[57] CLAIM

The ornamental design for a service stand for an automotive service station, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the service stand for an automotive service station showing my new design; FIG. 2 is a front elevational view thereof; FIG. 3 is a side elevational view taken from the right of FIG. 1; FIG. 4 is a rear elevational view thereof; FIG. 5 is a side elevational view taken from the left of FIG. 1; FIG. 6 is a top plan view thereof. The bottom is flat and unadorned.
