[57] CLAIM

The ornamental design for a container for octane booster fluid for internal combustion engines, substantially as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of the container for octane booster fluid for internal combustion engines showing my new design;

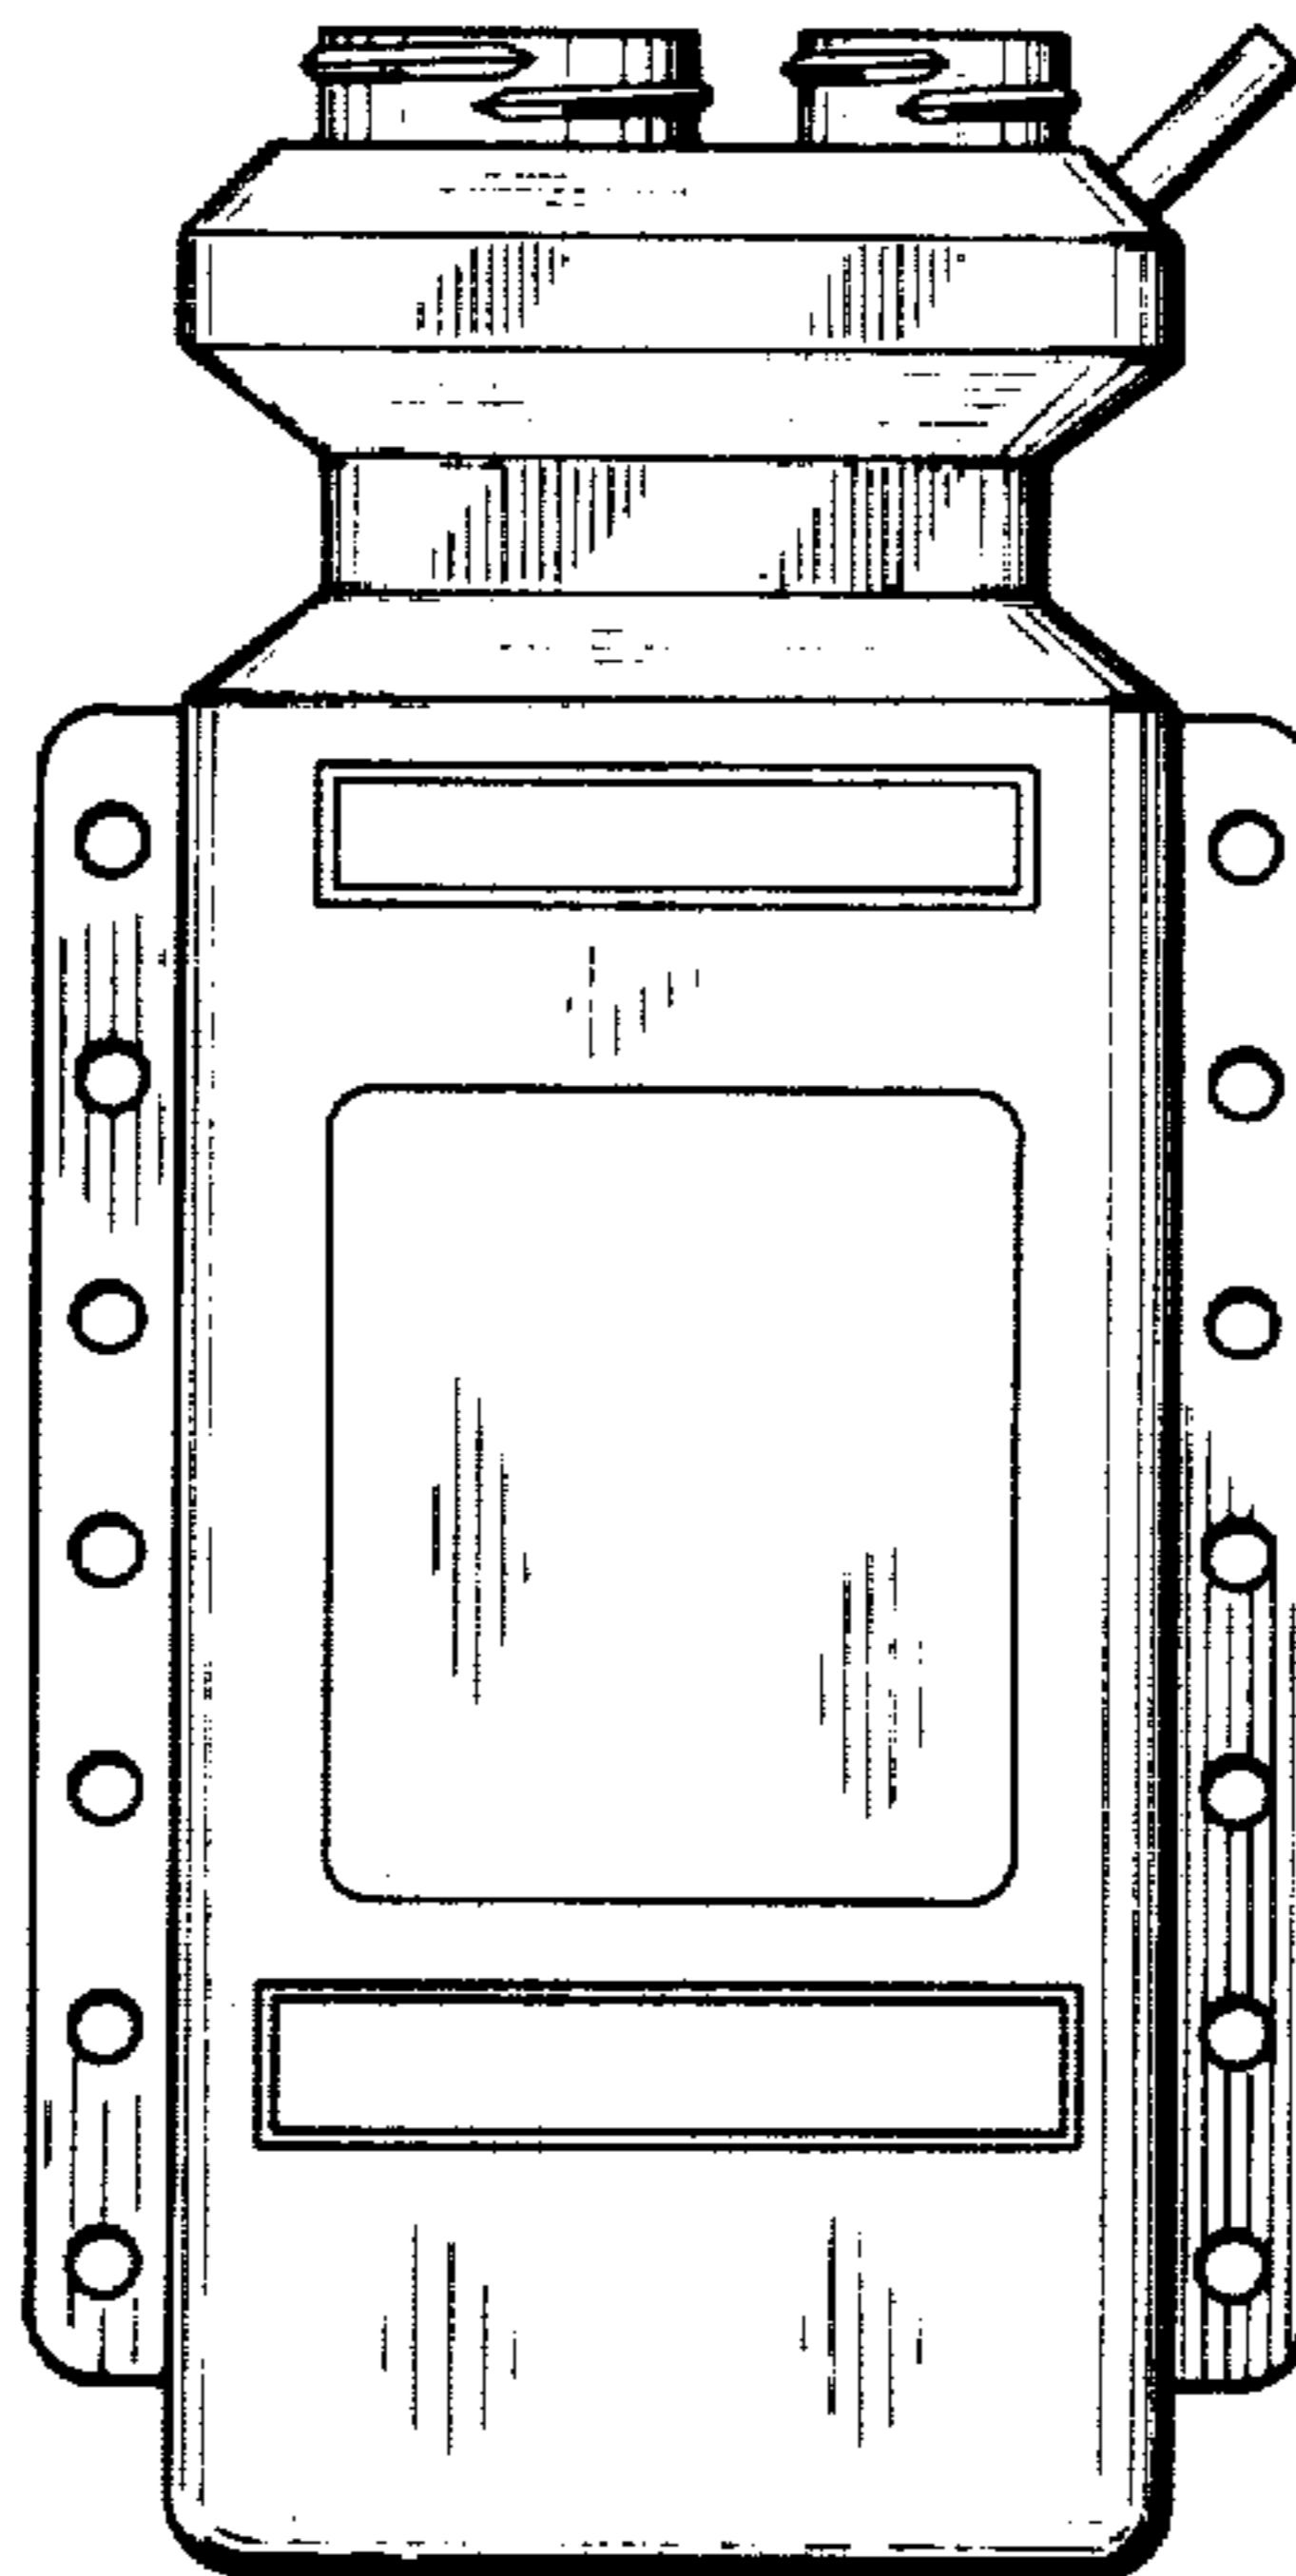

FIG. 2 is a left side elevational view thereof;

