[57] **CLAIM**

The ornamental design for an indicator and dial face for marine knotmeter, log and depth sounder, as shown and described.

**DESCRIPTION**

FIG. 1 is a front elevational view of an indicator and dial face for marine knotmeter, log and depth sounder showing my new design;  
 FIG. 2 is a rear elevational view thereof;  
 FIG. 3 is a side elevational view thereof.  
 The broken line showings of FIG. 1 are environmental only and form no part of the claimed design.
