[57] CLAIM  
The ornamental design for a telescoping fishing pole,  
substantially as shown and described.

DESCRIPTION  
FIG. 1 is a perspective of the fishing pole of this design  
in the partially extended configuration.  
FIG. 2 is a side elevation of the fishing pole of this  
design showing the pole in the collapsed configuration.  
The reel shown in broken line in FIGS. 1 and 2 is shown  
for purposes of illustration and does not constitute a  
portion of the claimed design.
