[57] **CLAIM**

The ornamental design for an hexagonal suntanning booth interior, as shown and described.

DESCRIPTION

FIG. 1 is a fragmentary perspective view of a hexagonal suntanning booth interior, with portions partially cut away for clarity of illustration, showing my new design; FIG. 2 is a fragmentary perspective view of the base portion thereof, with the door in an open position; FIG. 3 is a plan view of the interior booth ceiling, taken at a reduced scale; FIG. 4 is a plan view of the booth base area; and FIG. 5 is an enlarged rear elevation of the interior wall panels with the ceiling member omitted for ease of illustration.
