[57] **CLAIM**

The ornamental design for a chair ride, substantially as shown and described.

**DESCRIPTION**

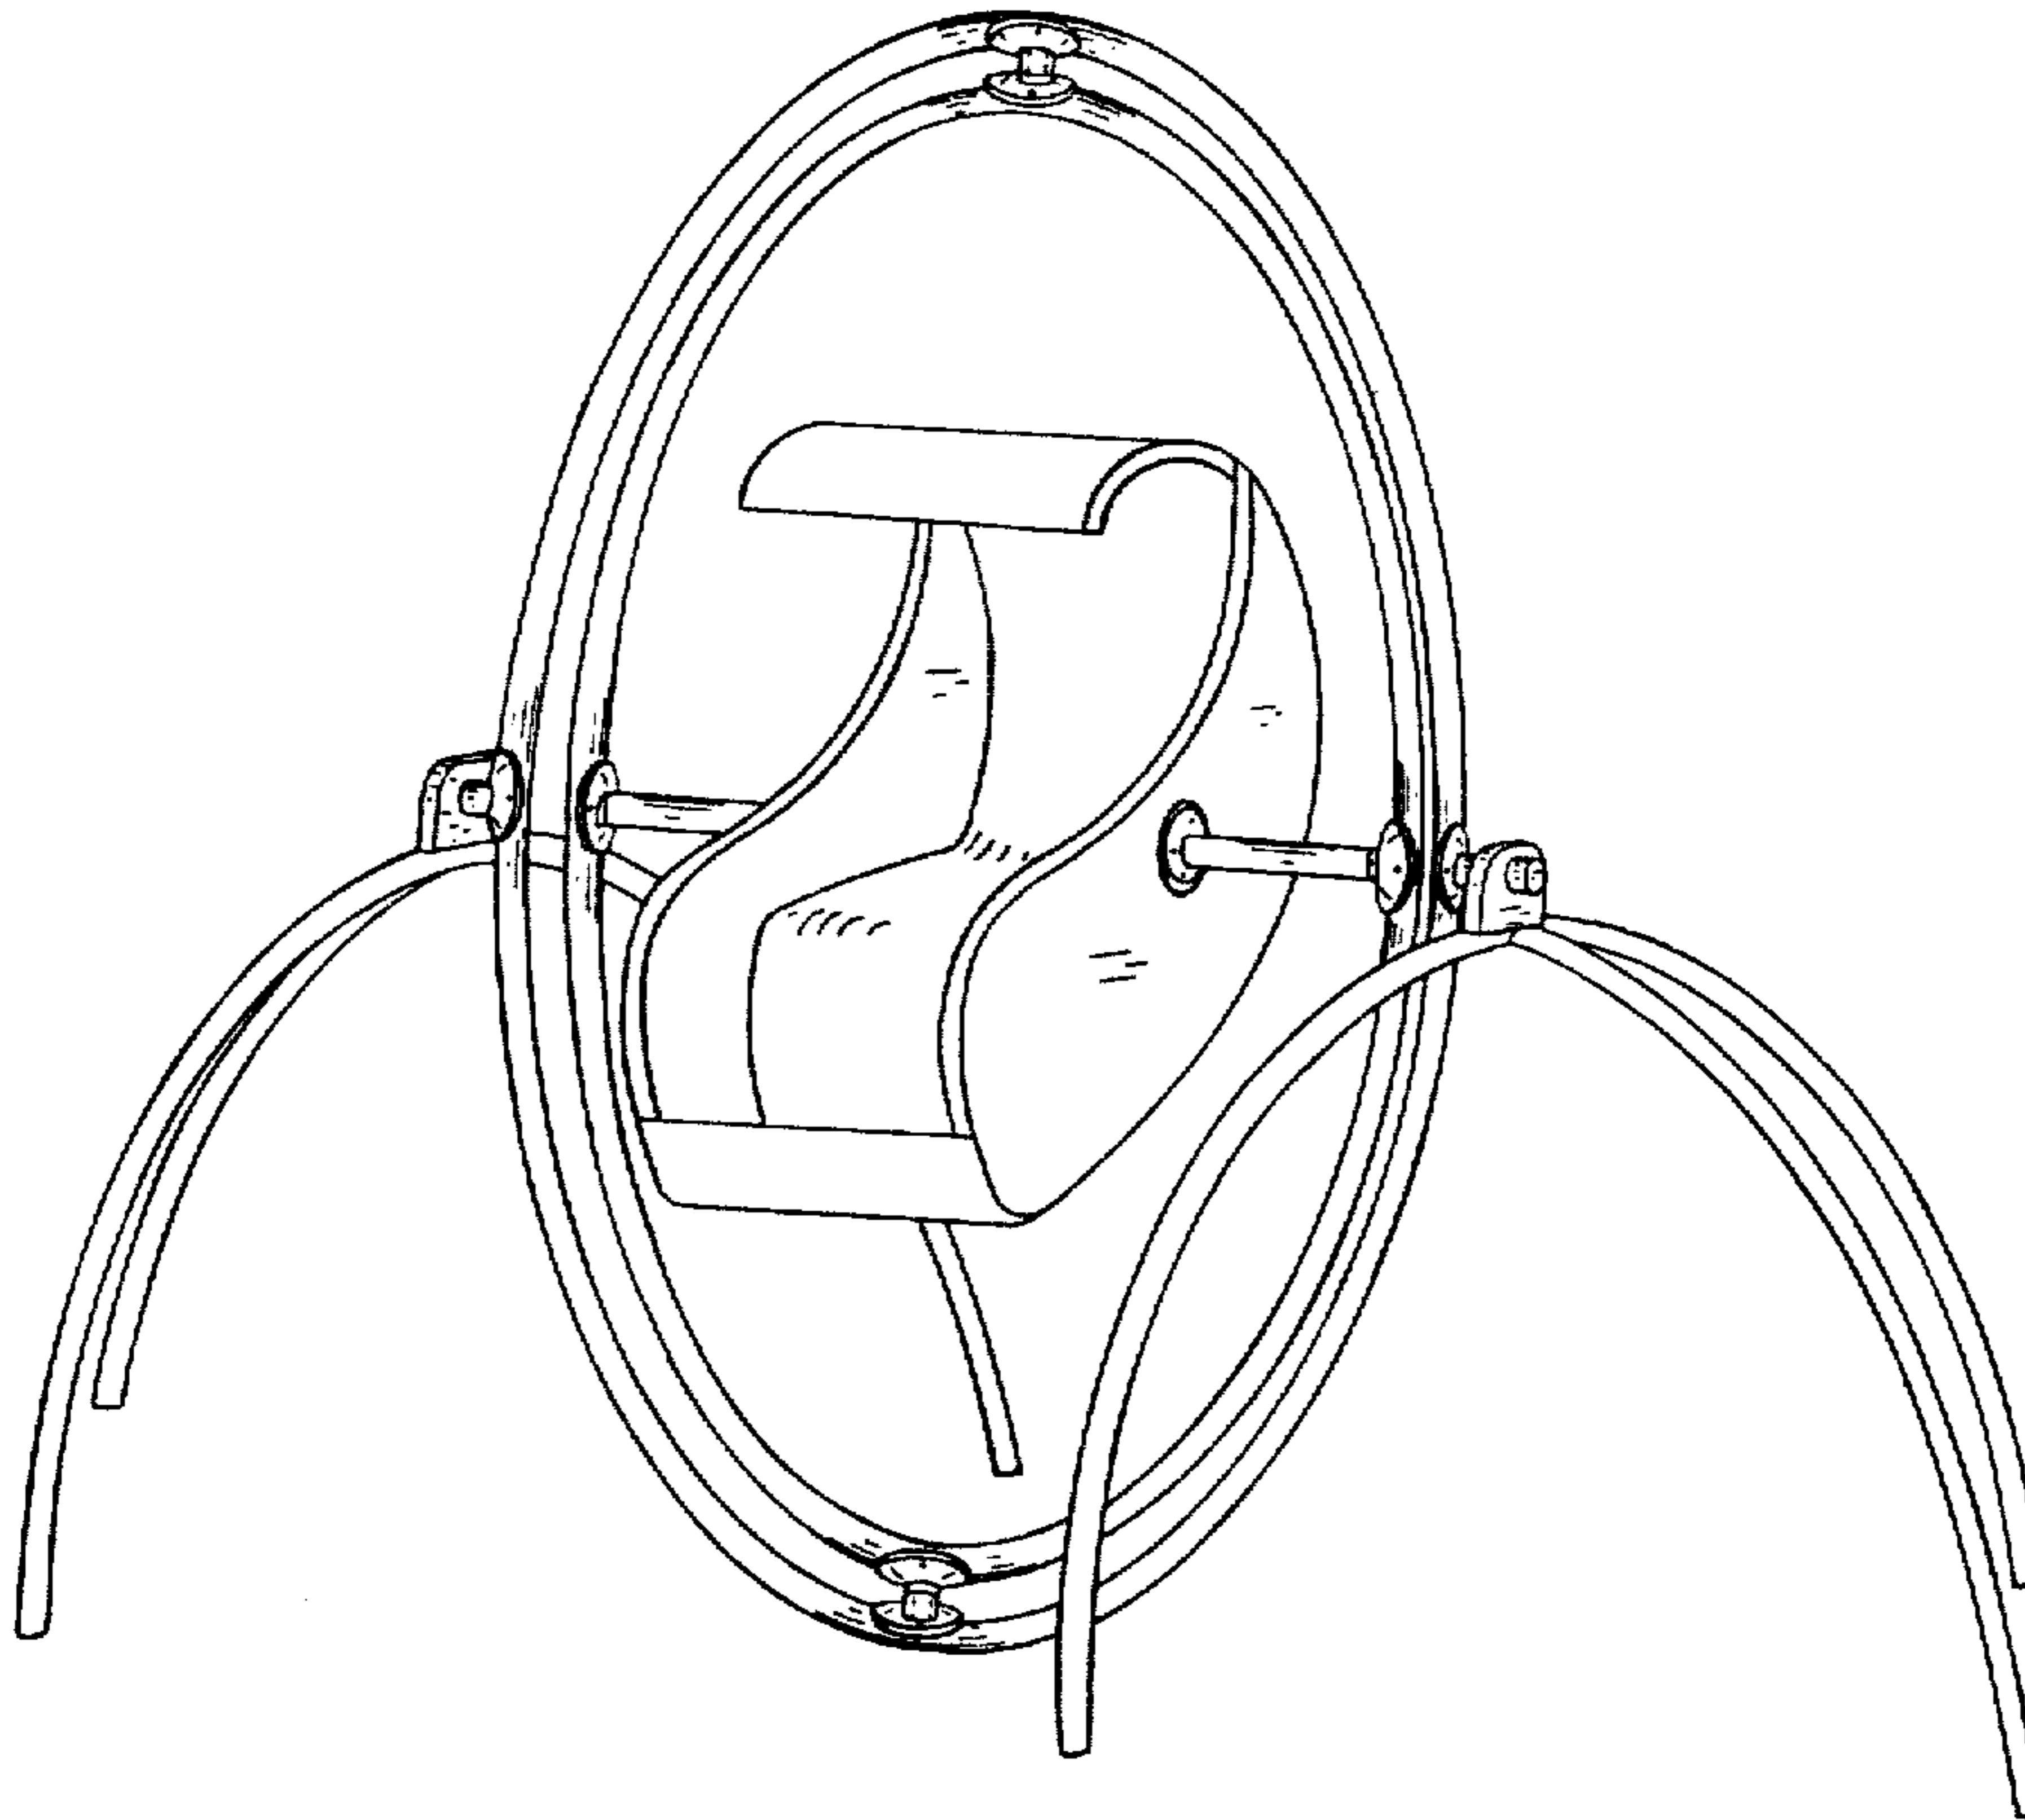

FIG. 1 is a perspective view of a chair ride in accordance with my new design as seen from a point from the front of and to the side of my design.

The opposite side of the chair in FIG. 1 is the same as that shown.

FIG. 2 is a rear view of my new design.

FIG. 3 is a top view of my new design.

FIG. 4 is a bottom view of my new design.
