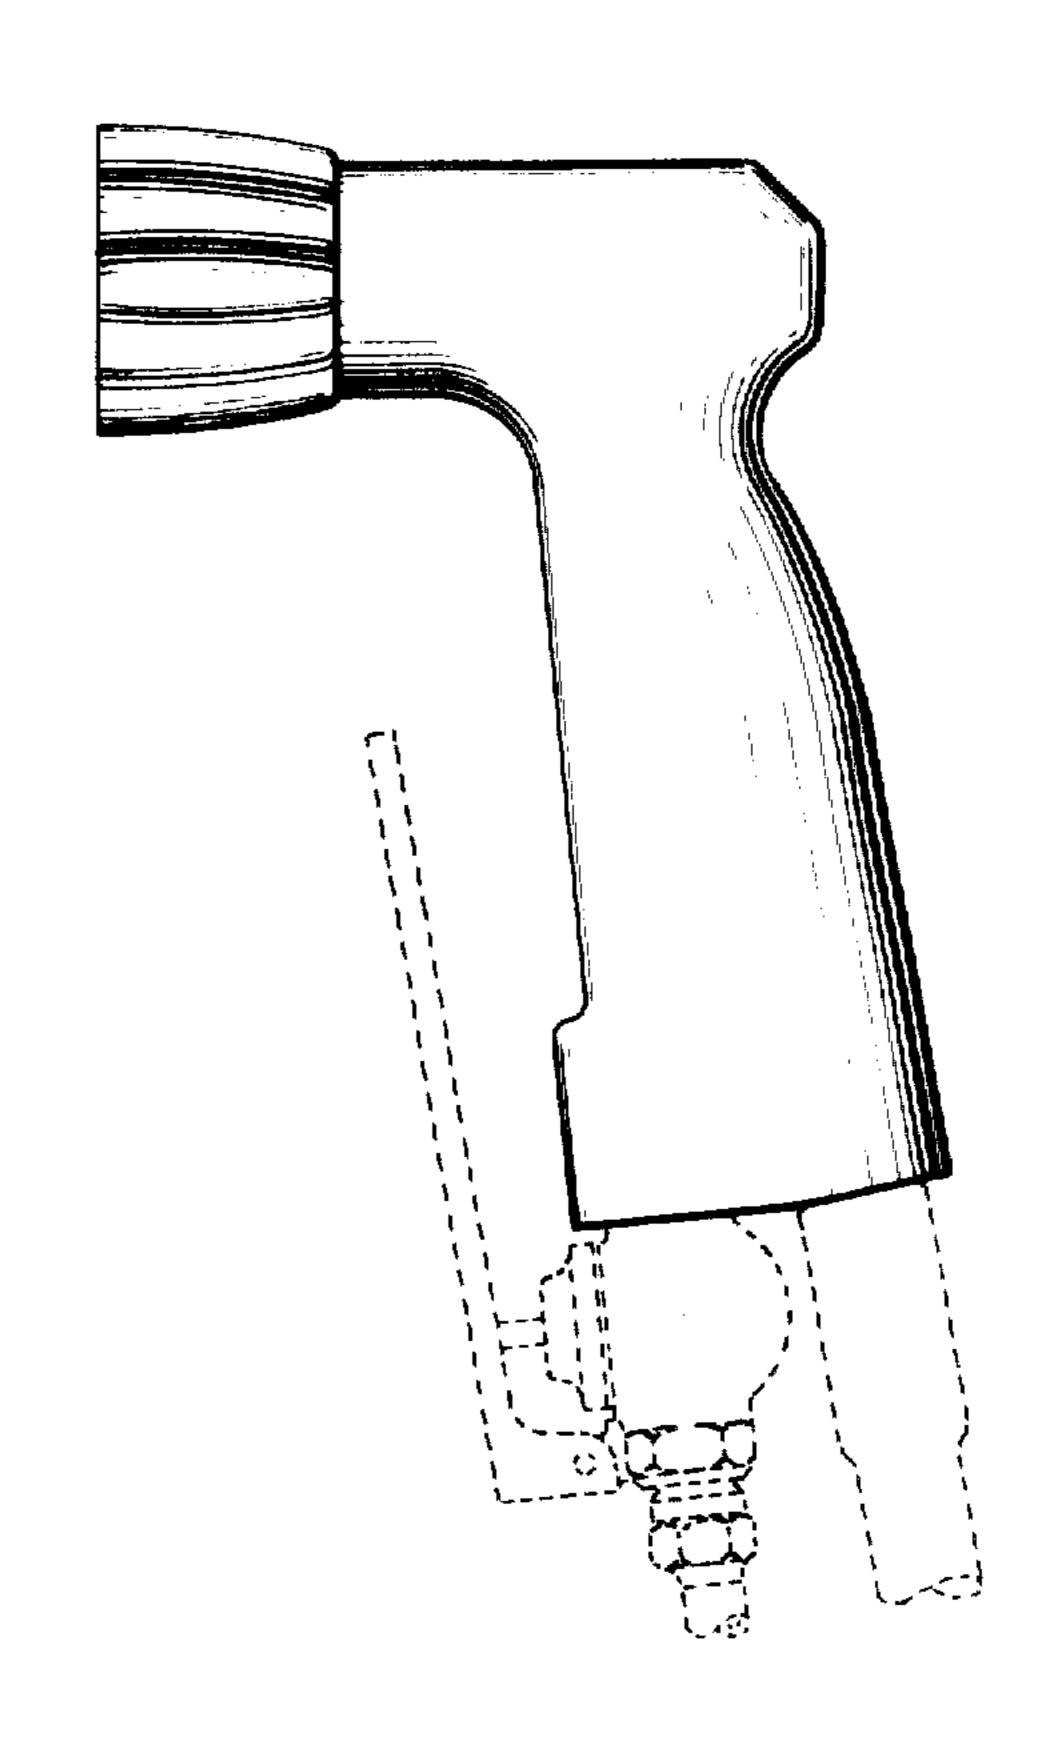

FIG. 4 is a side elevational view taken