[57] CLAIM

The ornamental design for a ground inserted support stand for a golf bag, substantially as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a ground inserted support stand for a golf bag showing my design.

FIG. 2 is a front elevational view of the ground inserted support stand for a golf bag, the support member being shown as disposed vertically with the pointed end at the bottom.

FIG. 3 is an elevational view taken from the right side of FIG. 2.

FIG. 4 is a top plan view of the ground inserted support stand for a golf bag, such top plan view being taken of the support member when disposed in the FIG. 2 position.

FIG. 5 is a bottom plan view of the ground inserted support stand for a golf bag; and

FIG. 6 is a rear elevational view of the ground inserted support stand for a golf bag, this rear view of the support member being taken when the support member is disposed in the FIG. 2 position.
