[57] CLAIM

The ornamental design for a hammer, as shown and  
described.

## DESCRIPTION

FIG. 1 is a front elevational view of a hammer showing  
our new design, the rear elevational view being a mirror  
image;

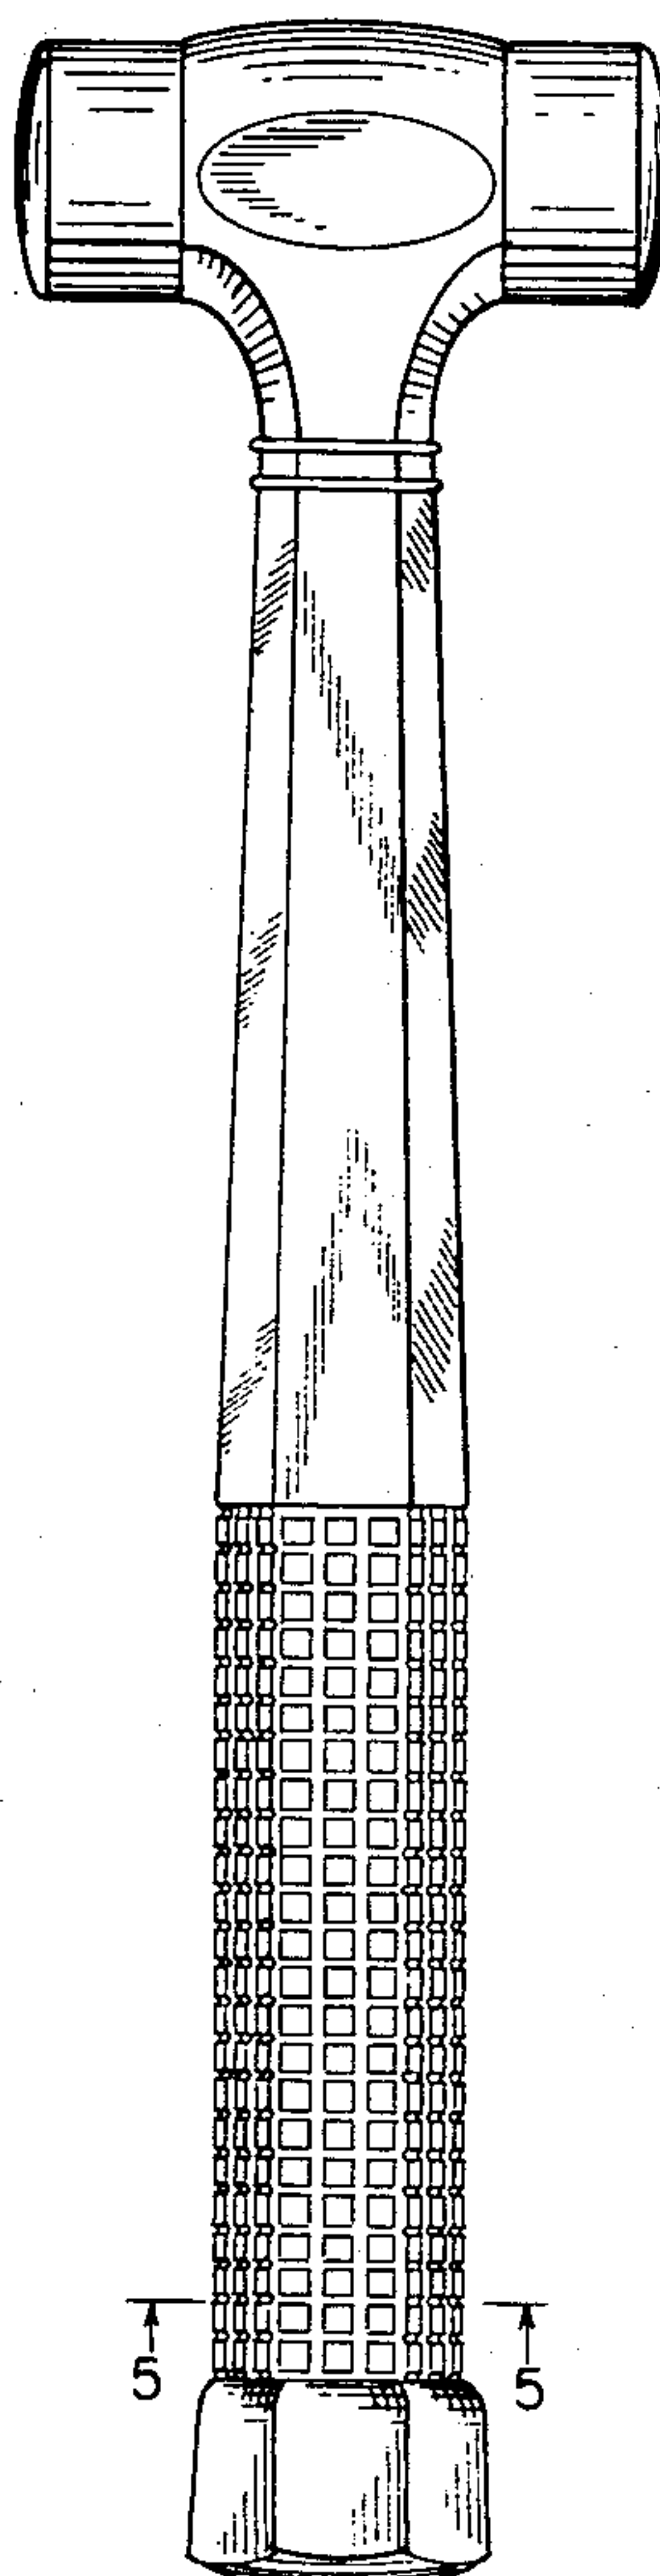

FIG. 2 is a side elevational view thereof, the opposite  
side elevational view being a mirror image;

FIG. 3 is a top view thereof;

FIG. 4 is a bottom view thereof; and

FIG. 5 is an enlarged sectional view on line 5—5 of  
FIG. 2, the view showing details of the ornamentation  
of the handle portion.

The characteristic feature of our design is the particular  
configuration of the handle portion thereof as shown.
