[57] **CLAIM**

The ornamental design for a tree stand, substantially as shown and described.

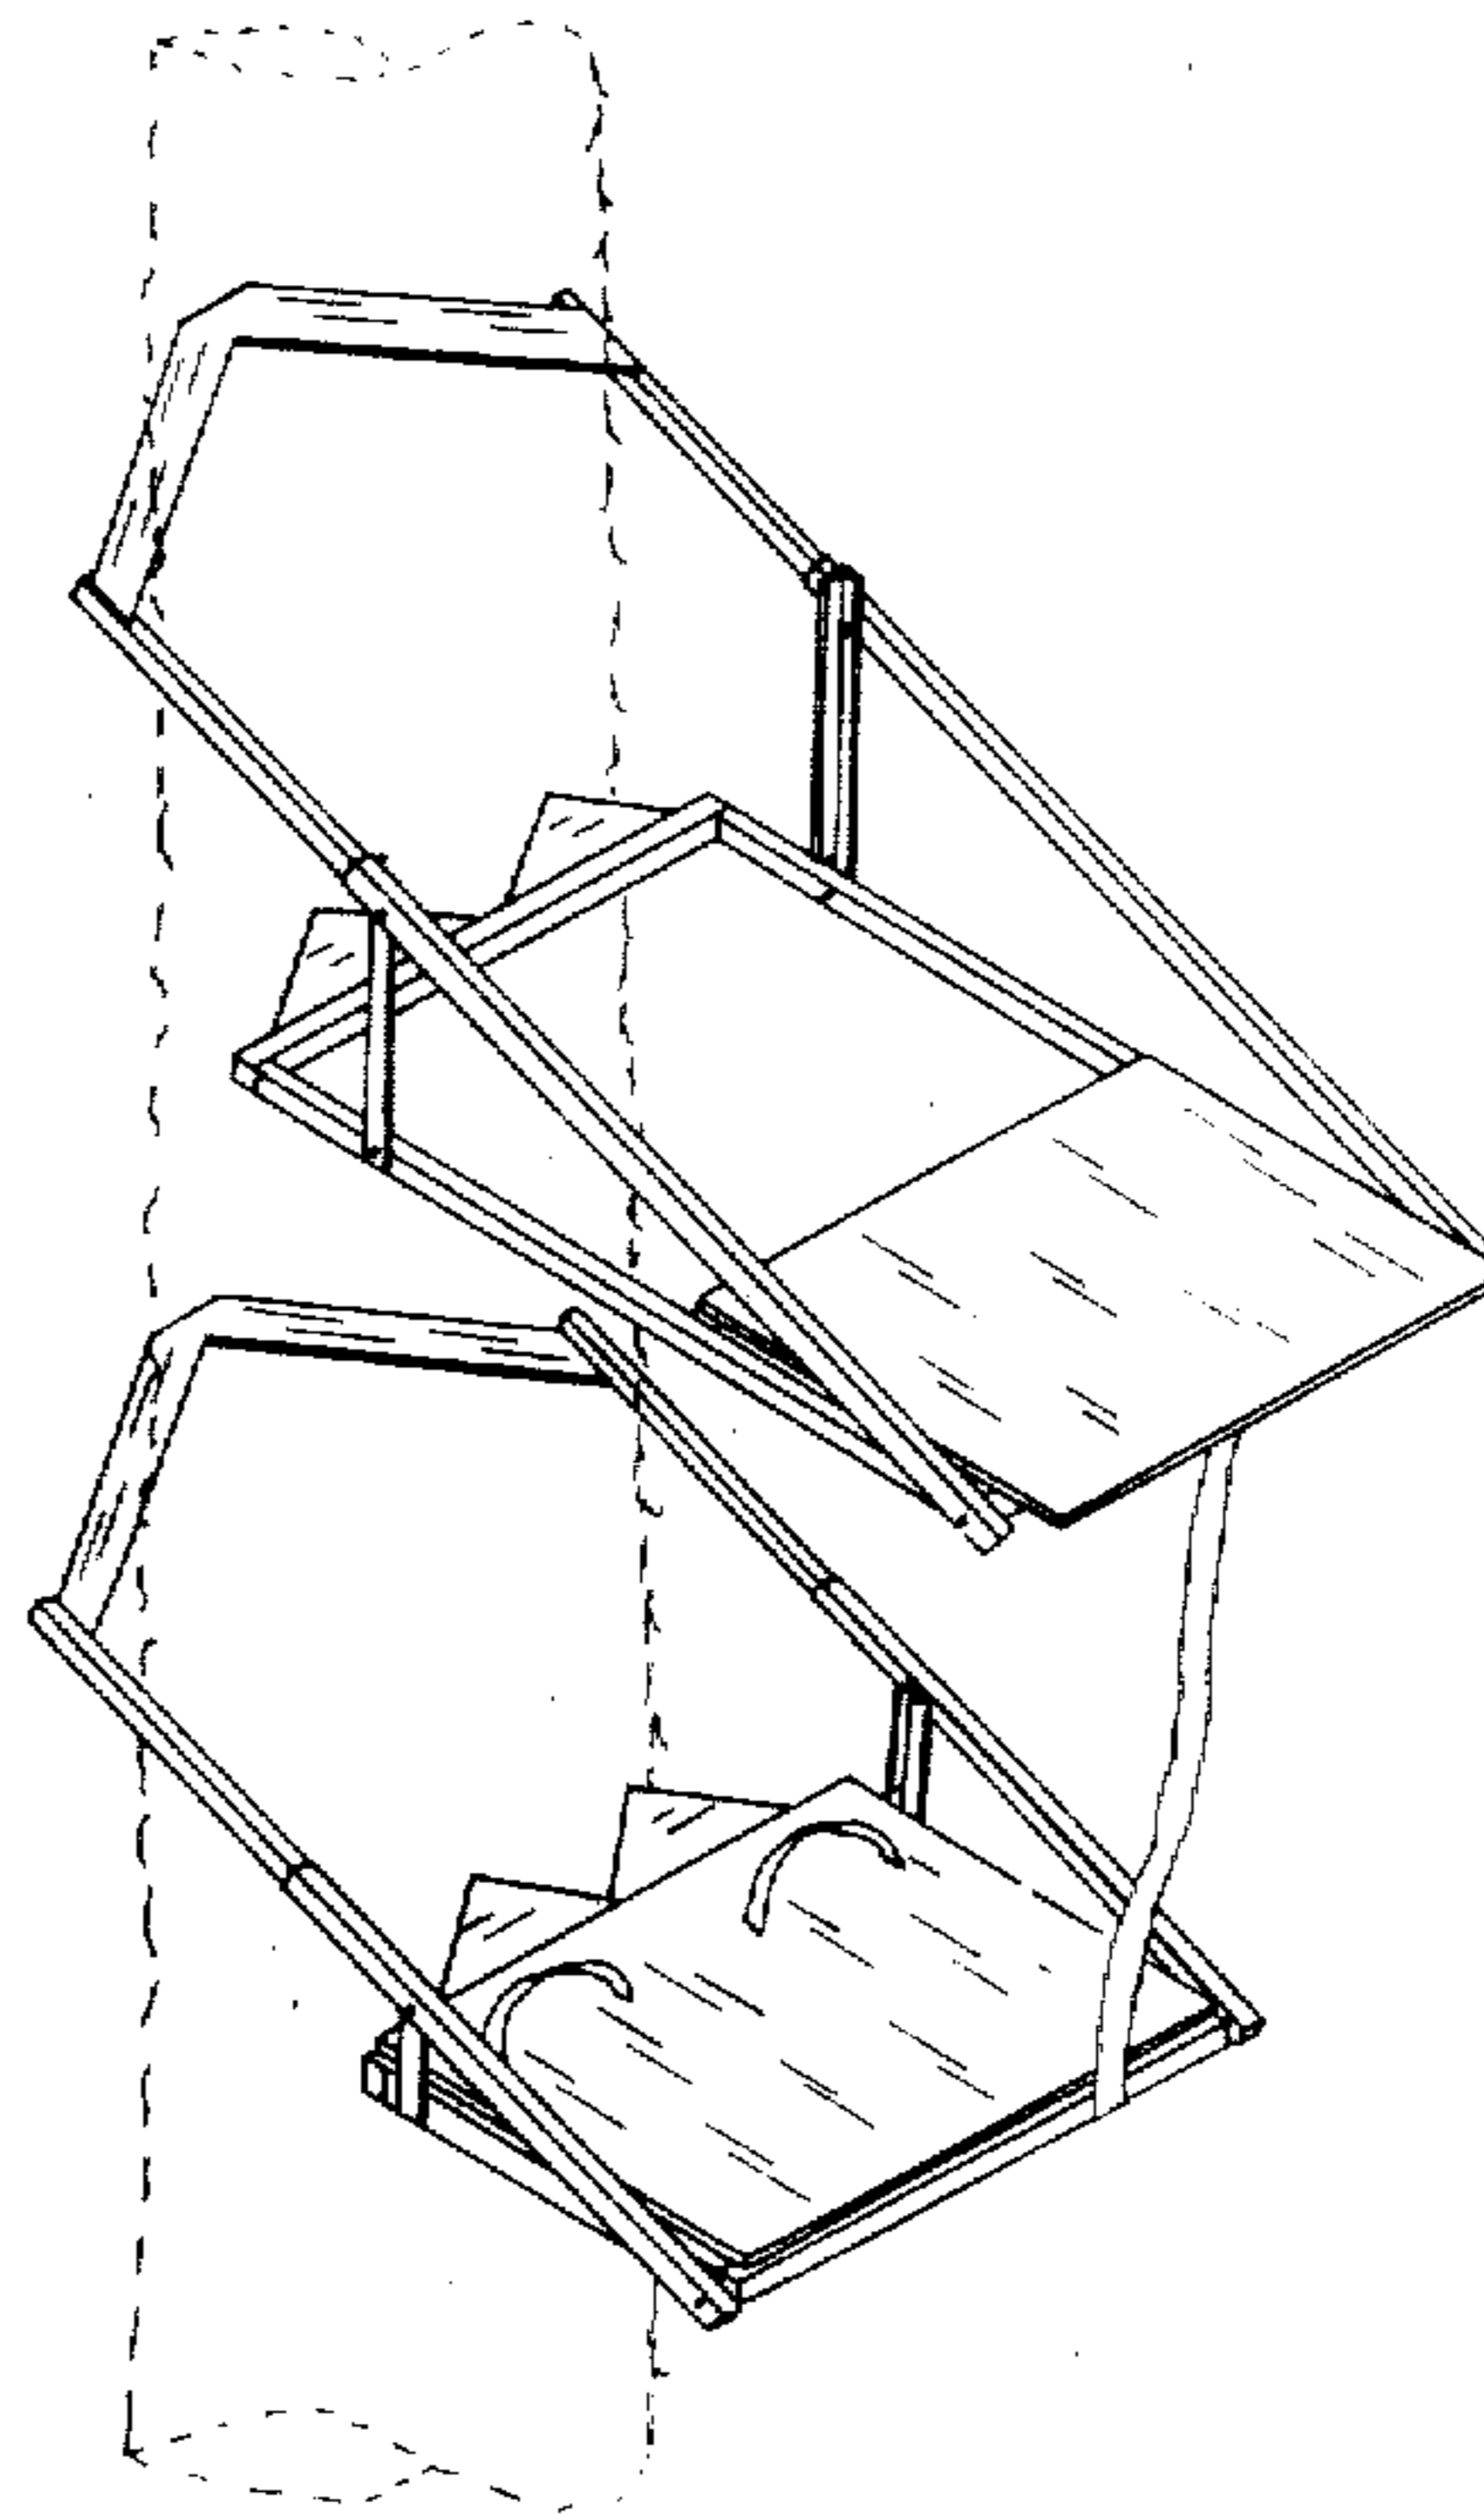

**DESCRIPTION**

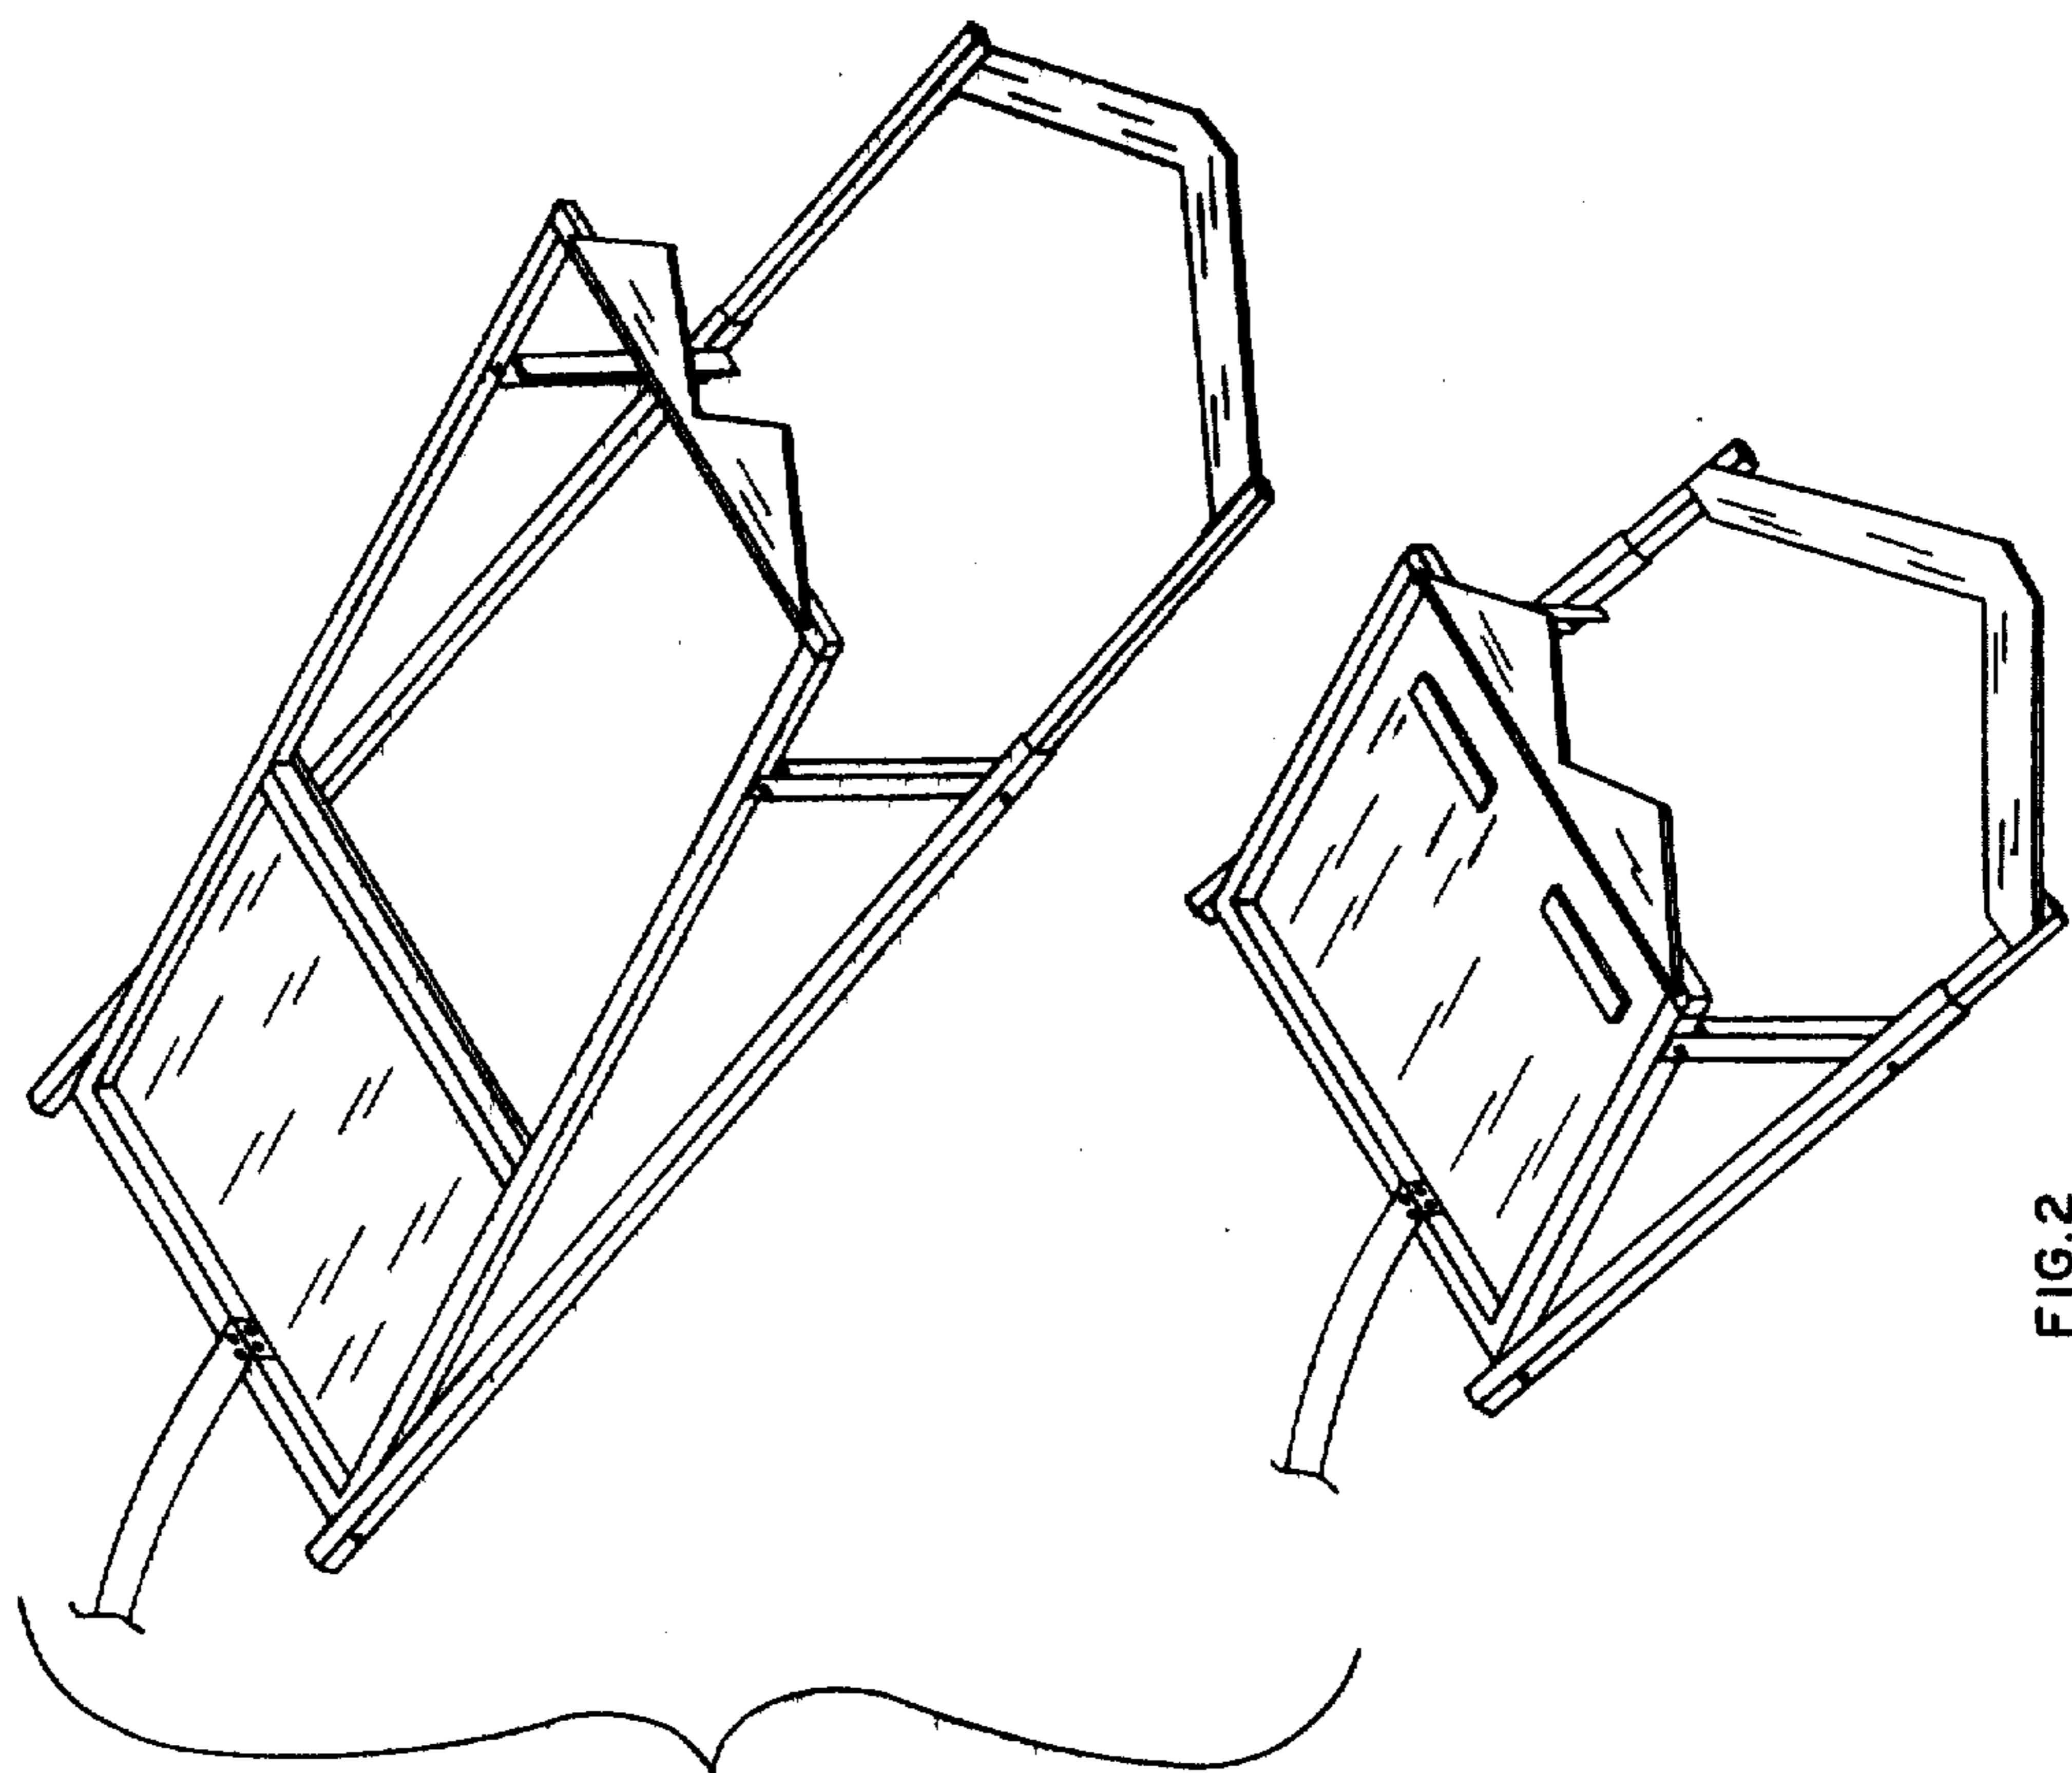

