[57] CLAIM

The ornamental design for a control panel for use as a housing for electrical and electronic control circuitry, as shown and described.

[21] Appl. No.: 281,608

DESCRIPTION

[22] Filed: Jul. 9, 1981

FIG. 1 is a front perspective view of a control panel for use on a housing for electrical and electronic control circuitry;

FIG. 2 is a front elevational view thereof.

[51] Int. Cl. D13-03

The undisclosed back portion of the control panel is conventional and unornamented.