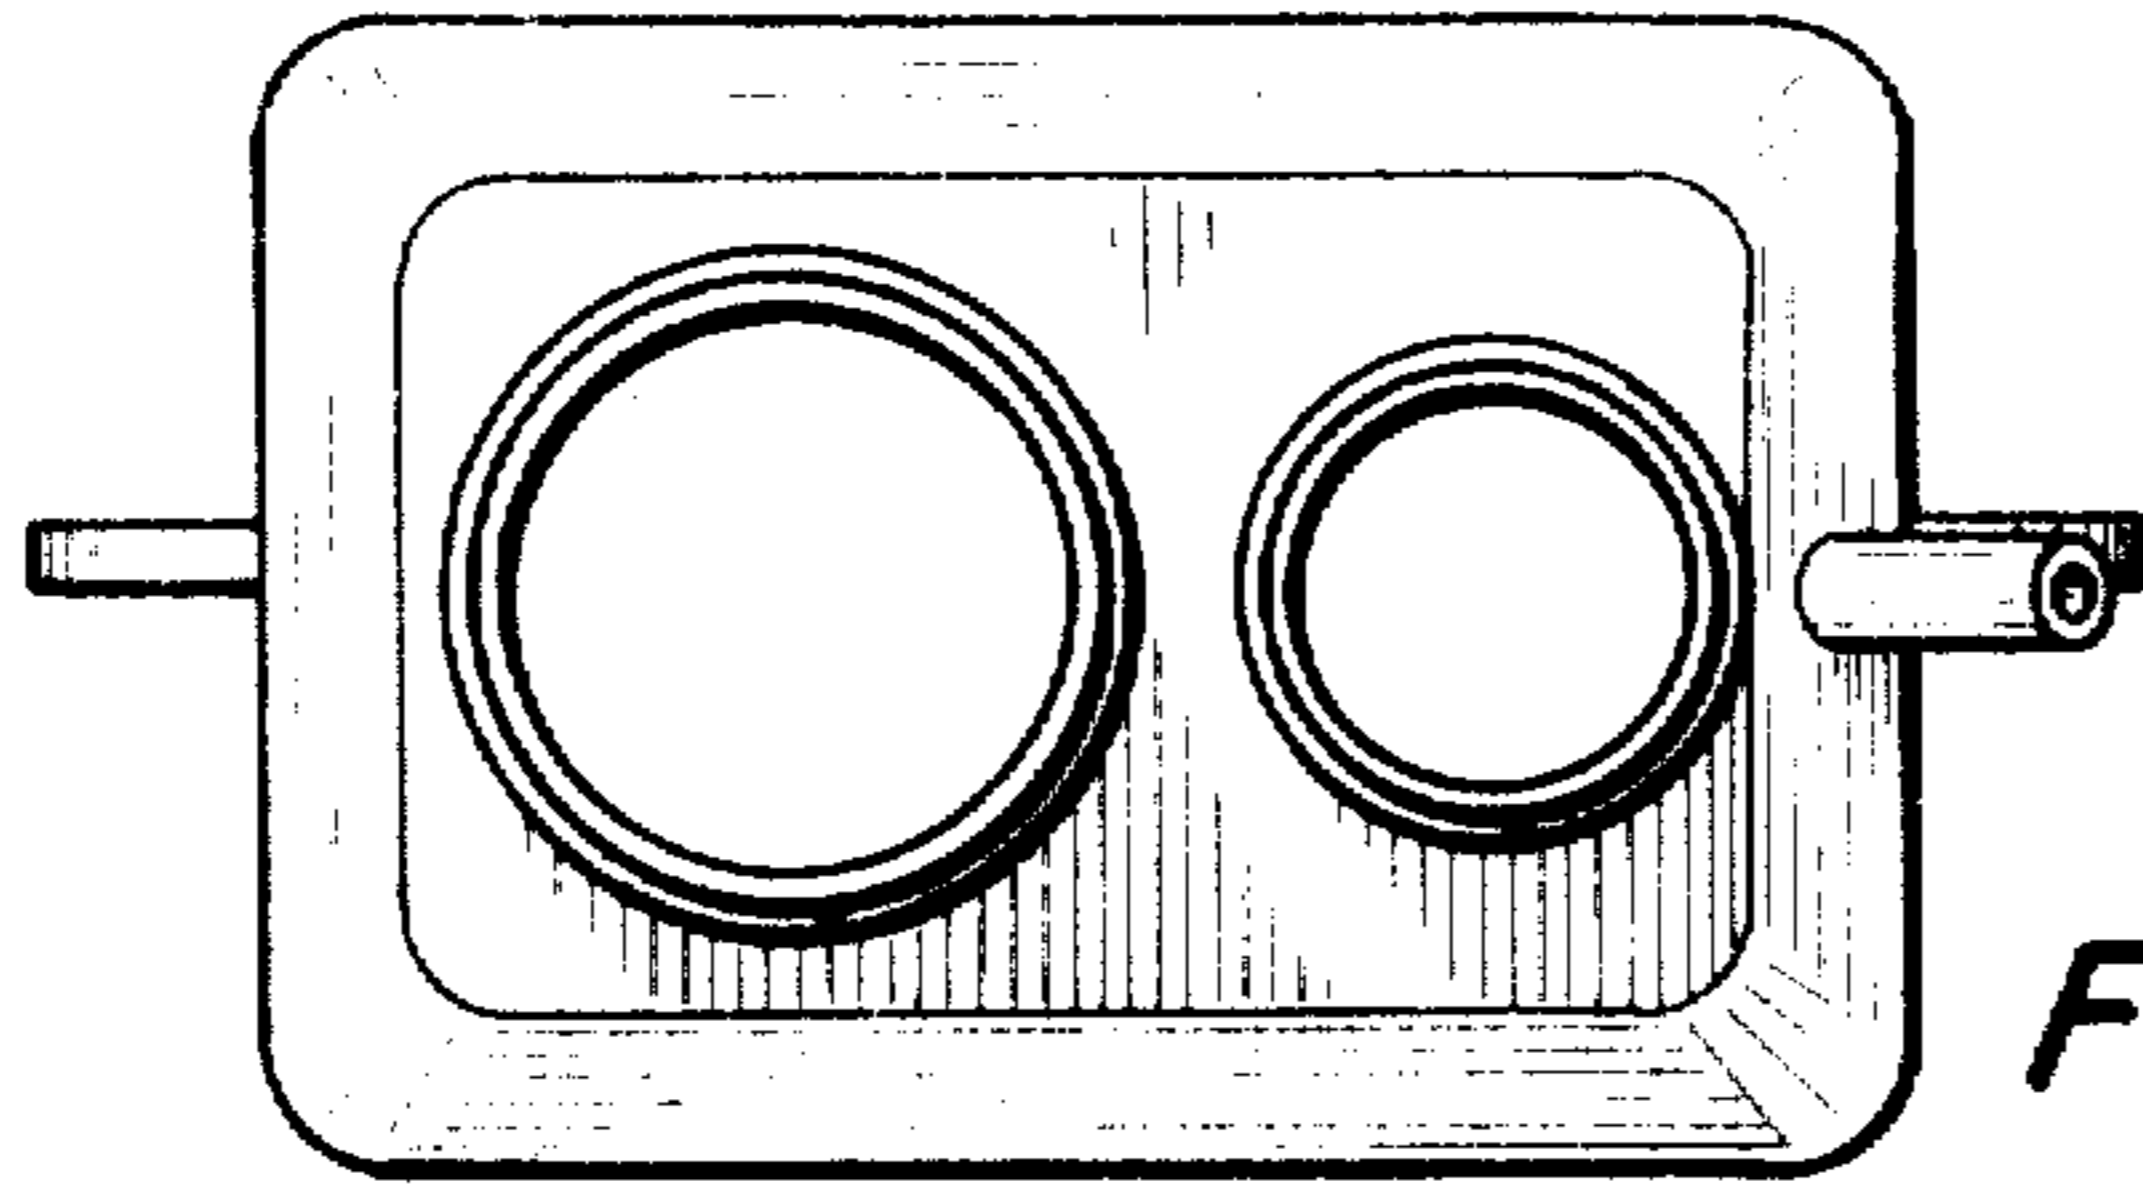

FIG. 3 is a top plan view thereof;