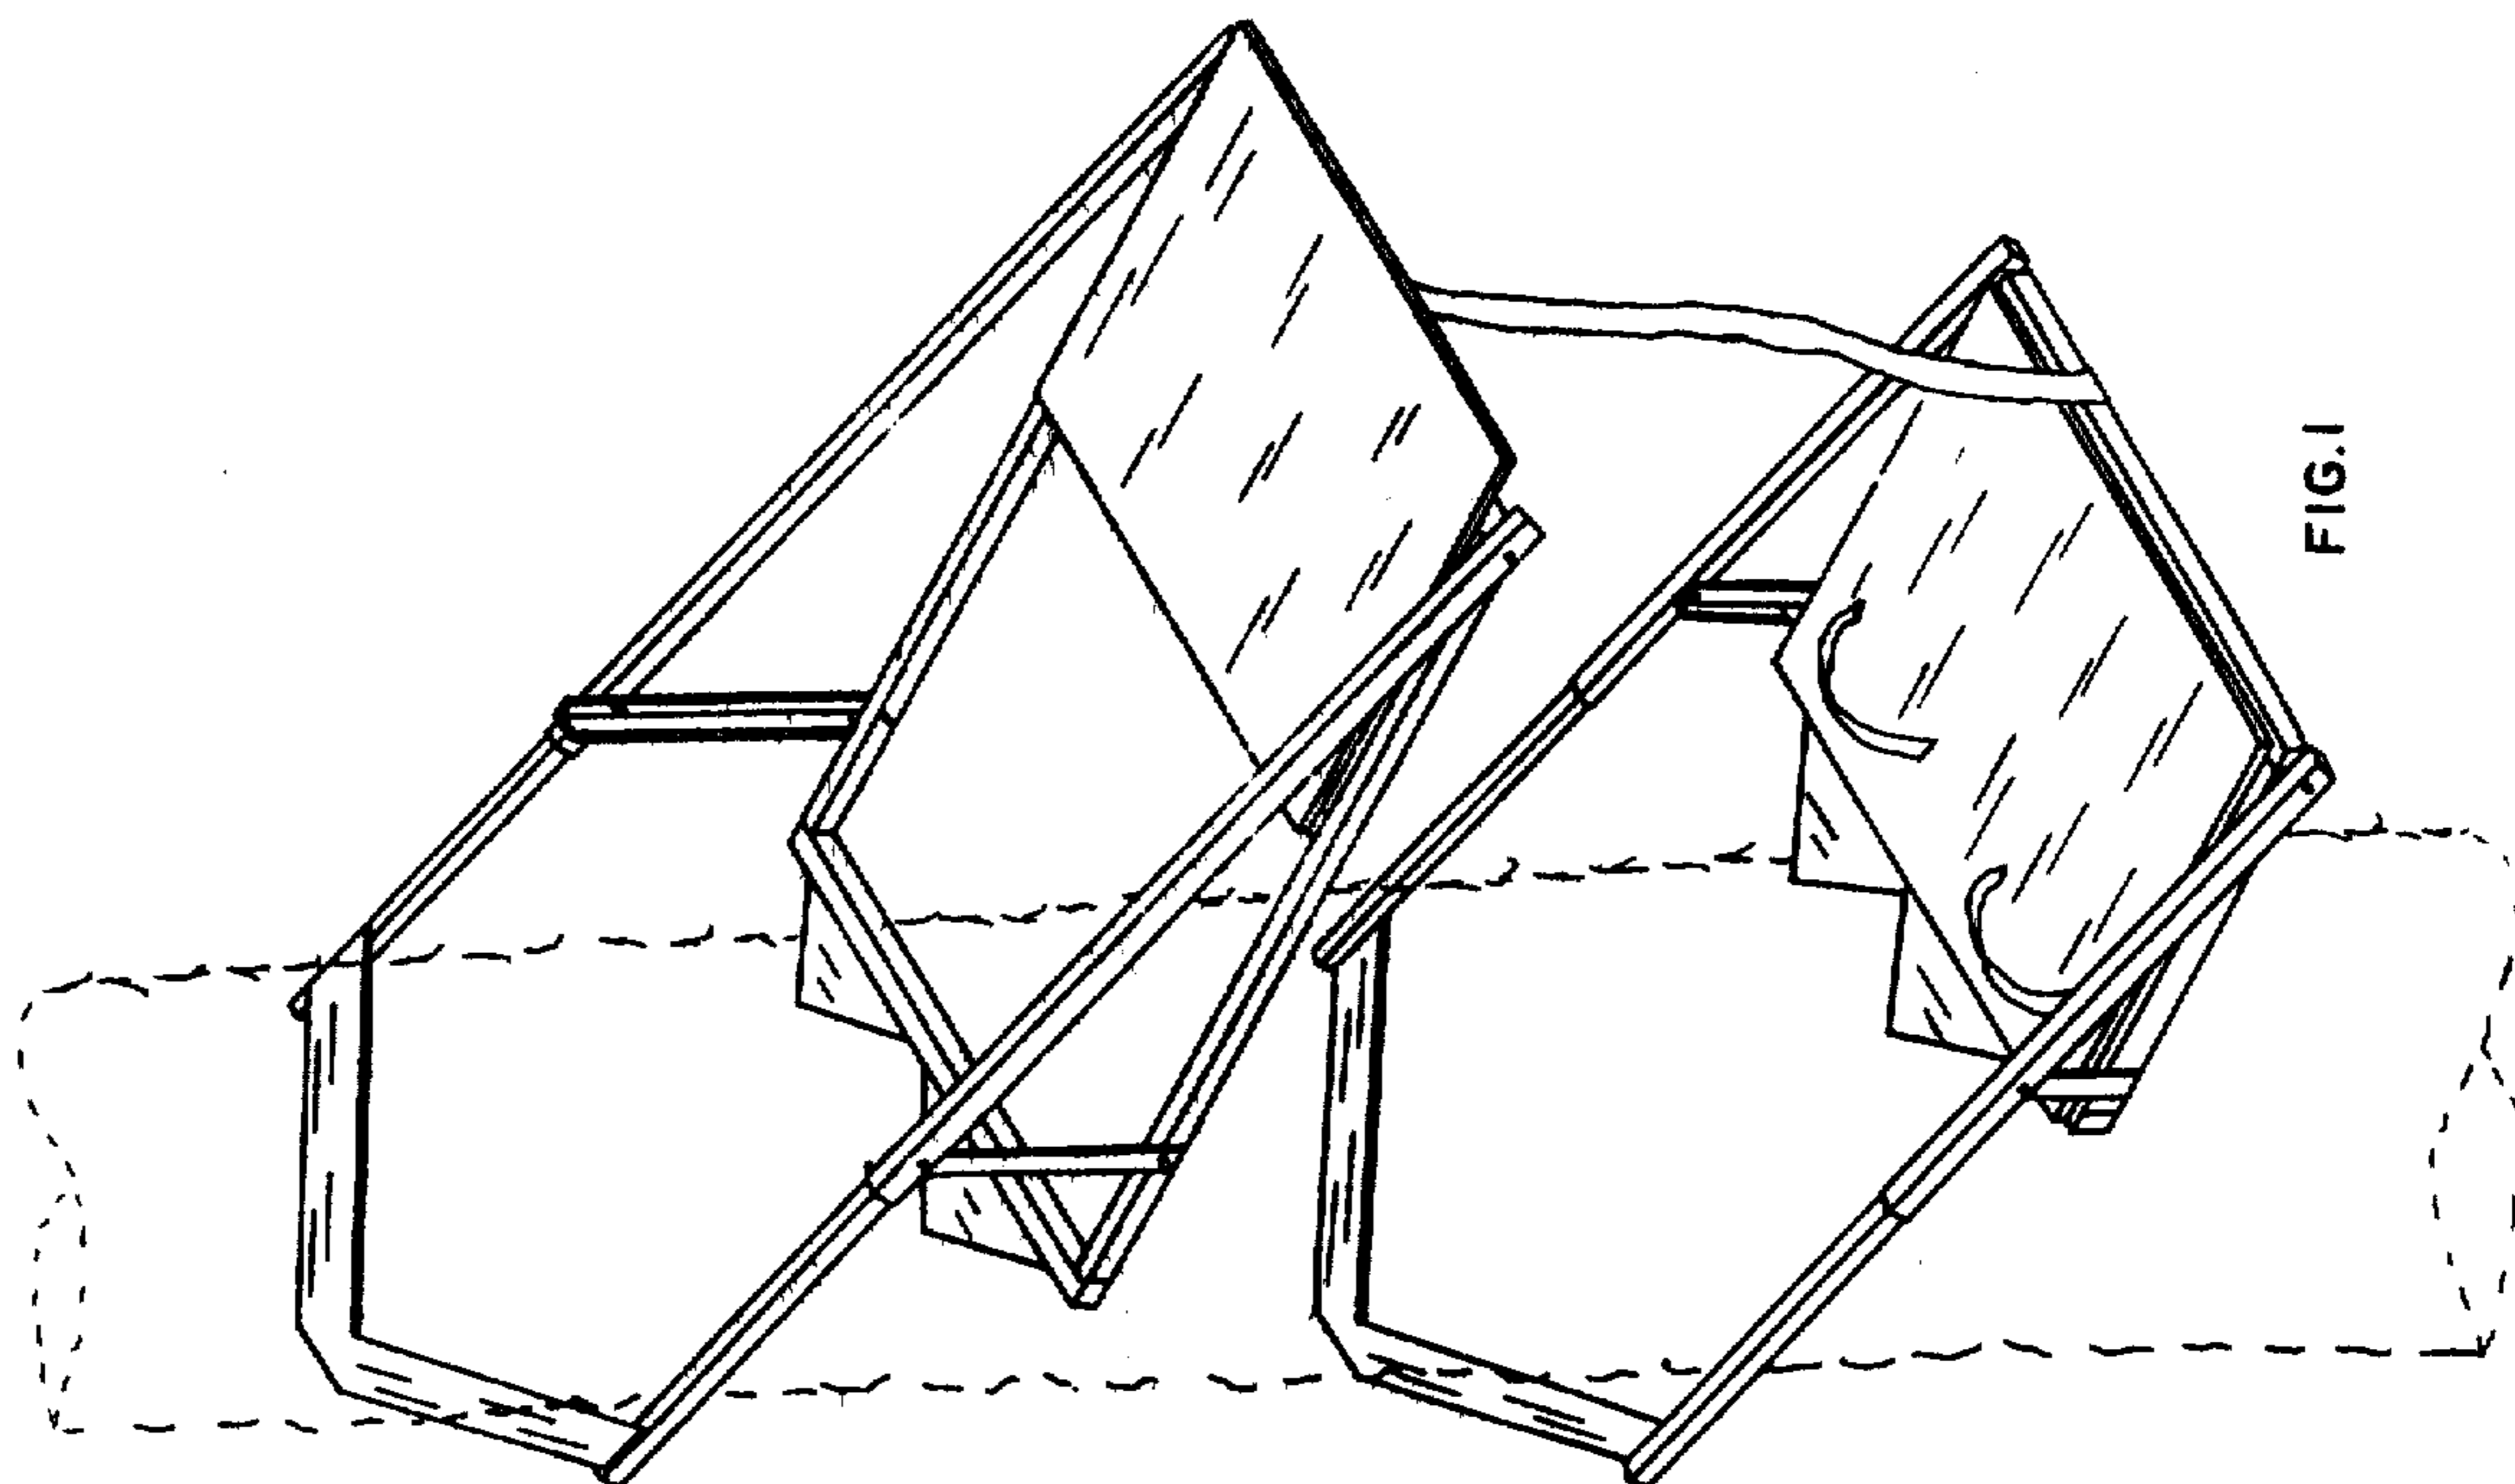

FIG. 1 is a perspective view of my new design as seen from a point to the left of and above the front of the design.

FIG. 2 is a perspective view generally showing the bottom side of the design with the two main body parts separated for clarity and with a connecting member cut to enable the separation.

FIG. 3 is a side elevational view of my new design as seen from the right side of the design.

