[57] **CLAIM**

The ornamental design for an edge member for a movable partition, substantially as shown and described.

DESCRIPTION

FIG. 1 is a rear perspective view of an edge member for movable partition embodying my new design; FIG. 2 is a right side elevational thereof; FIG. 3 is a rear elevational view thereof; FIG. 4 is a front elevational view thereof; and FIG. 5 is a top plan view thereof. The edge member is shown broken away to indicate an article of indeterminate length.
