[57] CLAIM

The ornamental design for an electrostatic copying machine, as shown and described.

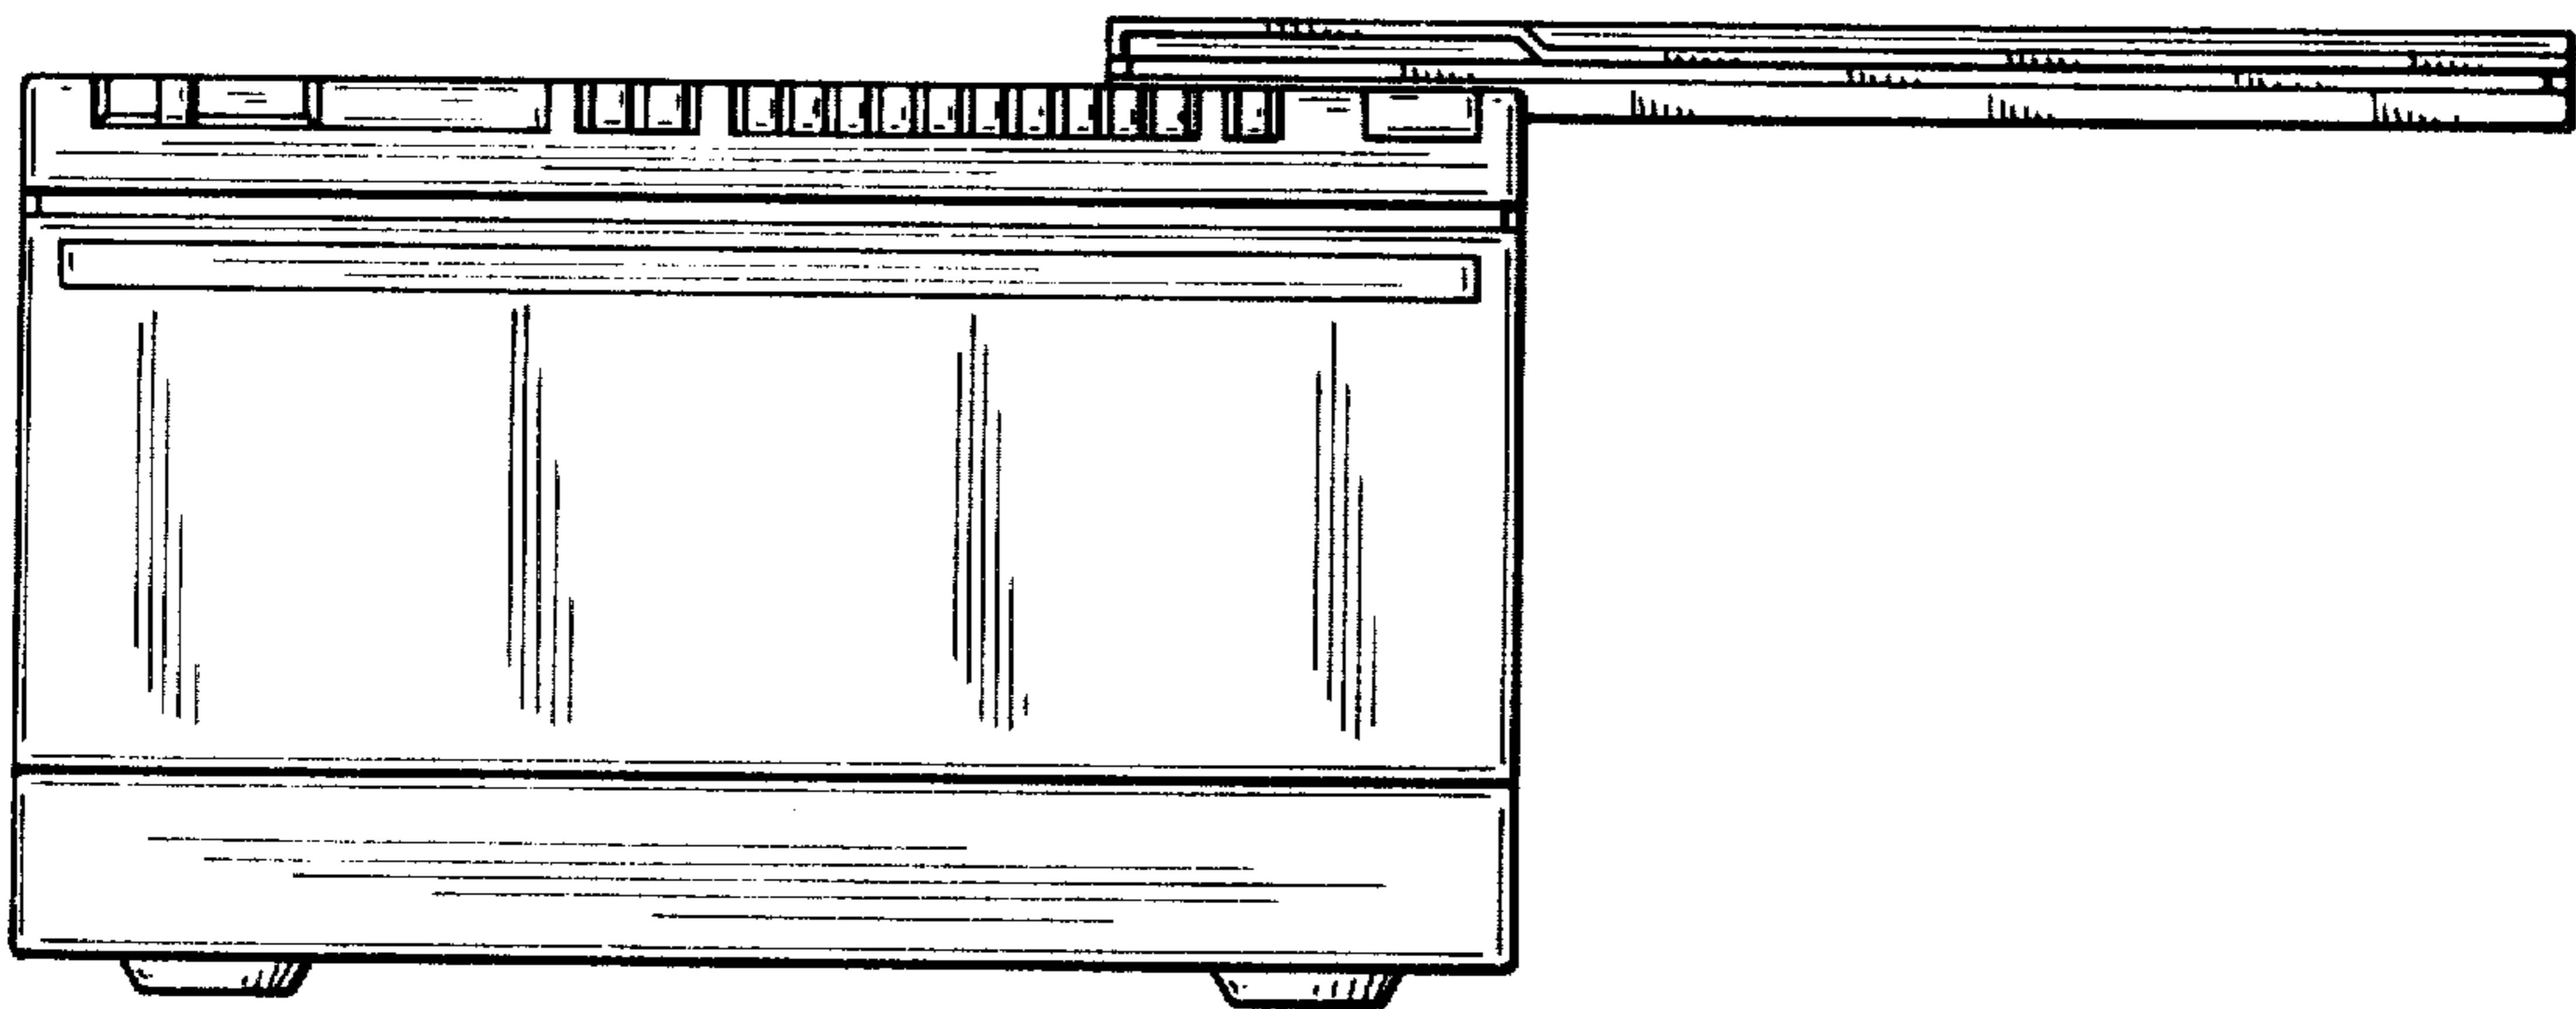

DESCRIPTION

FIG. 1 is a front elevational view of the electrostatic copying machine showing my new design;
FIG. 2 is a front elevational view thereof in the operating state;
FIG. 3 is a top plan view thereof;
FIG. 4 is a right side elevational view thereof;
FIG. 5 is a left side elevational view thereof;
FIG. 6 is a rear elevational view thereof; and
FIG. 7 is a bottom plan view thereof.