The tree shown in dotted lines in FIGS. 1 and 3 is for illustrative purposes only and form no part of the claimed design.

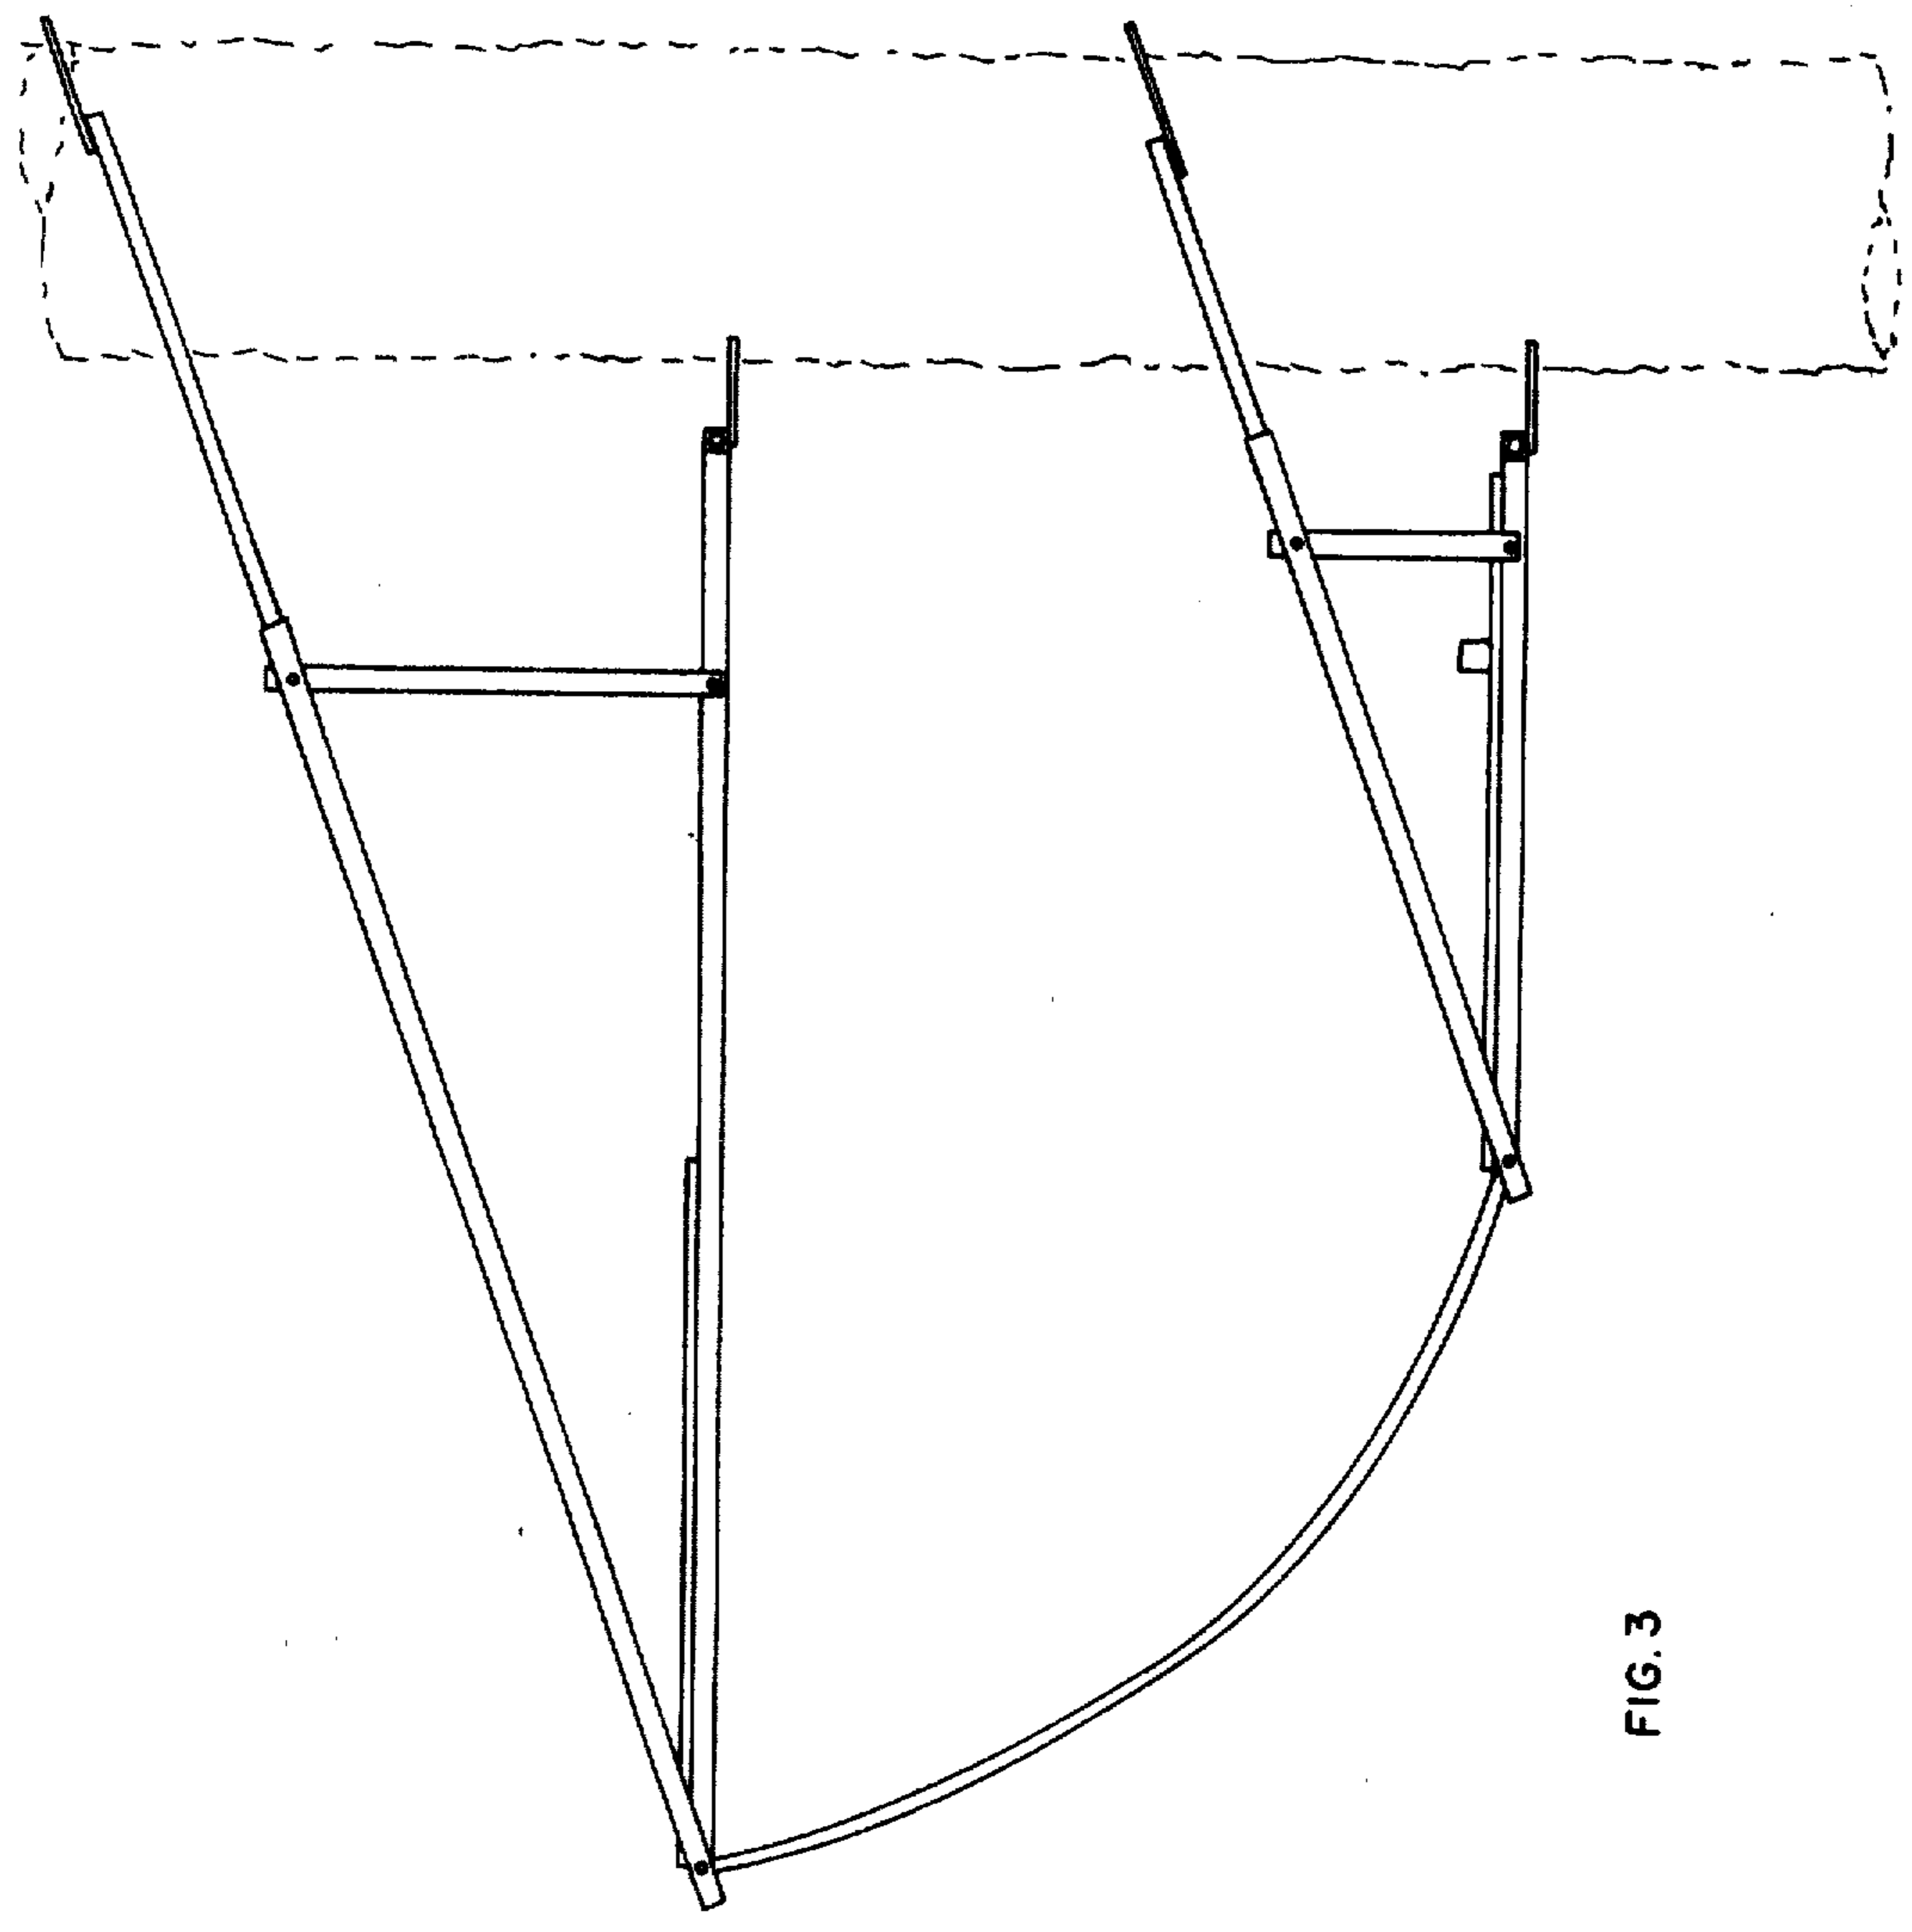

FIG. 3