from the left of FIG. 1, the broken lines being for illustrative purposes

only;

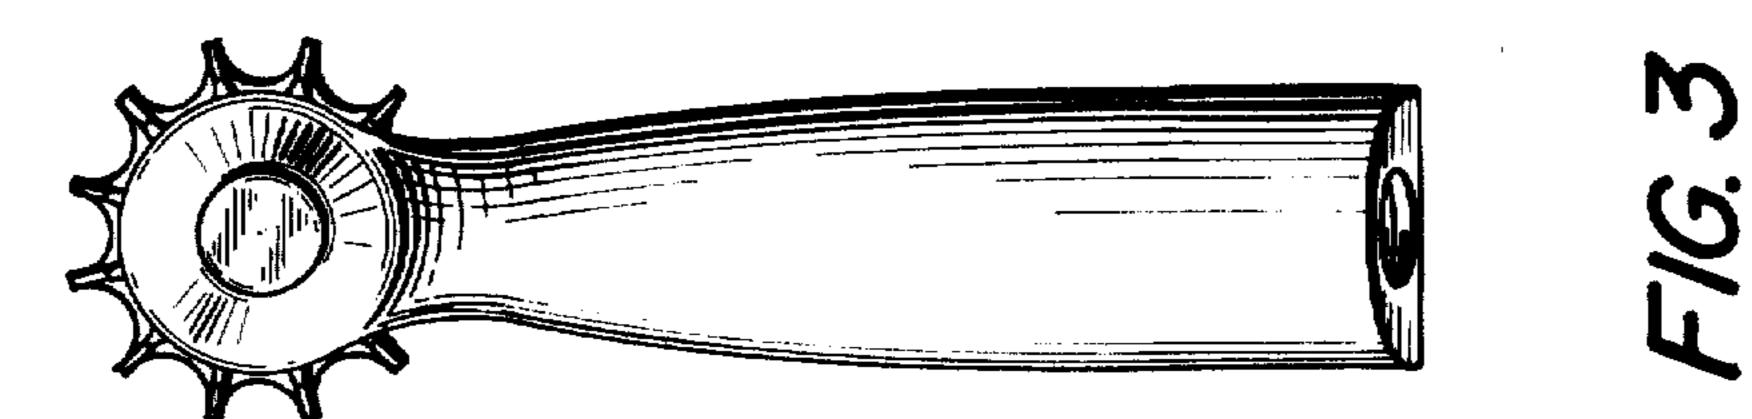

FIG. 5 is a top plan view thereof;

