FIG. 1 is a perspective view of an entertainment table or similar article showing my new design;

FIG. 2 is a top plan view of the entertainment table or similar article with portions of the border frame and portions of the transparent cover broken away for revealing the heads of the pins and the perforated sheet through which the shanks of the pins extend;

FIG. 3 is an enlarged detail view taken from the circle of FIG. 2 and showing the heads of the pins and the perforated sheet with some of the pins not yet inserted in the respective holes; and

FIG. 4 is an enlarged sectional view of the entertainment table taken along the line 4-4 of FIG. 2 and wherein portions have been omitted for convenience of illustration.

The two sides of the entertainment table, not shown, are the same in appearance as the two sides shown in FIG. 1.
