[57] **CLAIM**

The ornamental design for a cable television set top converter control terminal or the like, as shown and described.

DESCRIPTION

FIG. 1 is a front, top and right side perspective view of a cable television set top converter control terminal or the like showing my new design;
FIG. 2 is a front elevational view;
FIG. 3 is a top plan view;
FIG. 4 is a right side elevational view, the left side being a mirror image thereof;
FIG. 5 is a sectional view taken along lines 5-5 in FIGS. 2 and 3;
FIG. 6 is a rear elevational view; and
FIG. 7 is a bottom plan view.
The broken line characters in the front left windows are shown for illustrative purposes only. The stippling indicates surface texture.
