[57] CLAIM

The ornamental design for a canister jar or the like, substantially as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of a canister jar or the like showing my new design;
FIG. 2 is a top plan view thereof;
FIG. 3 is a cross-sectional view thereof taken along line 3—3 of FIG. 1; and
FIGS. 4—18 are elevational views of modifications of my new design as shown in various sizes and proportions thereof.
The design is characterized by a transparent body with an opaque upper portion, comprising a shoulder, neck and rim, of contrasting material.
