[57] CLAIM

The ornamental design for an armchair, substantially as shown and described.

DESCRIPTION

FIG. 1 is a perspective view, looking from above and from the front and side at about a 45° angle, of an armchair embodying my new design.

FIG. 2 is a perspective view thereof, looking from above and from the rear and one side.

FIG. 3 is a perspective view thereof, looking down from one side.

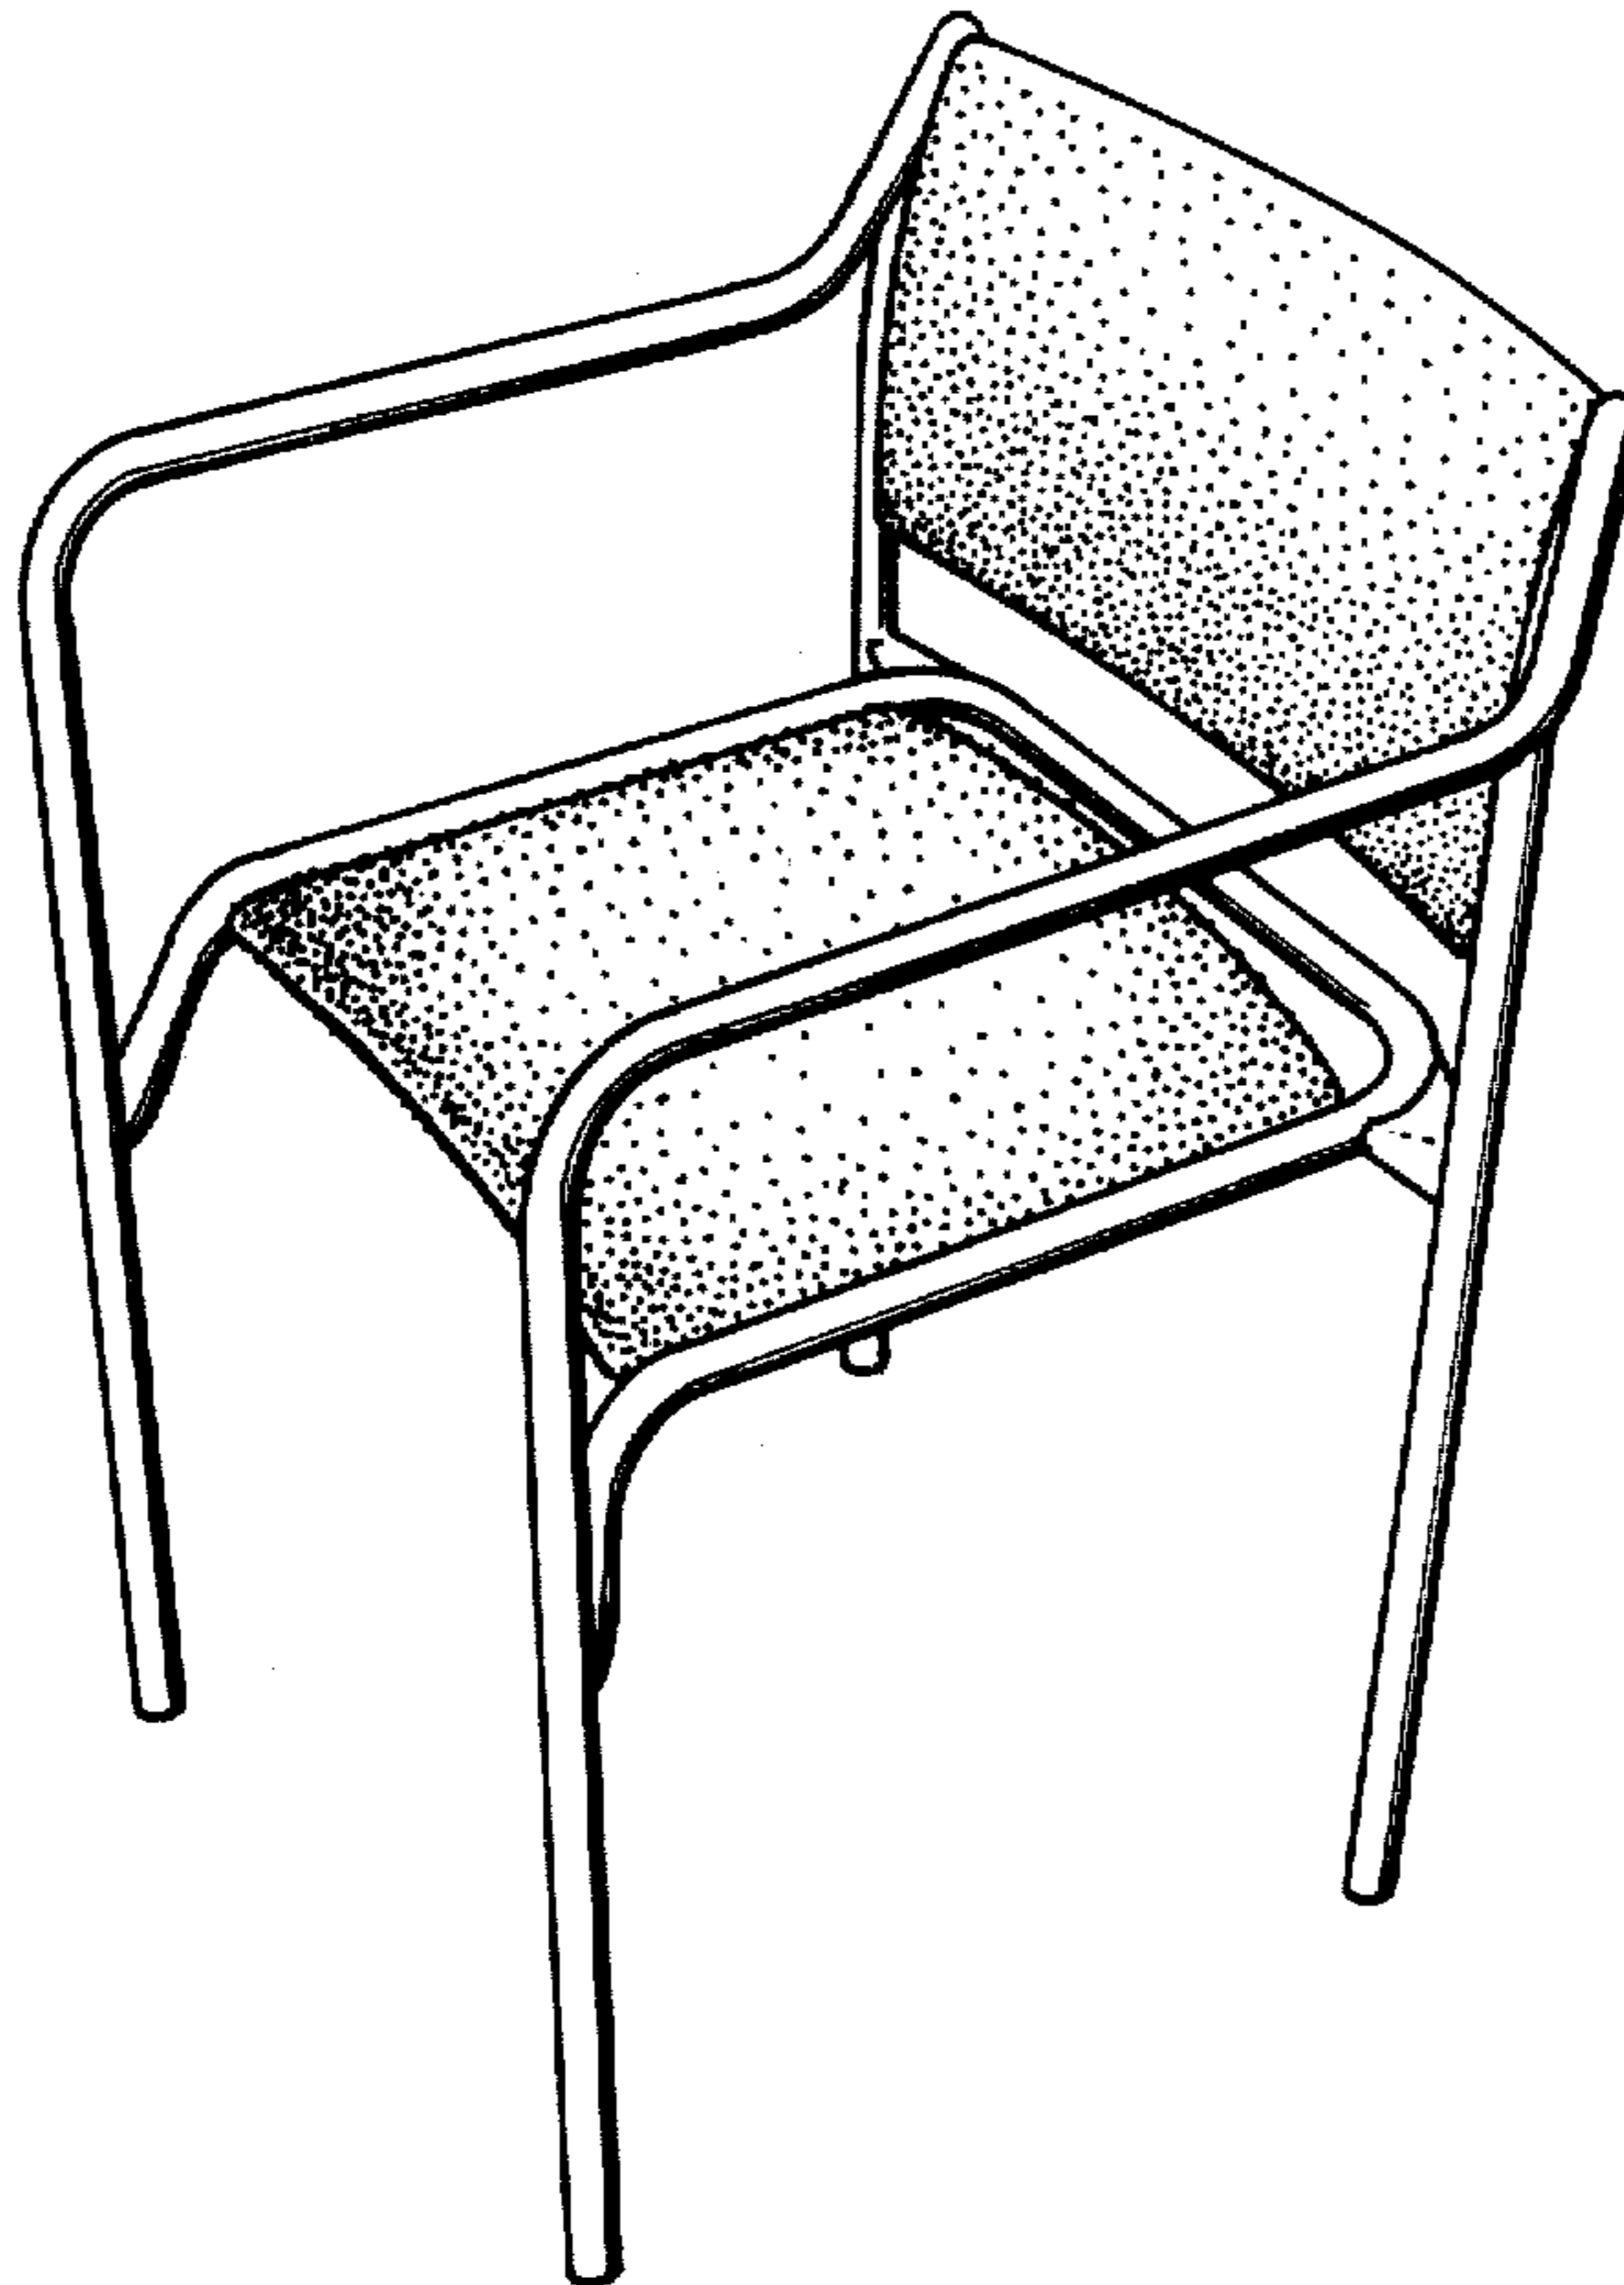

FIG. 4 is a perspective view thereof, looking from the front and one side.

FIG. 5 is a perspective view, looking down from above and from the front.

FIG. 6 is a bottom view thereof.

FIG. 7 is a perspective view, looking down on the front and one side of a modified form of compactly stackable armchair also embodying my new design.

FIG. 8 is a perspective view of the armchair of FIG. 7, looking down upon from the rear and one side.
