[57] **CLAIM**

The ornamental design for a water whistle, as shown and described.

DESCRIPTION

FIG. 1 is a side elevational view of a water whistle showing our new design, the side opposite being substantially a mirror image;
FIG. 2 is a front elevational view thereof;
FIG. 3 is a rear elevational view thereof, with the hose member removed for ease of illustration.
The unshown bottom of the claimed design is plain and unornamented.

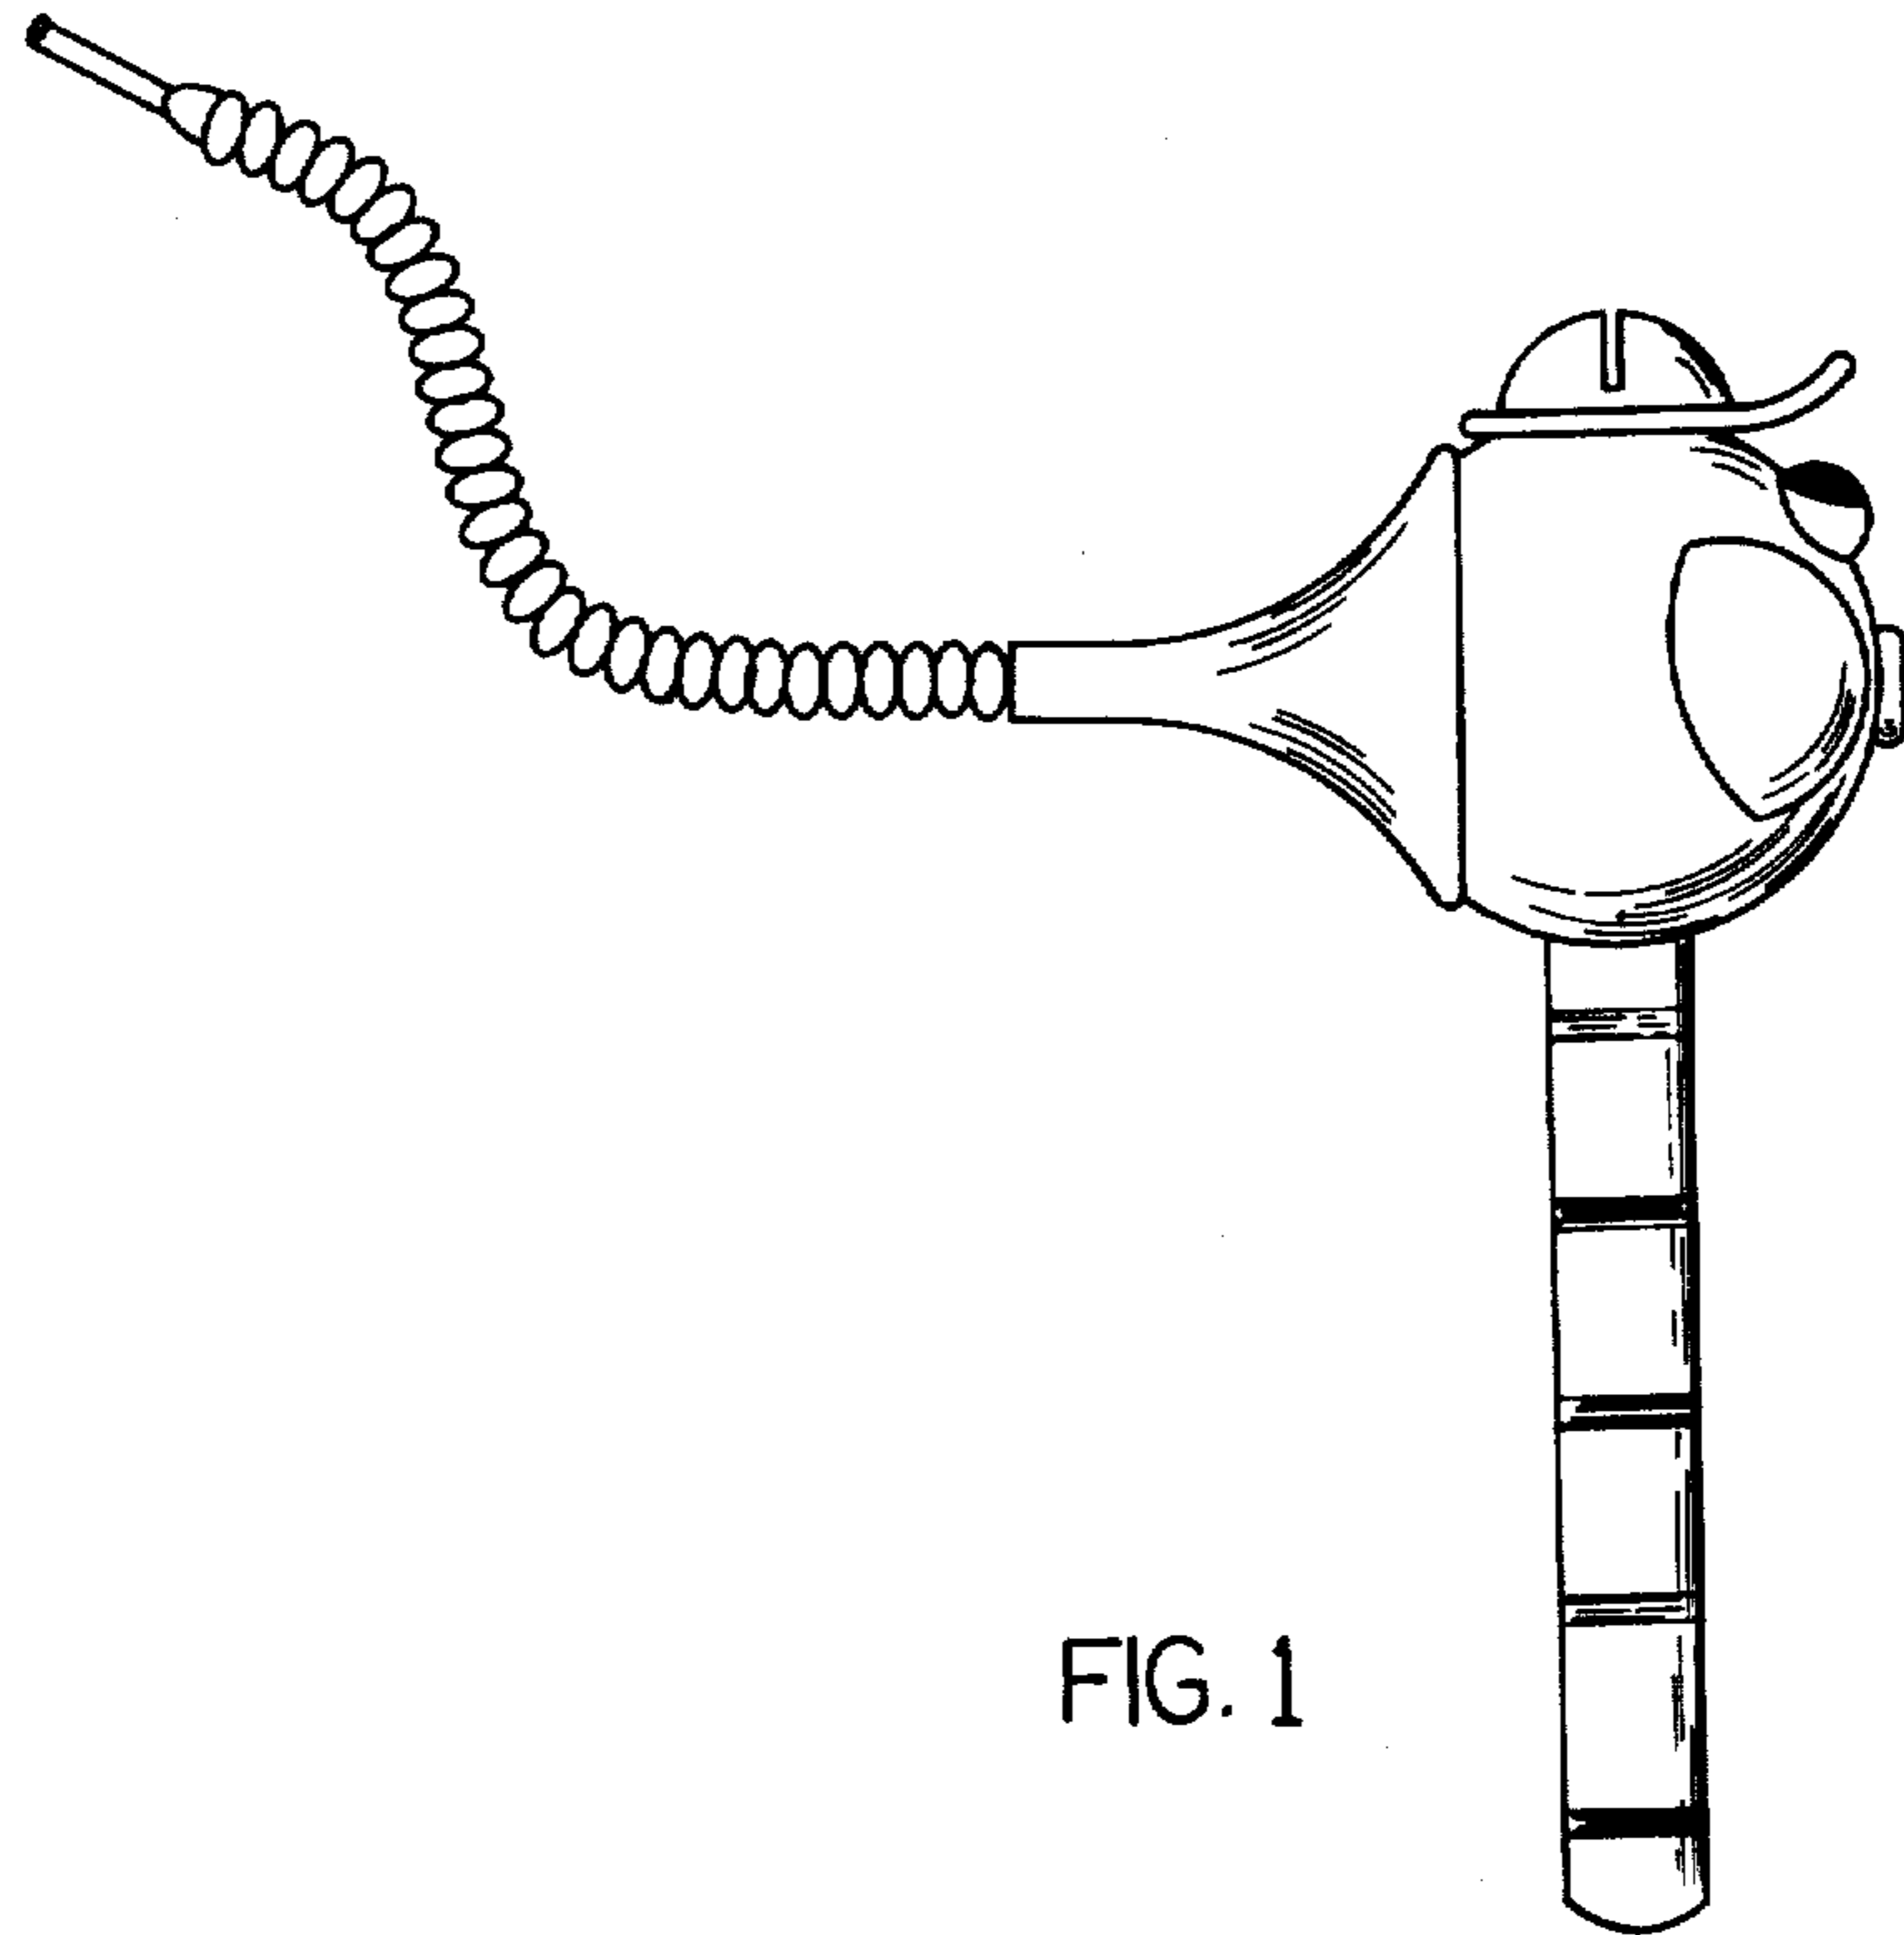

FIG. 1

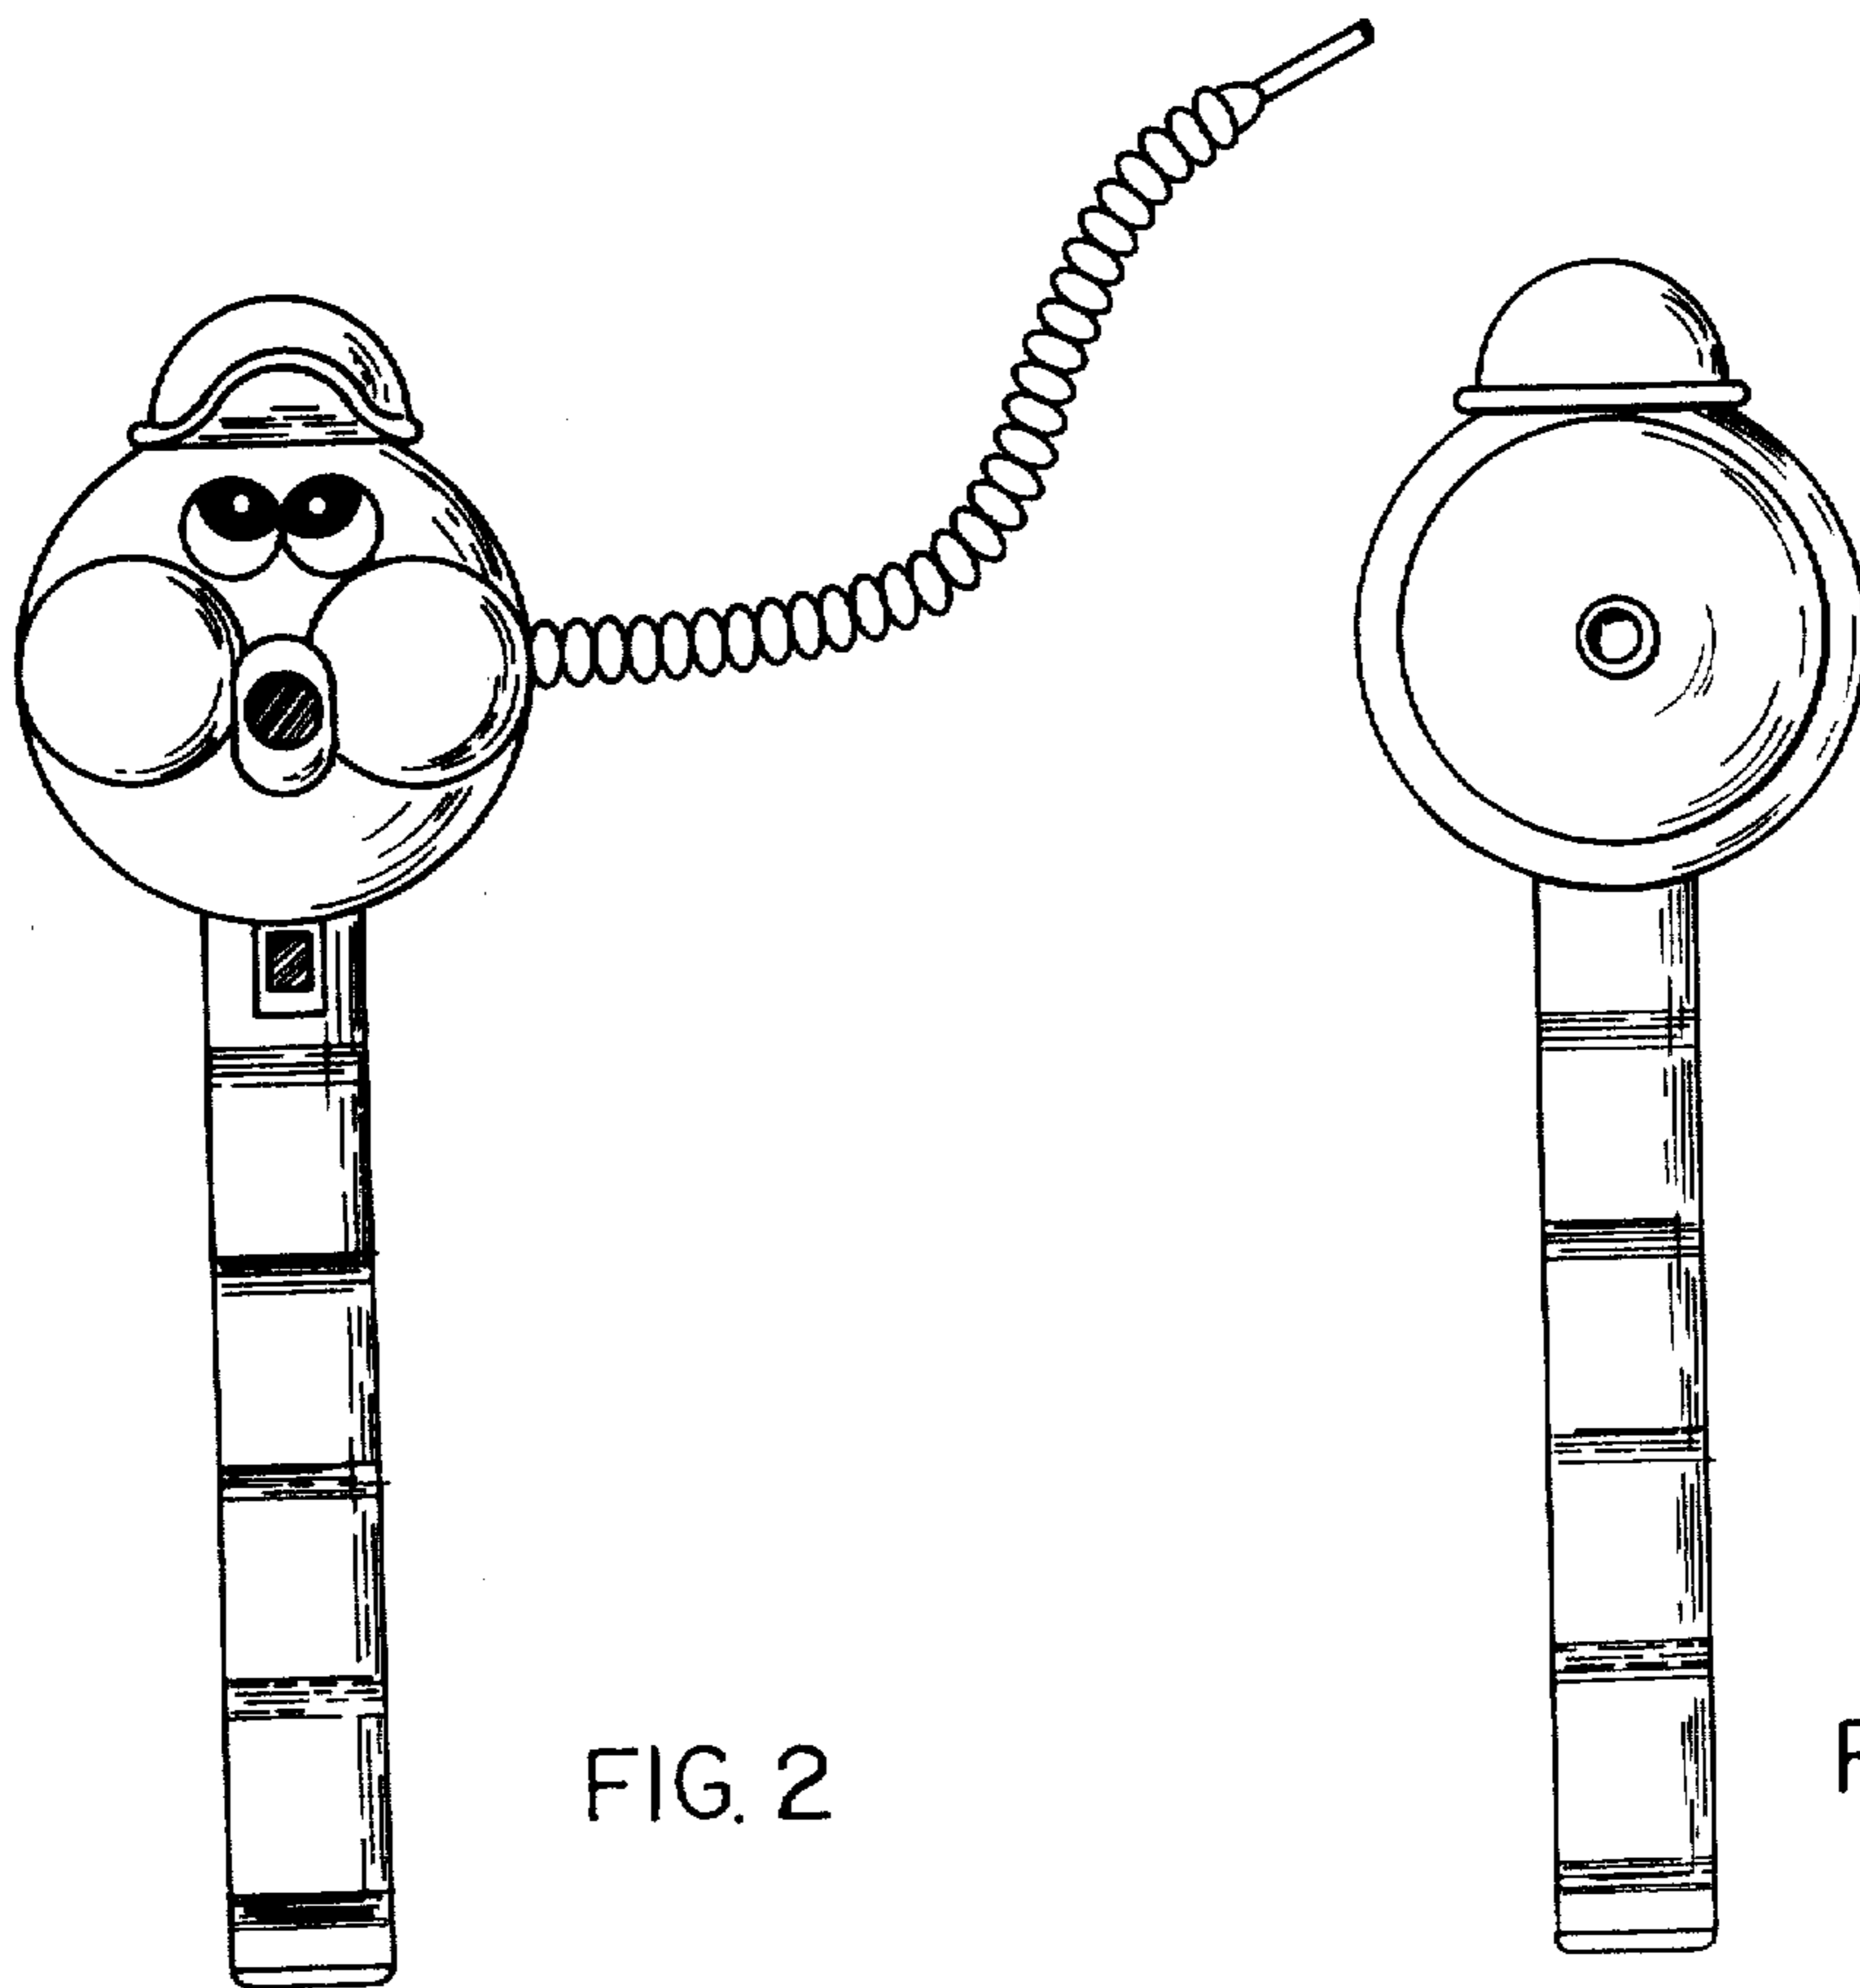

FIG. 2

FIG. 3
