[57] CLAIM

The ornamental design for a backstop for a baseball or  
softball glove, substantially as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a backstop for a  
baseball or softball glove showing my new design; the  
showing of a glove in broken lines is for illustrative  
purposes only; and

FIG. 2 is a rear elevational view thereof; the showing of  
a glove in broken lines is for illustrative purposes only.  
The backstop is of conventional thickness.

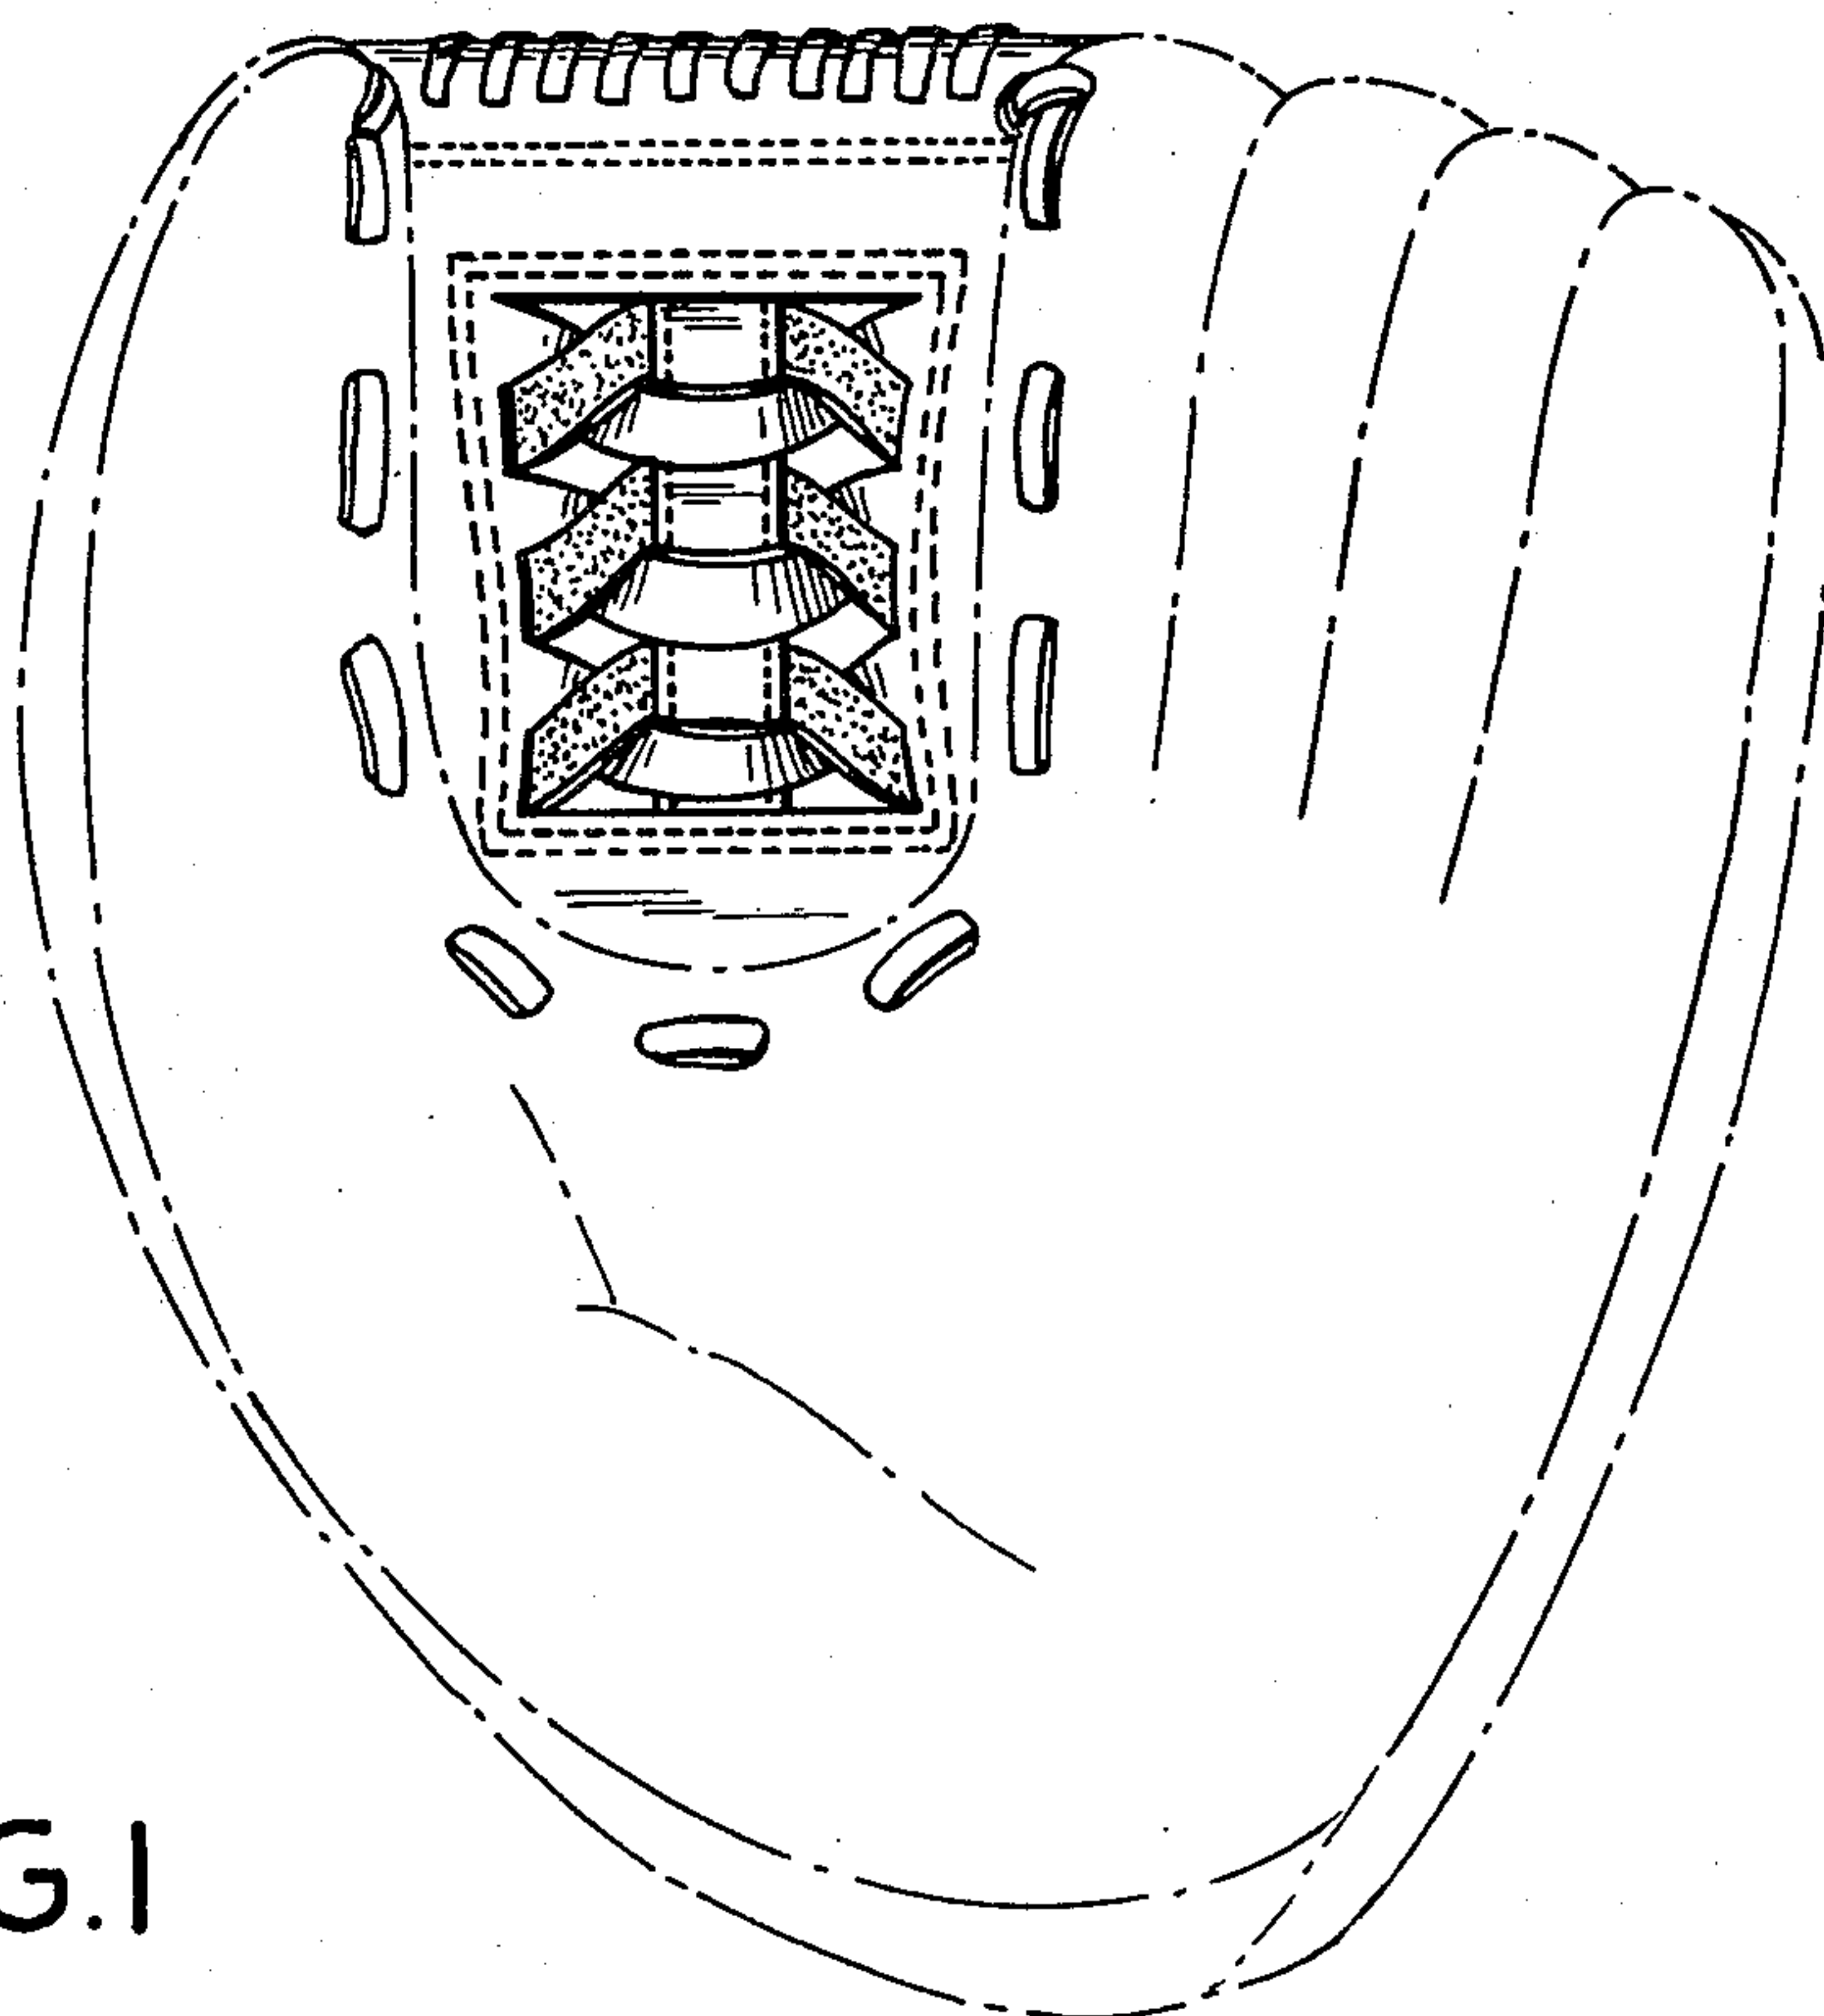

FIG. 1

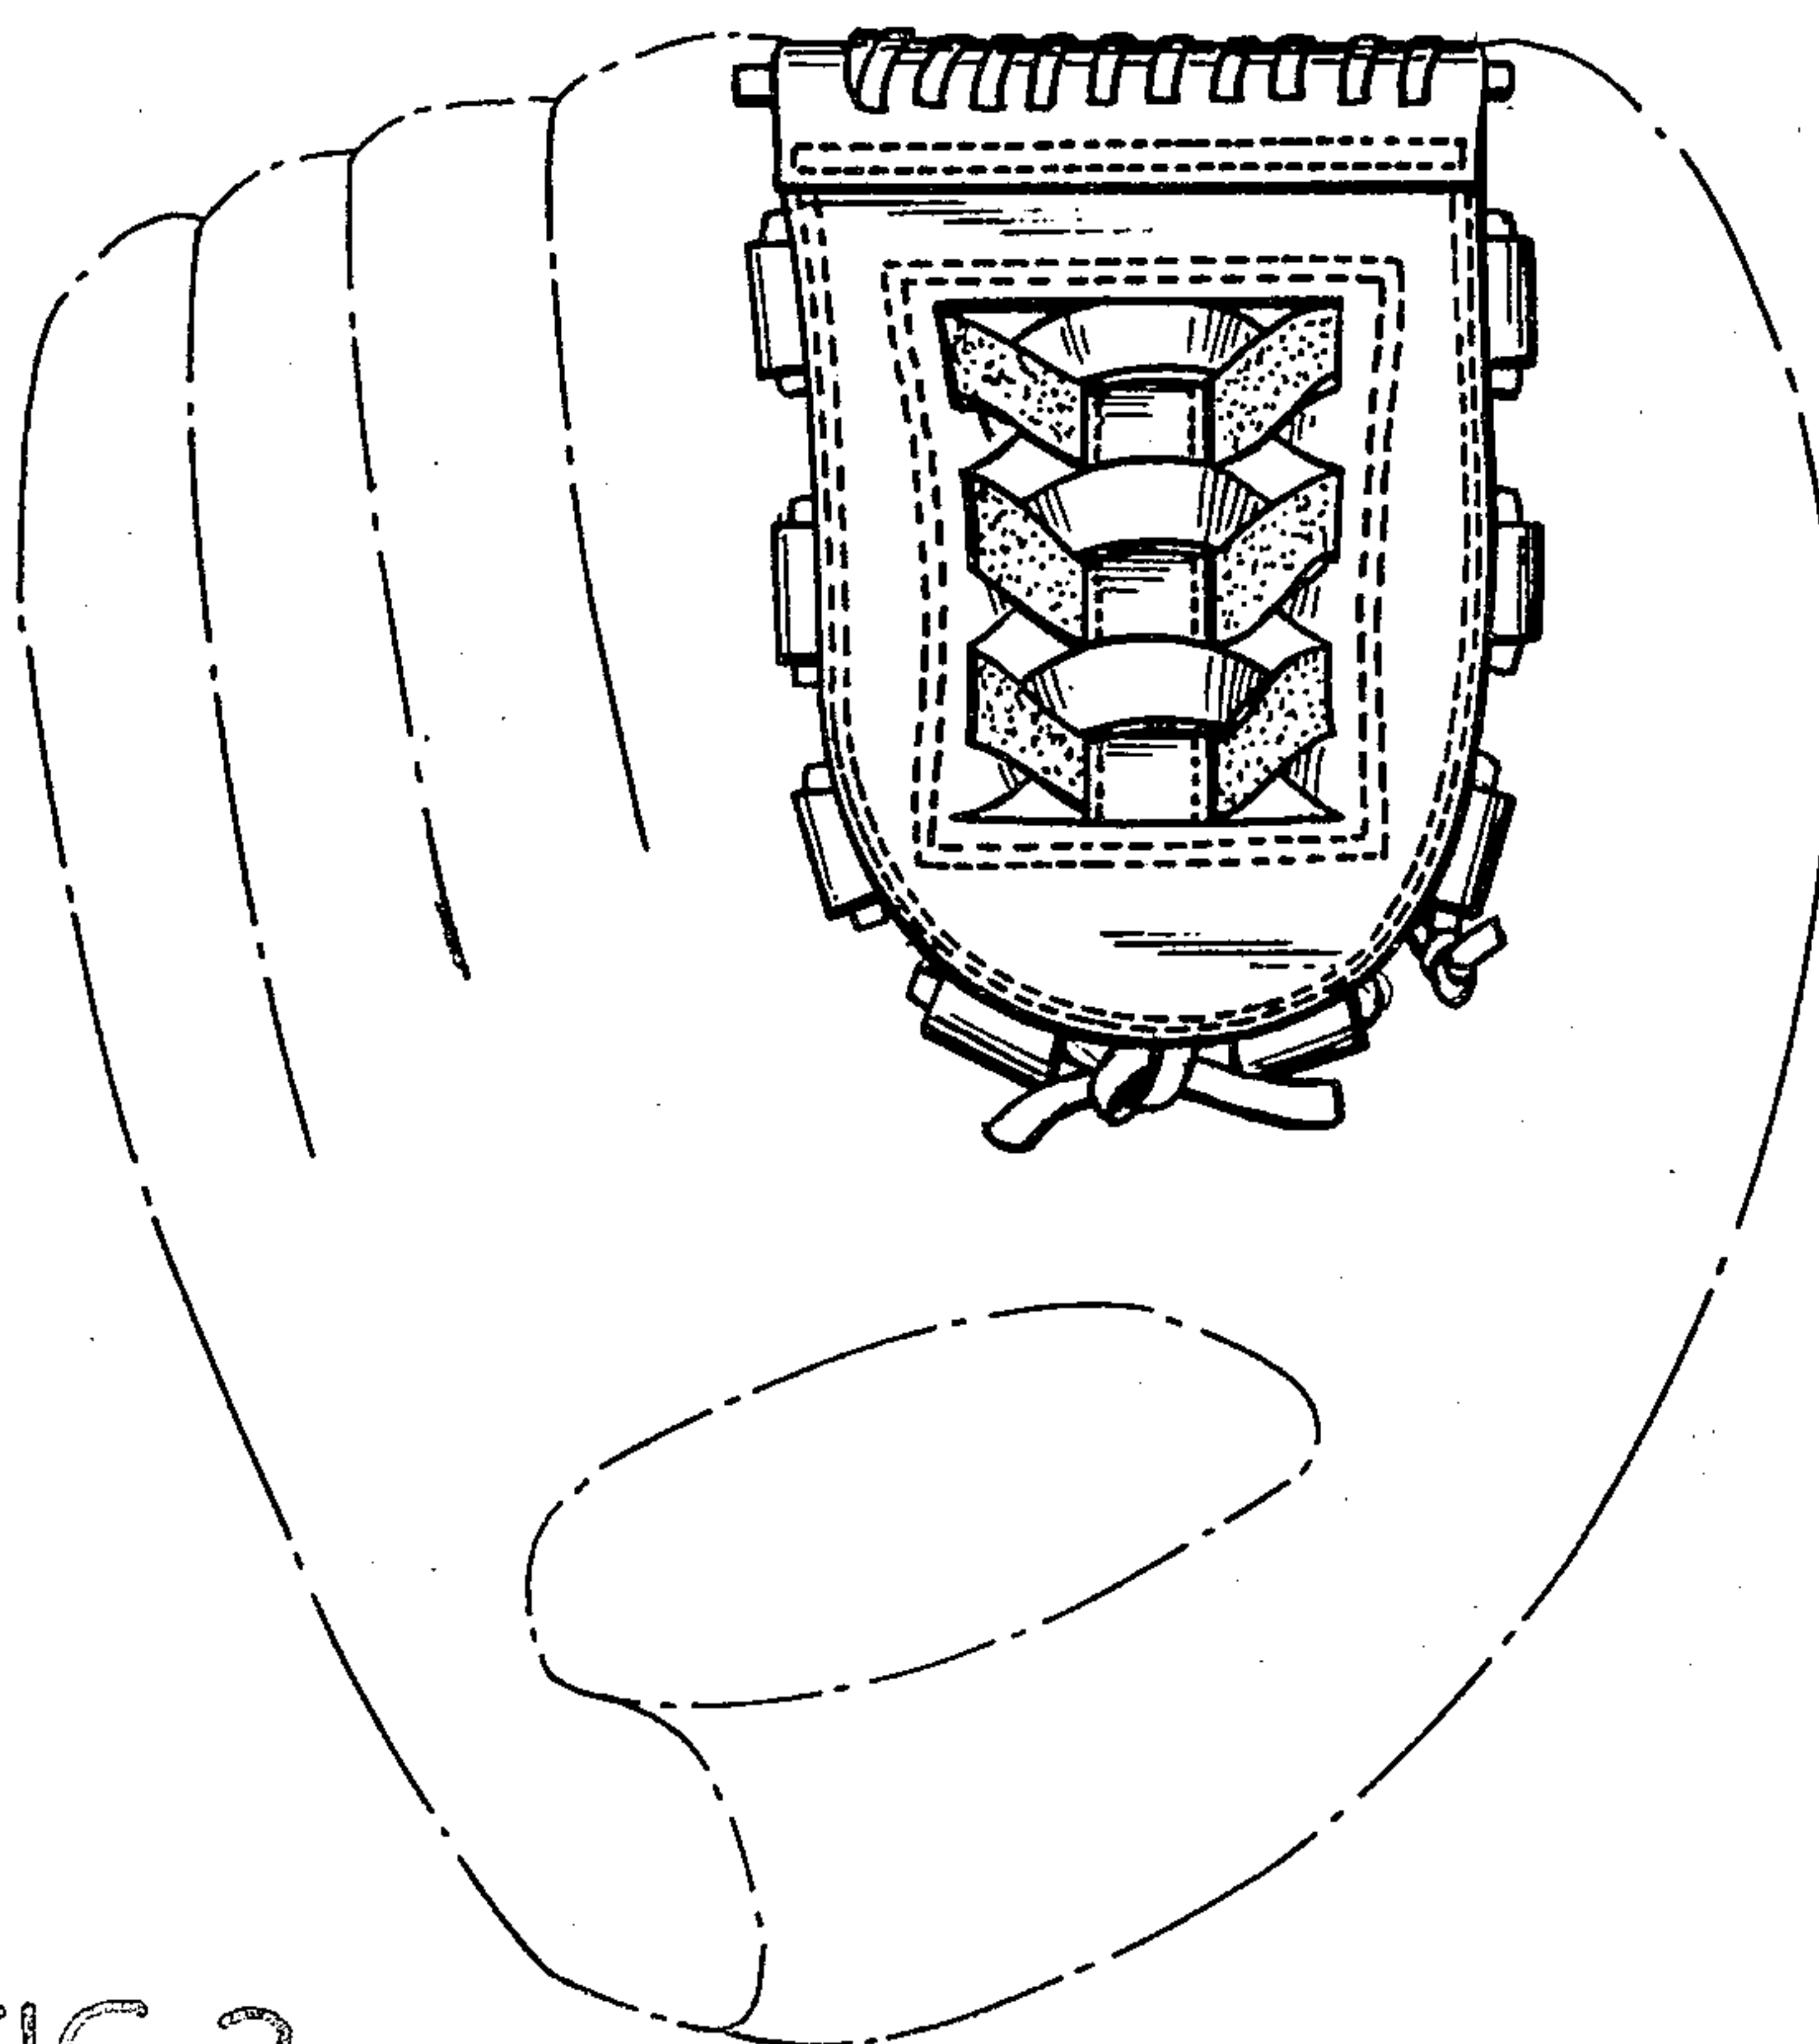

FIG. 2
