[57] **CLAIM**

The ornamental design for a combined circuit connector and switching module, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a combined circuit connector and switching module showing my new design;

FIG. 2 is a bottom view of the combined circuit connector and switching module of FIG. 1;

FIG. 3 is a right side view of the combined circuit connector and switching module of FIG. 1;

FIG. 4 is a back side view of the combined circuit connector and switching module of FIG. 1;

FIG. 5 is a left side view of the combined circuit connector and switching module of FIG. 1; and

FIG. 6 is a top plan view of the combined circuit connector and switching module of FIG. 1.

FIG. 7 is a perspective view taken from the front and left sides of the combined circuit connector and switching module as shown in FIGS. 1 and 5.
