[57] **CLAIM**

The ornamental design for a ceiling mounted support for television or the like, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a ceiling mounted support for television or the like showing my design;

FIG. 2 is a front elevational view thereof, the track being broken for convenience of illustration only;

FIG. 3 is a top plan view thereof, the track being broken for convenience of illustration only;

FIG. 4 is a bottom plan view thereof, the track being broken for convenience of illustration only;

FIG. 5 is a side elevational view, the opposite side being identical thereto; and

The rear elevational view is identical to FIG. 2.
