[57] **CLAIM**

The ornamental design for a molded game racket, as shown and described.

**DESCRIPTION**

FIG. 1 is a front view of a molded game racket showing my new design.

FIG. 2 is a side view of the molded game racket sectioned along line 2-2 as marked on FIG. 1. In this view the strings have been omitted for convenience of illustration.

The characteristic feature of my design resides in the string pattern in combination with the racket frame configuration, all as shown.
