[57] CLAIM

The ornamental design for a fuel dispenser, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a fuel dispenser showing our new design wherein the rear view is a mirror image thereto;

FIG. 2 is a top plan view thereof, portions of the hose being shown in broken lines for ease of illustration;

FIG. 3 is a right side elevational view thereof;

FIG. 4 is a front elevational view of another embodiment of our new design of FIGS. 1-3, the rear being substantially identical thereto;

FIG. 5 is a top plan view thereof, portions of the hose being shown in broken lines for ease of illustration;

FIG. 6 is a left side elevational view of FIGS. 1 and 4.
