[57] CLAIM

The ornamental design for a furniture top, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a furniture top embodying my design, the top being broken away to indicate indeterminate length and width.

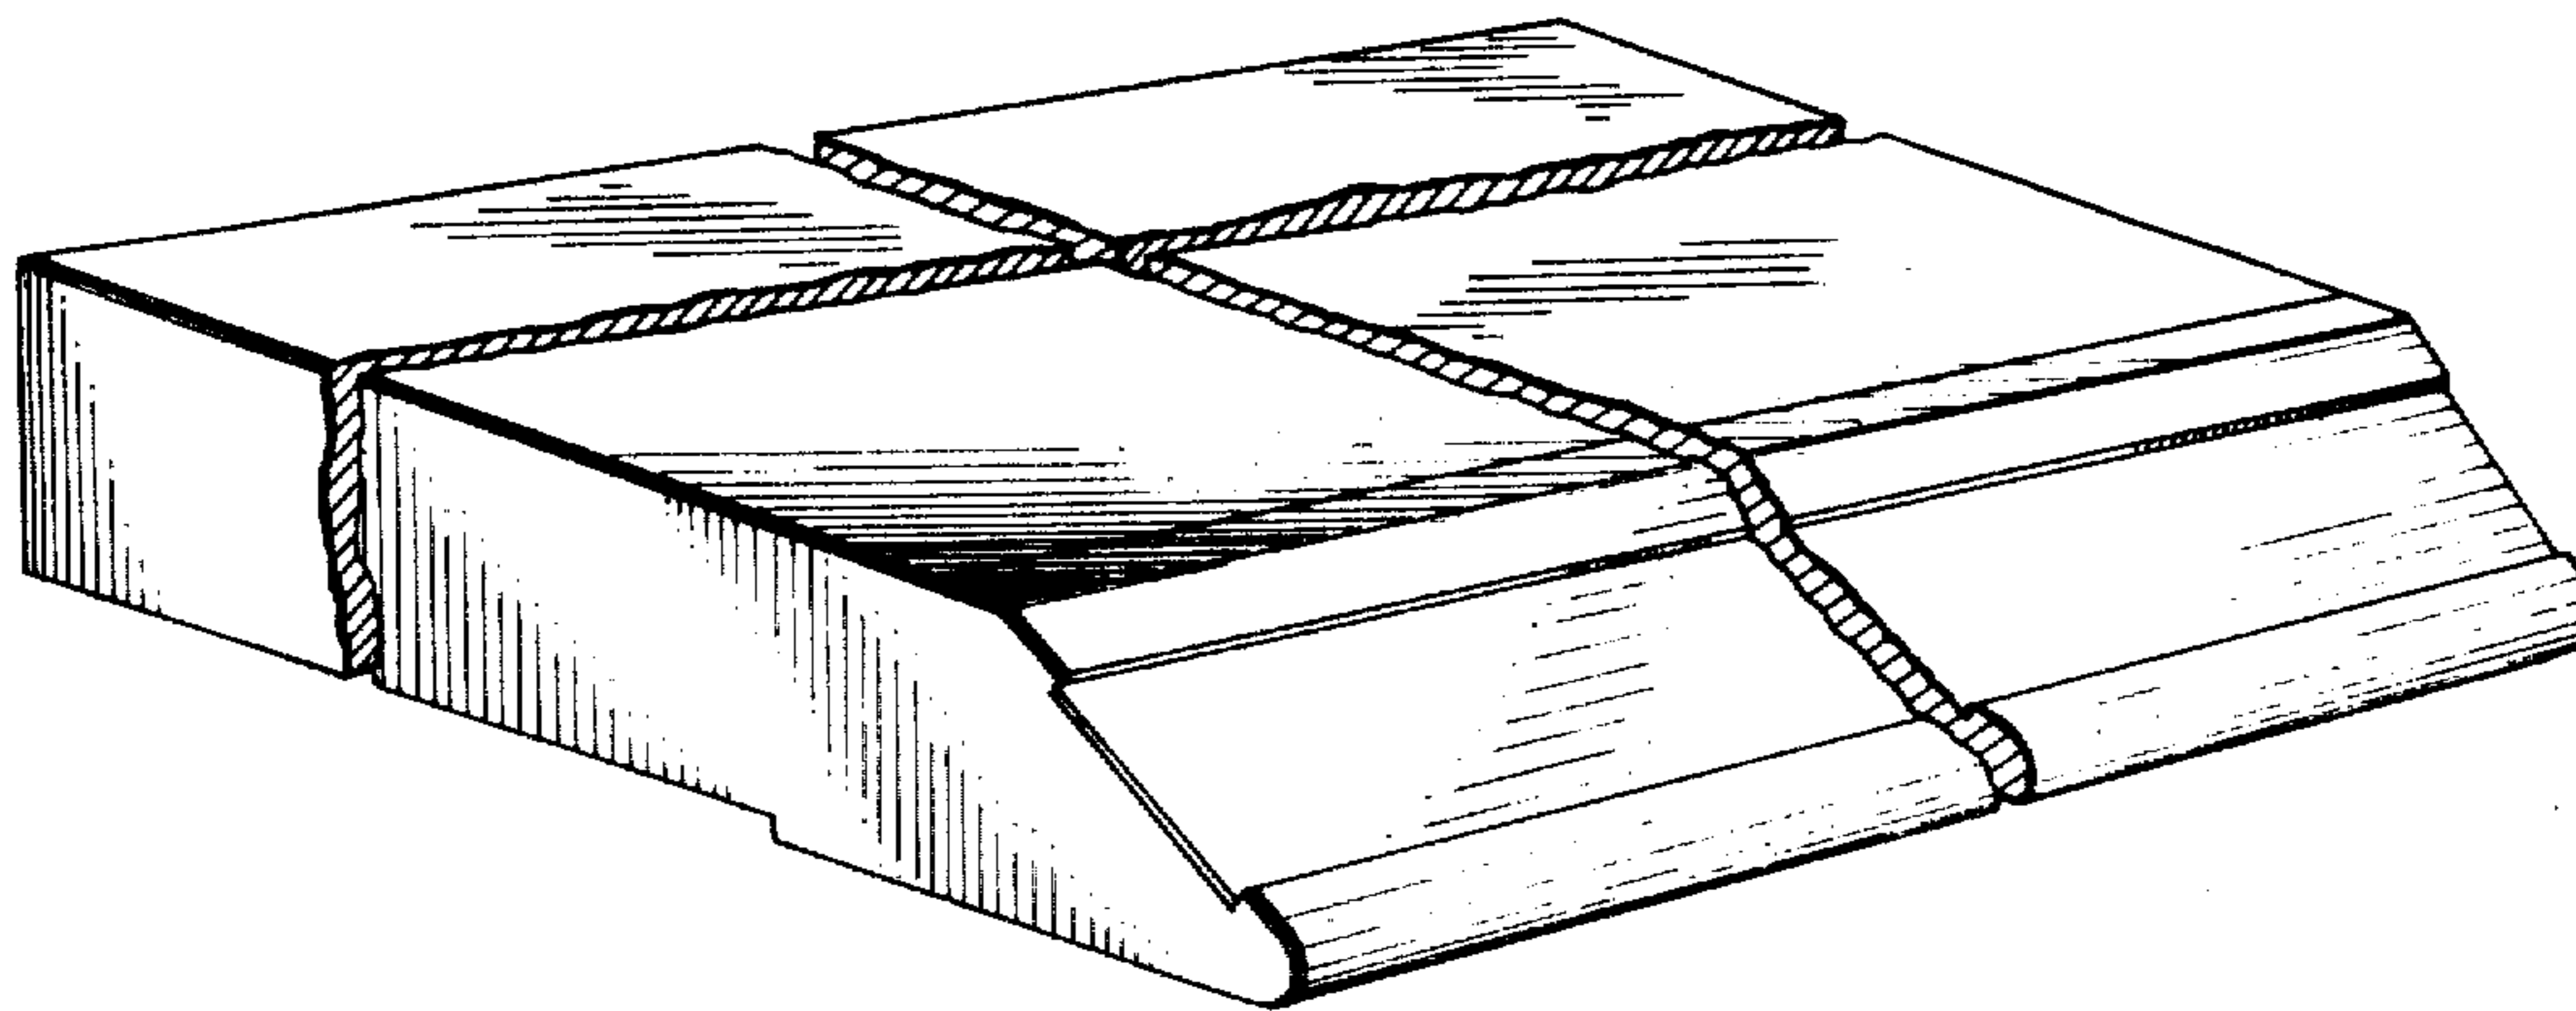

FIG. 2 is a fragmentary front elevational view of the furniture top.

FIG. 3 is a fragmentary end elevational view of the furniture top, the opposite end being a mirror image.

FIG. 4 is a fragmentary top plan view of the furniture top.

FIG. 5 is a fragmentary bottom plan view of the furniture top.

FIG. 6 is a fragmentary rear view of the furniture top. The characterizing feature of the design in the configuration of the front edge of the furniture top as best seen in FIGS. 1 and 3.
