[57] CLAIM

The ornamental design for a voltage regulator housing for end mounting on a generator, as shown and described.

DESCRIPTION

FIG. 1 is a perspective of a voltage regulator housing for end-mounting on a generator showing my new design, the broken line disclosure of a generator is for illustrative purposes only and forms no part of the claimed design;

FIG. 2 is a top plan view thereof;

FIG. 3 is a bottom plan view thereof;

FIG. 4 is a side elevational view thereof;

FIG. 5 is a top plan view of a second embodiment of the voltage regulator for end-mount housing, it being understood that the undisclosed portions are similar in appearance to FIGS. 1, 3 and 4.
