[57] CLAIM

The ornamental design for a hand grip for torque applying tools, as shown and described.

DESCRIPTION

FIG. 1 is an elevational view showing one side of a hand grip for torque applying tools made pursuant to my present design;

FIG. 2 is a view showing one end thereof;

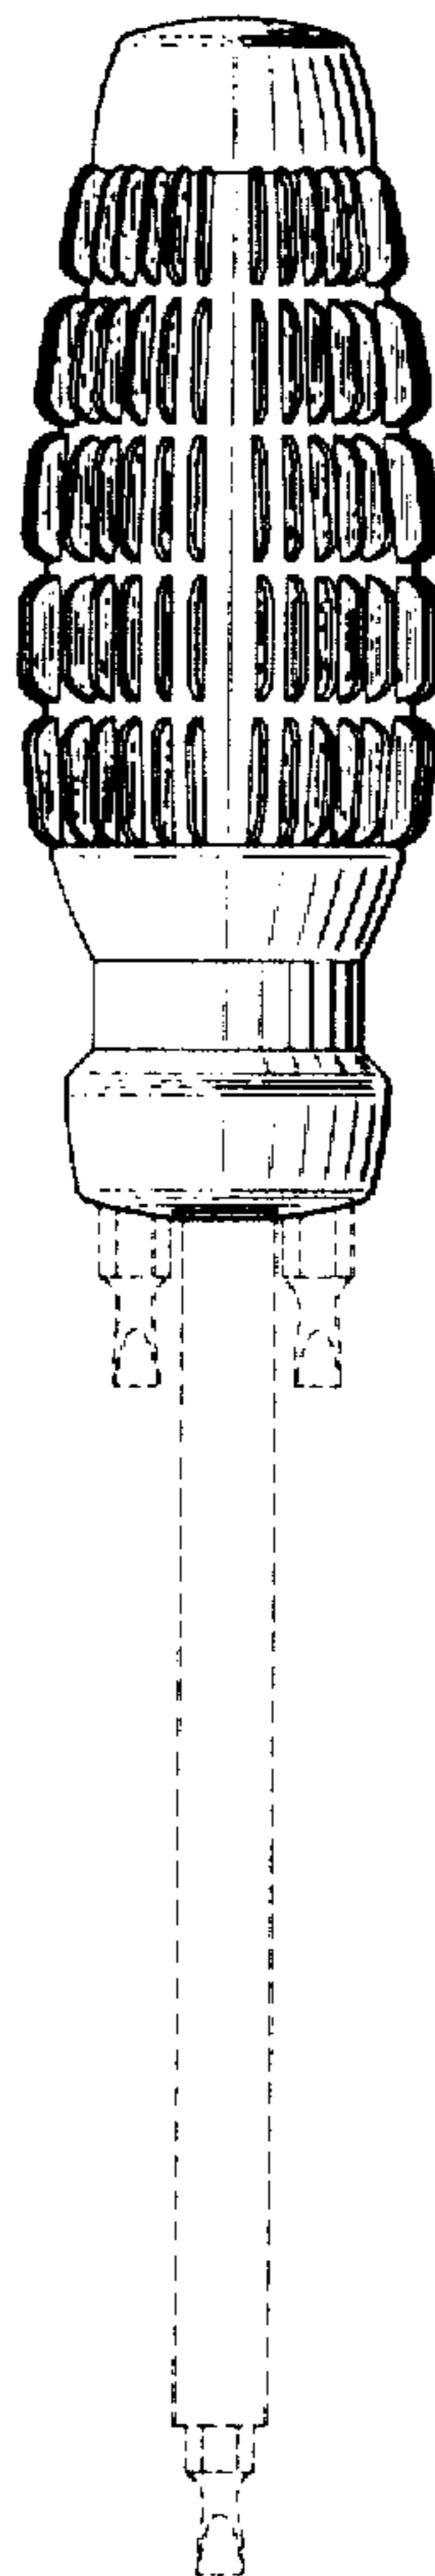

FIG. 3 is a view similar to FIG. 1 but at right angles thereto;

FIG. 4 is a view showing the opposite end thereof; and
FIG. 5 is a view similar to FIG. 1 showing the opposite side thereof.

The dotted lines in the drawing are disclosed for illustrative purposes only and form no part of the claimed design.
