[57] CLAIM

The ornamental design for a multiple-tubed exhaust unit for automotive vehicles, as shown and described.

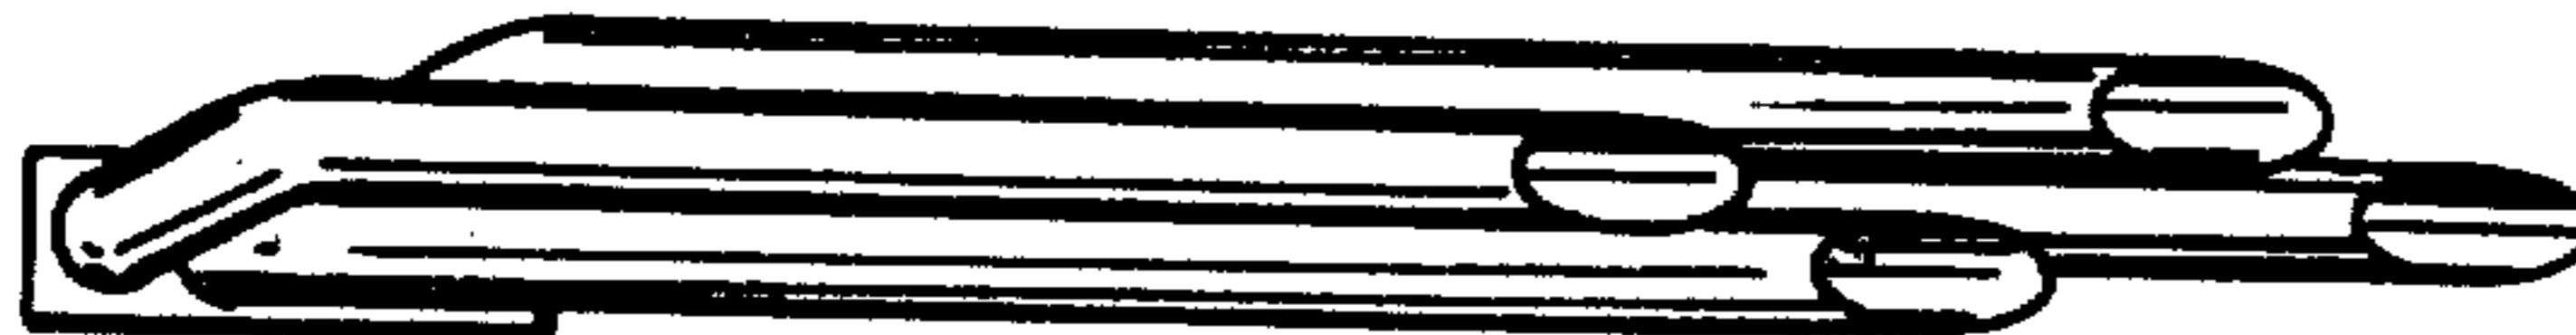

DESCRIPTION

FIG. 1 is a side elevational view of a multiple-tubed exhaust unit for automotive vehicles showing my new design;

FIG. 2 is a top plan view thereof on a slightly enlarged scale, it being understood that the bottom is a mirror image of the top shown;

FIG. 3 is a side elevational view thereof on a reduced scale in position on a vehicle which is shown in broken lines for illustrative purposes only.

The ends and rear of the rectangular portion of the exhaust unit are understood to be flat and unornamented.
