[57] **CLAIM**

The ornamental design for a two color chewing gum, substantially as shown and described.

DESCRIPTION

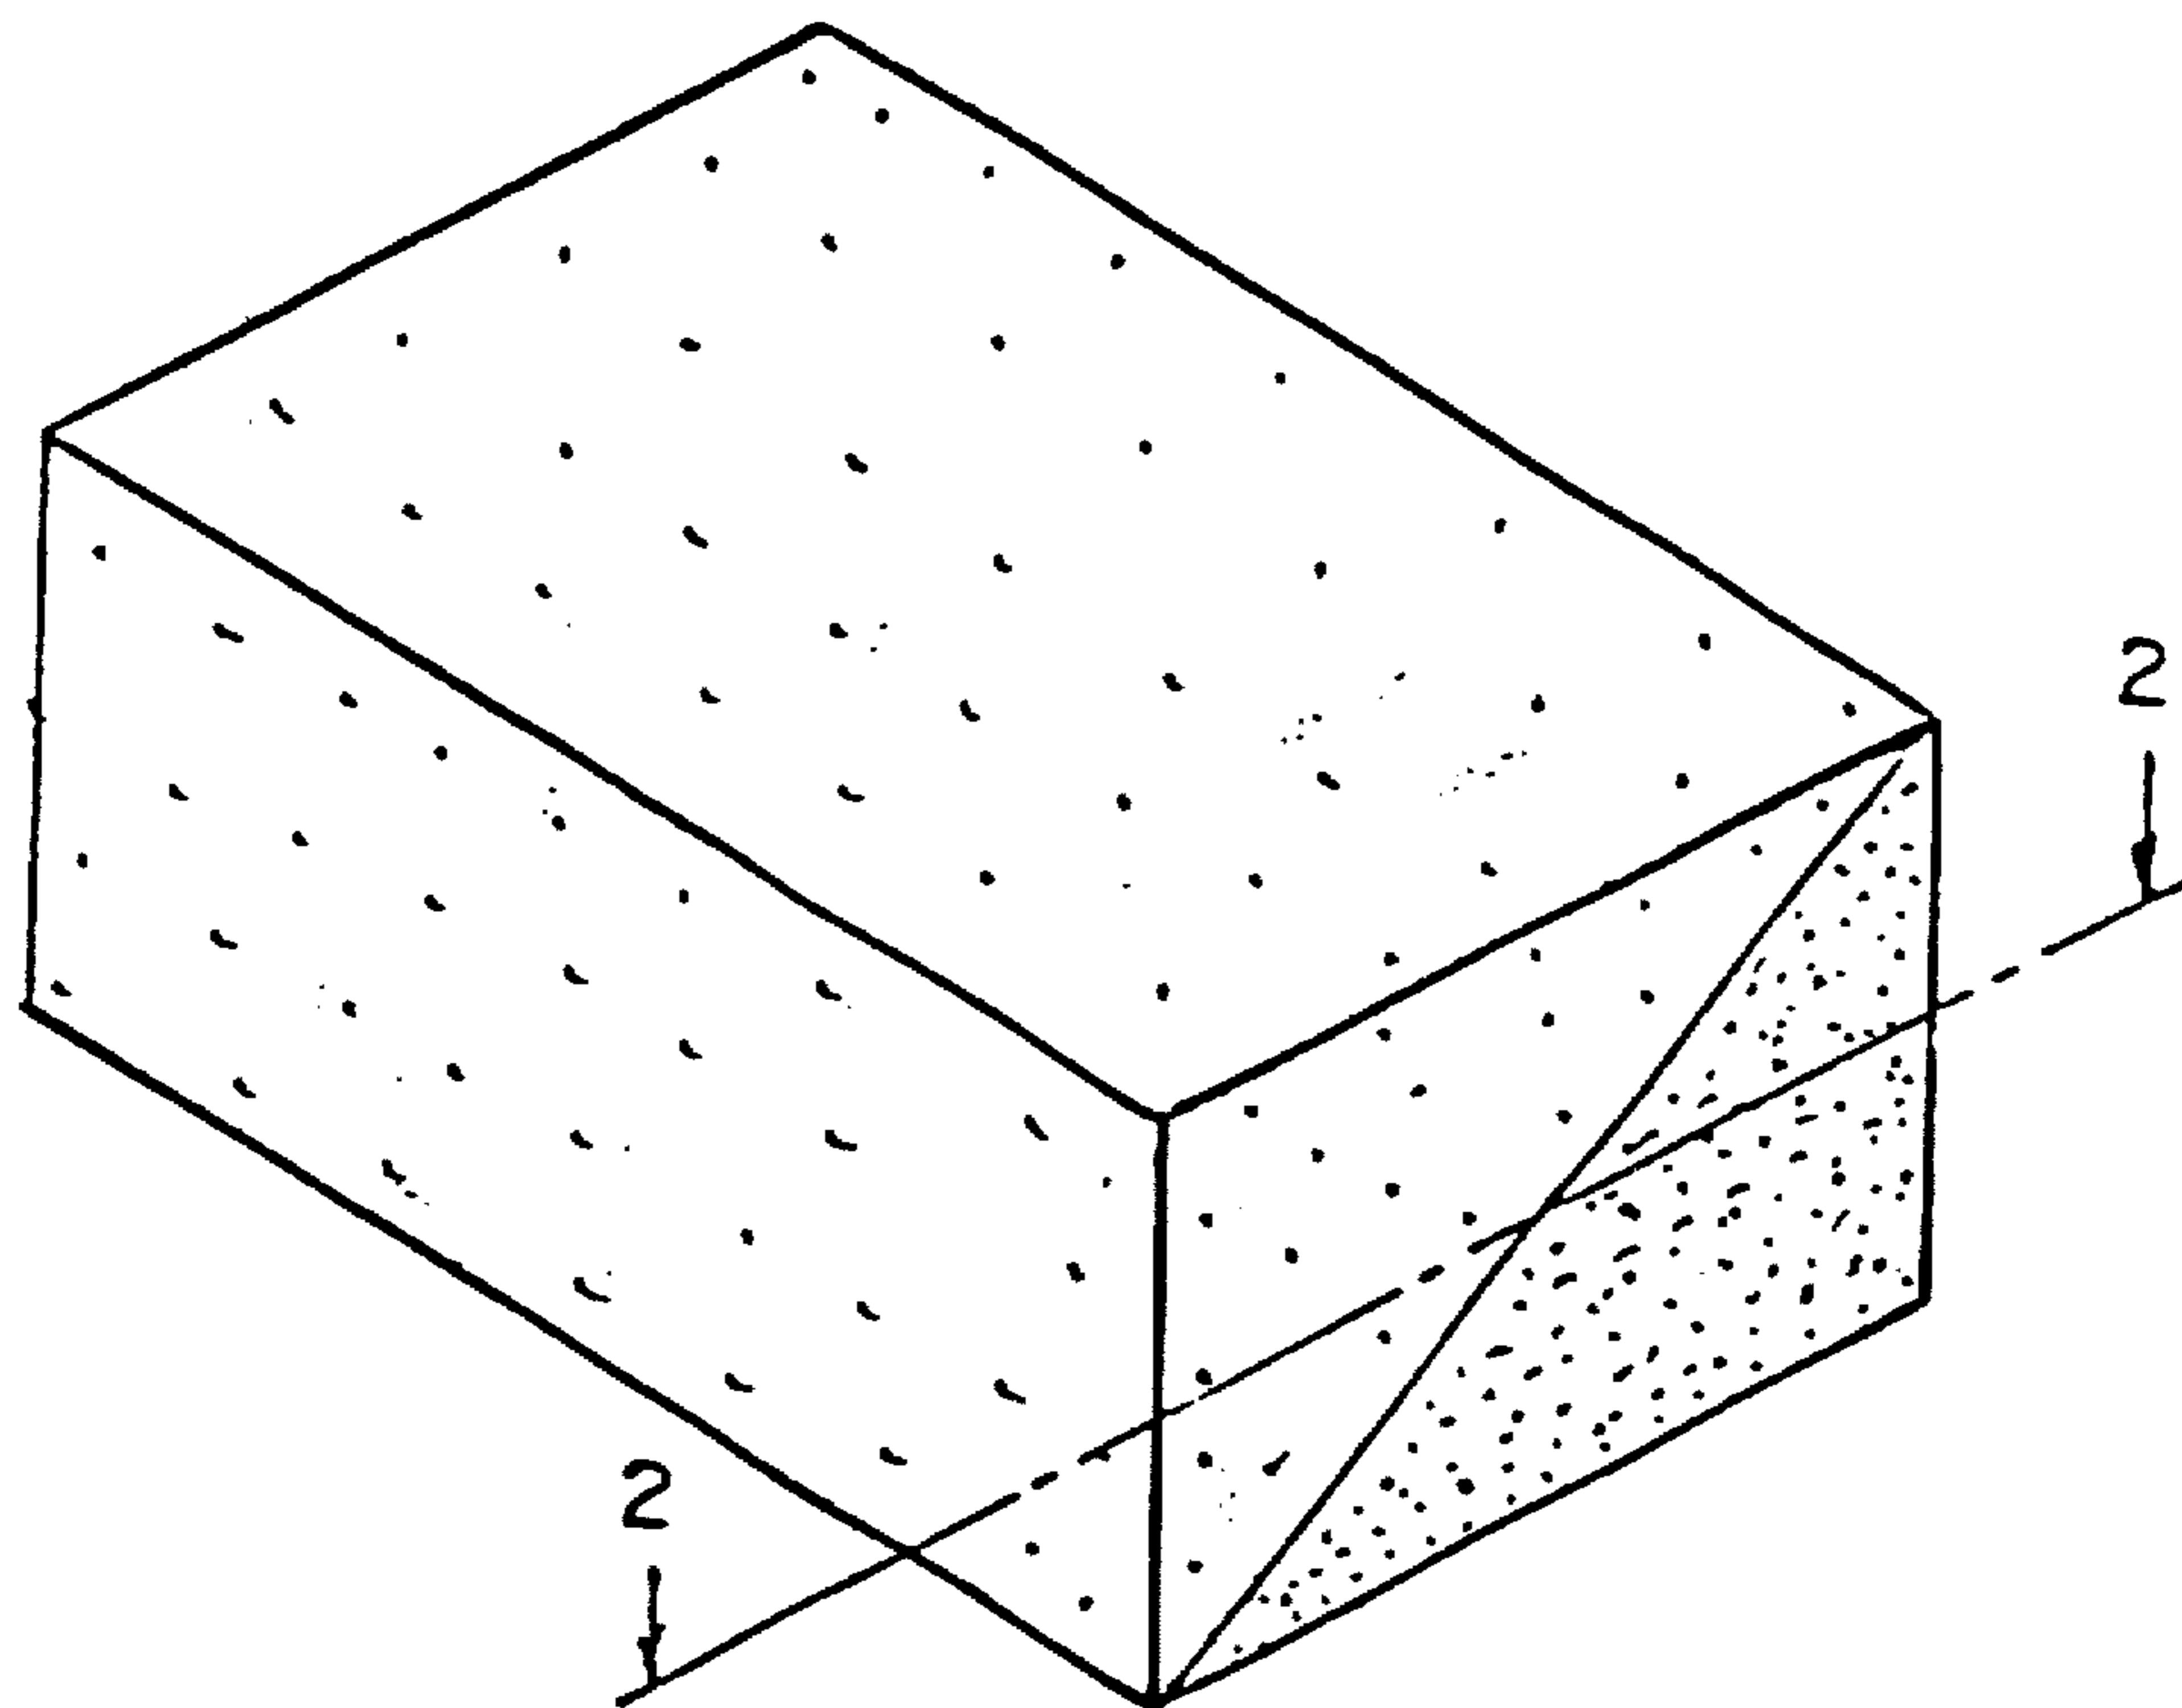

FIG. 1 is a front perspective view of a two color chewing gum showing my new design, the rear perspective view being a mirror image of that shown; and FIG. 2 is a sectional view taken along line 2—2 of FIG. 1.

The bottom view of my new design is identical to the top view shown in perspective in FIG. 1, except that the colors have been interchanged.