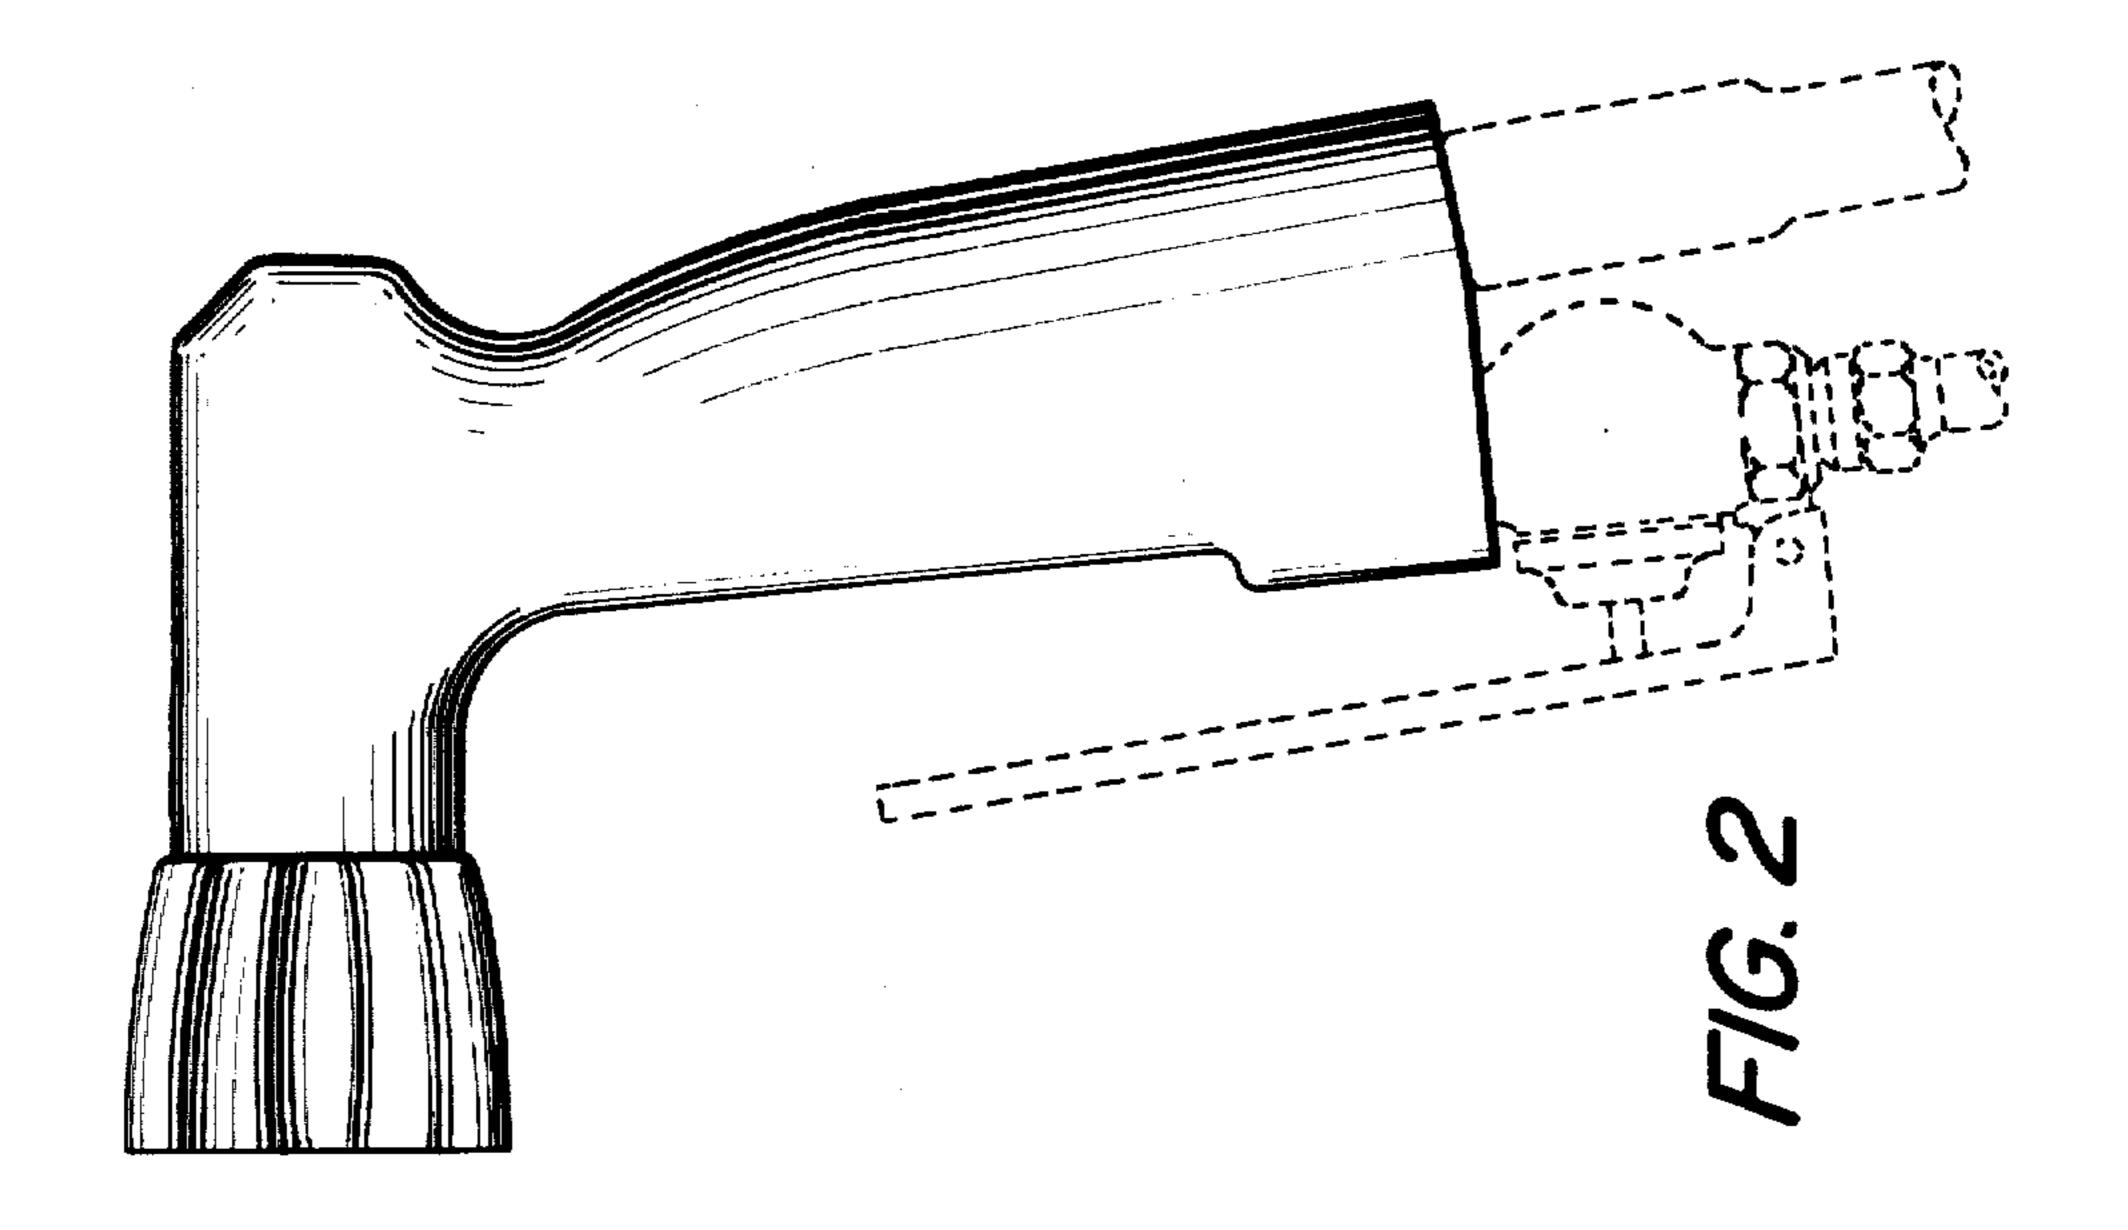

FIG. 6 is a bottom plan view thereof.