FIG. 4 is a rear elevational view thereof;

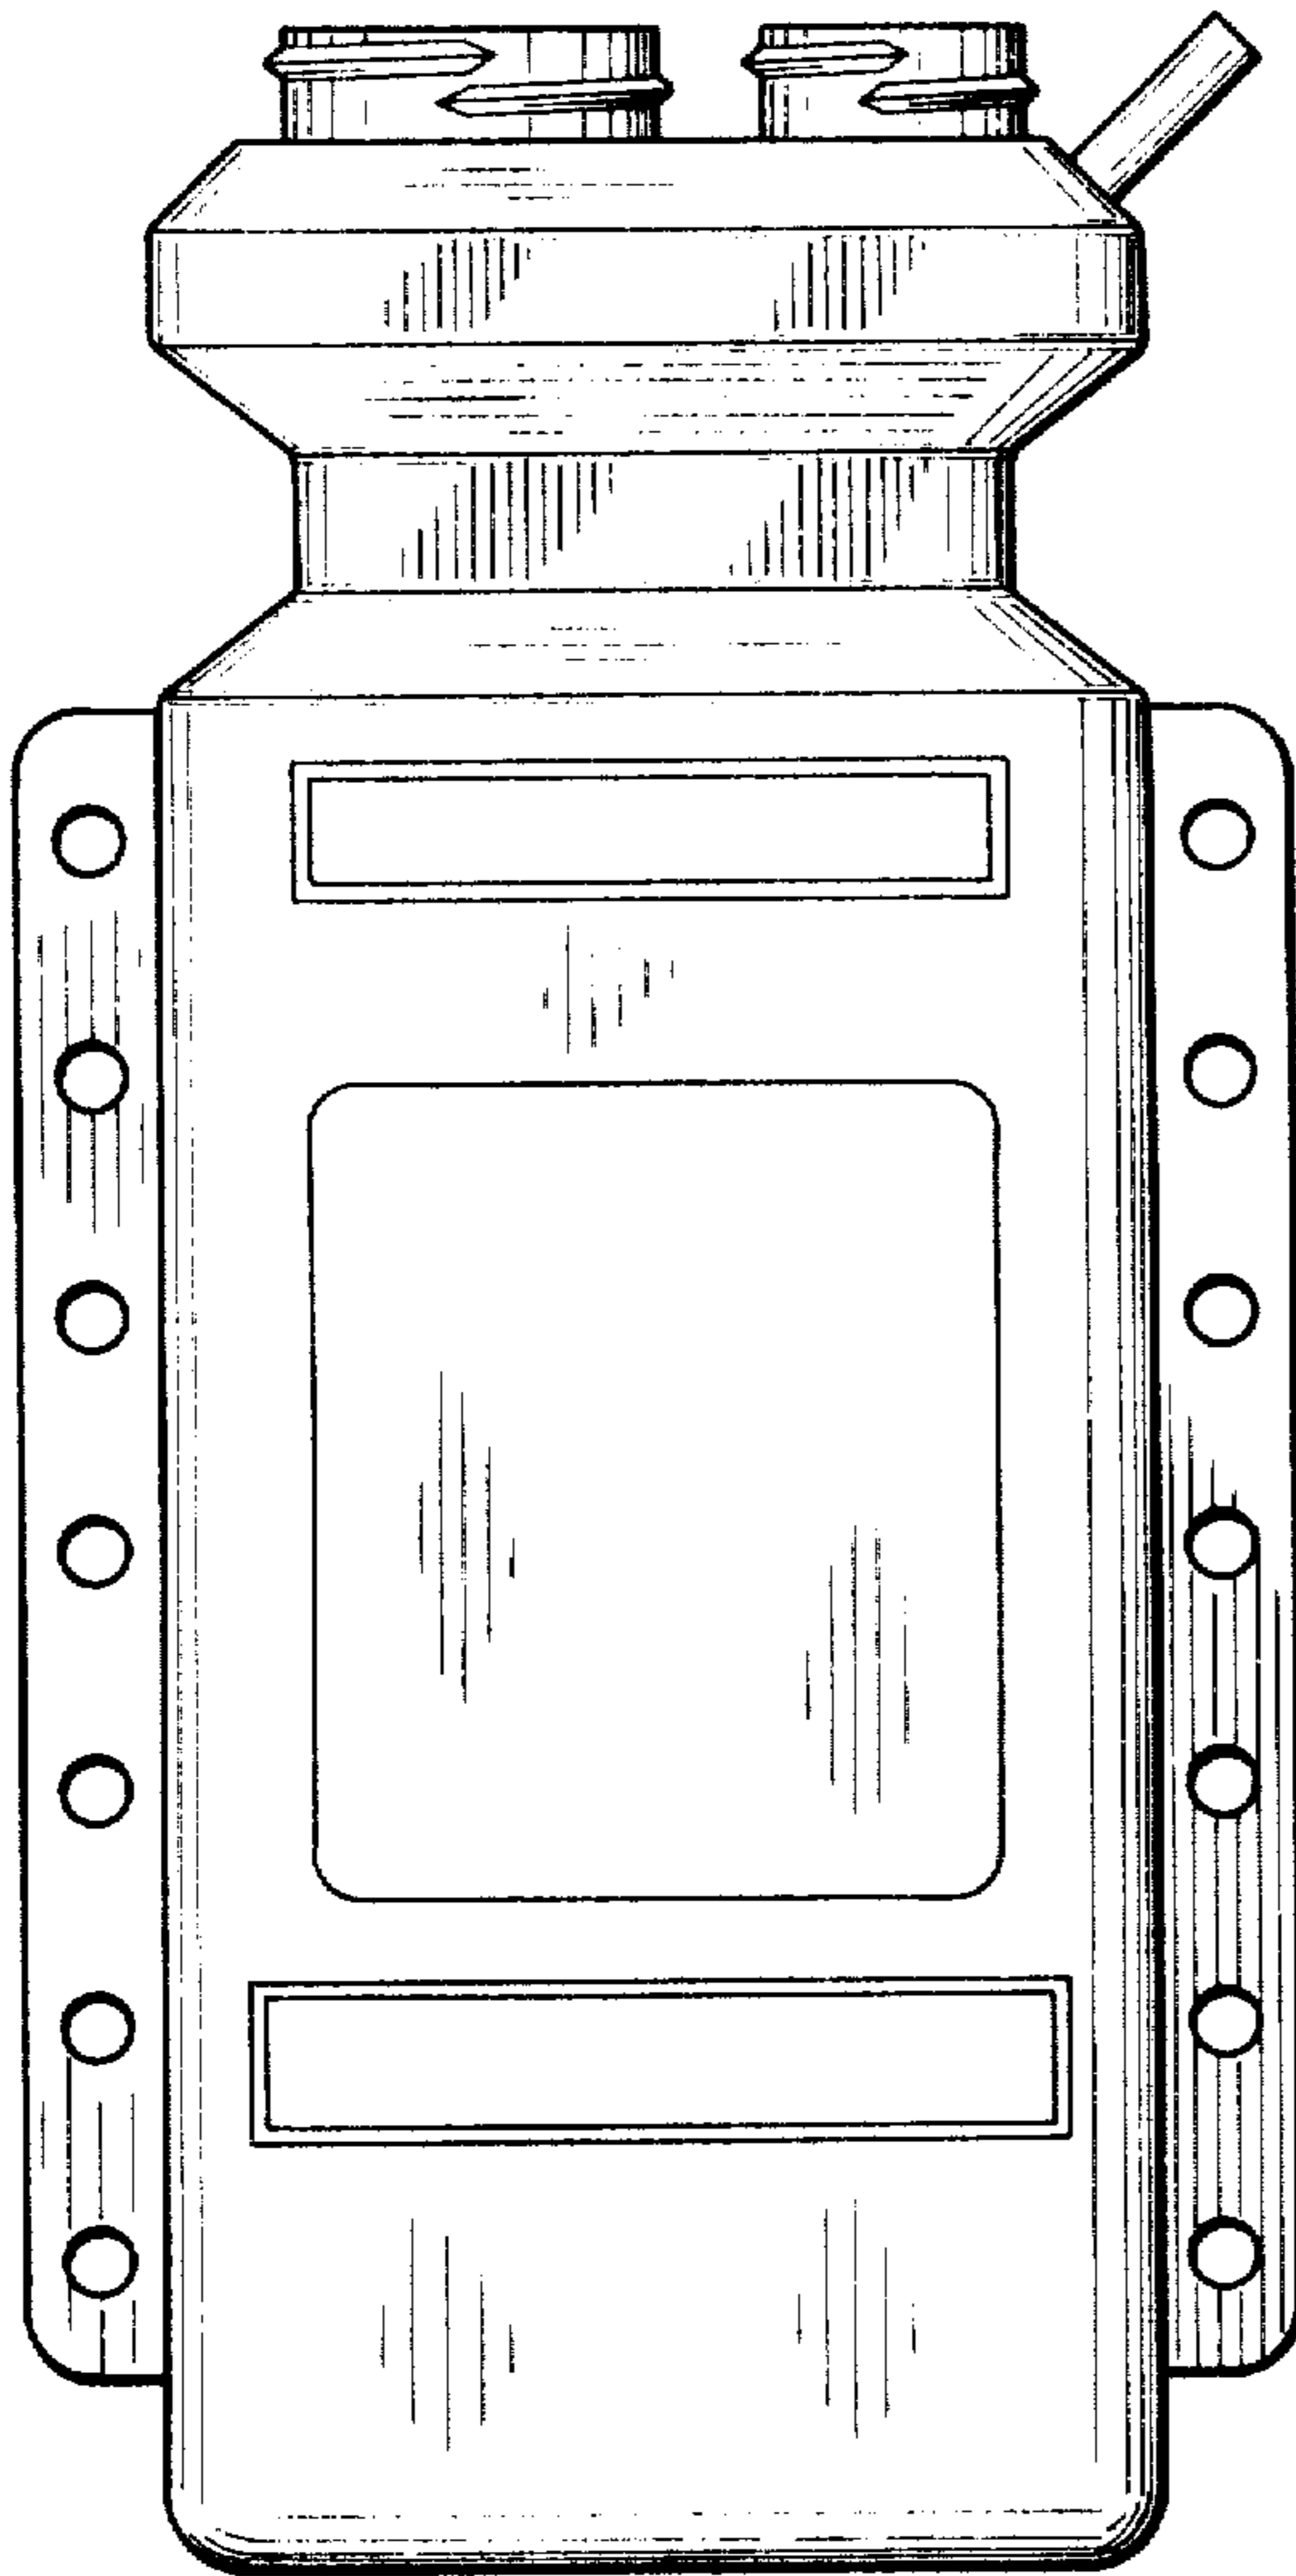

FIG. 5 is a right side elevational view thereof; and

FIG. 6 is a bottom plan view thereof.
