[57] **CLAIM**

The ornamental design for an electrostatic voltage measuring instrument, as shown and described.

DESCRIPTION

FIG. **1** is a right side elevational view of an electrostatic voltage measuring instrument showing my new design, the left side being a mirror image thereto;
FIG. **2** is a top plan view thereof;
FIG. **3** is a bottom plan view thereof;
FIG. **4** is a front elevational view thereof, and
FIG. **5** is a rear elevational view thereof.
