[57] CLAIM

The ornamental design for a clot detection apparatus, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of the clot detection apparatus holder embodying my new design; FIG. 2 is an elevational view of one side of the clot detection apparatus; and FIG. 3 is a perspective view of the clot detection apparatus thereof.

The undisclosed rear portions of the clot detection apparatus are plane and unornamented.

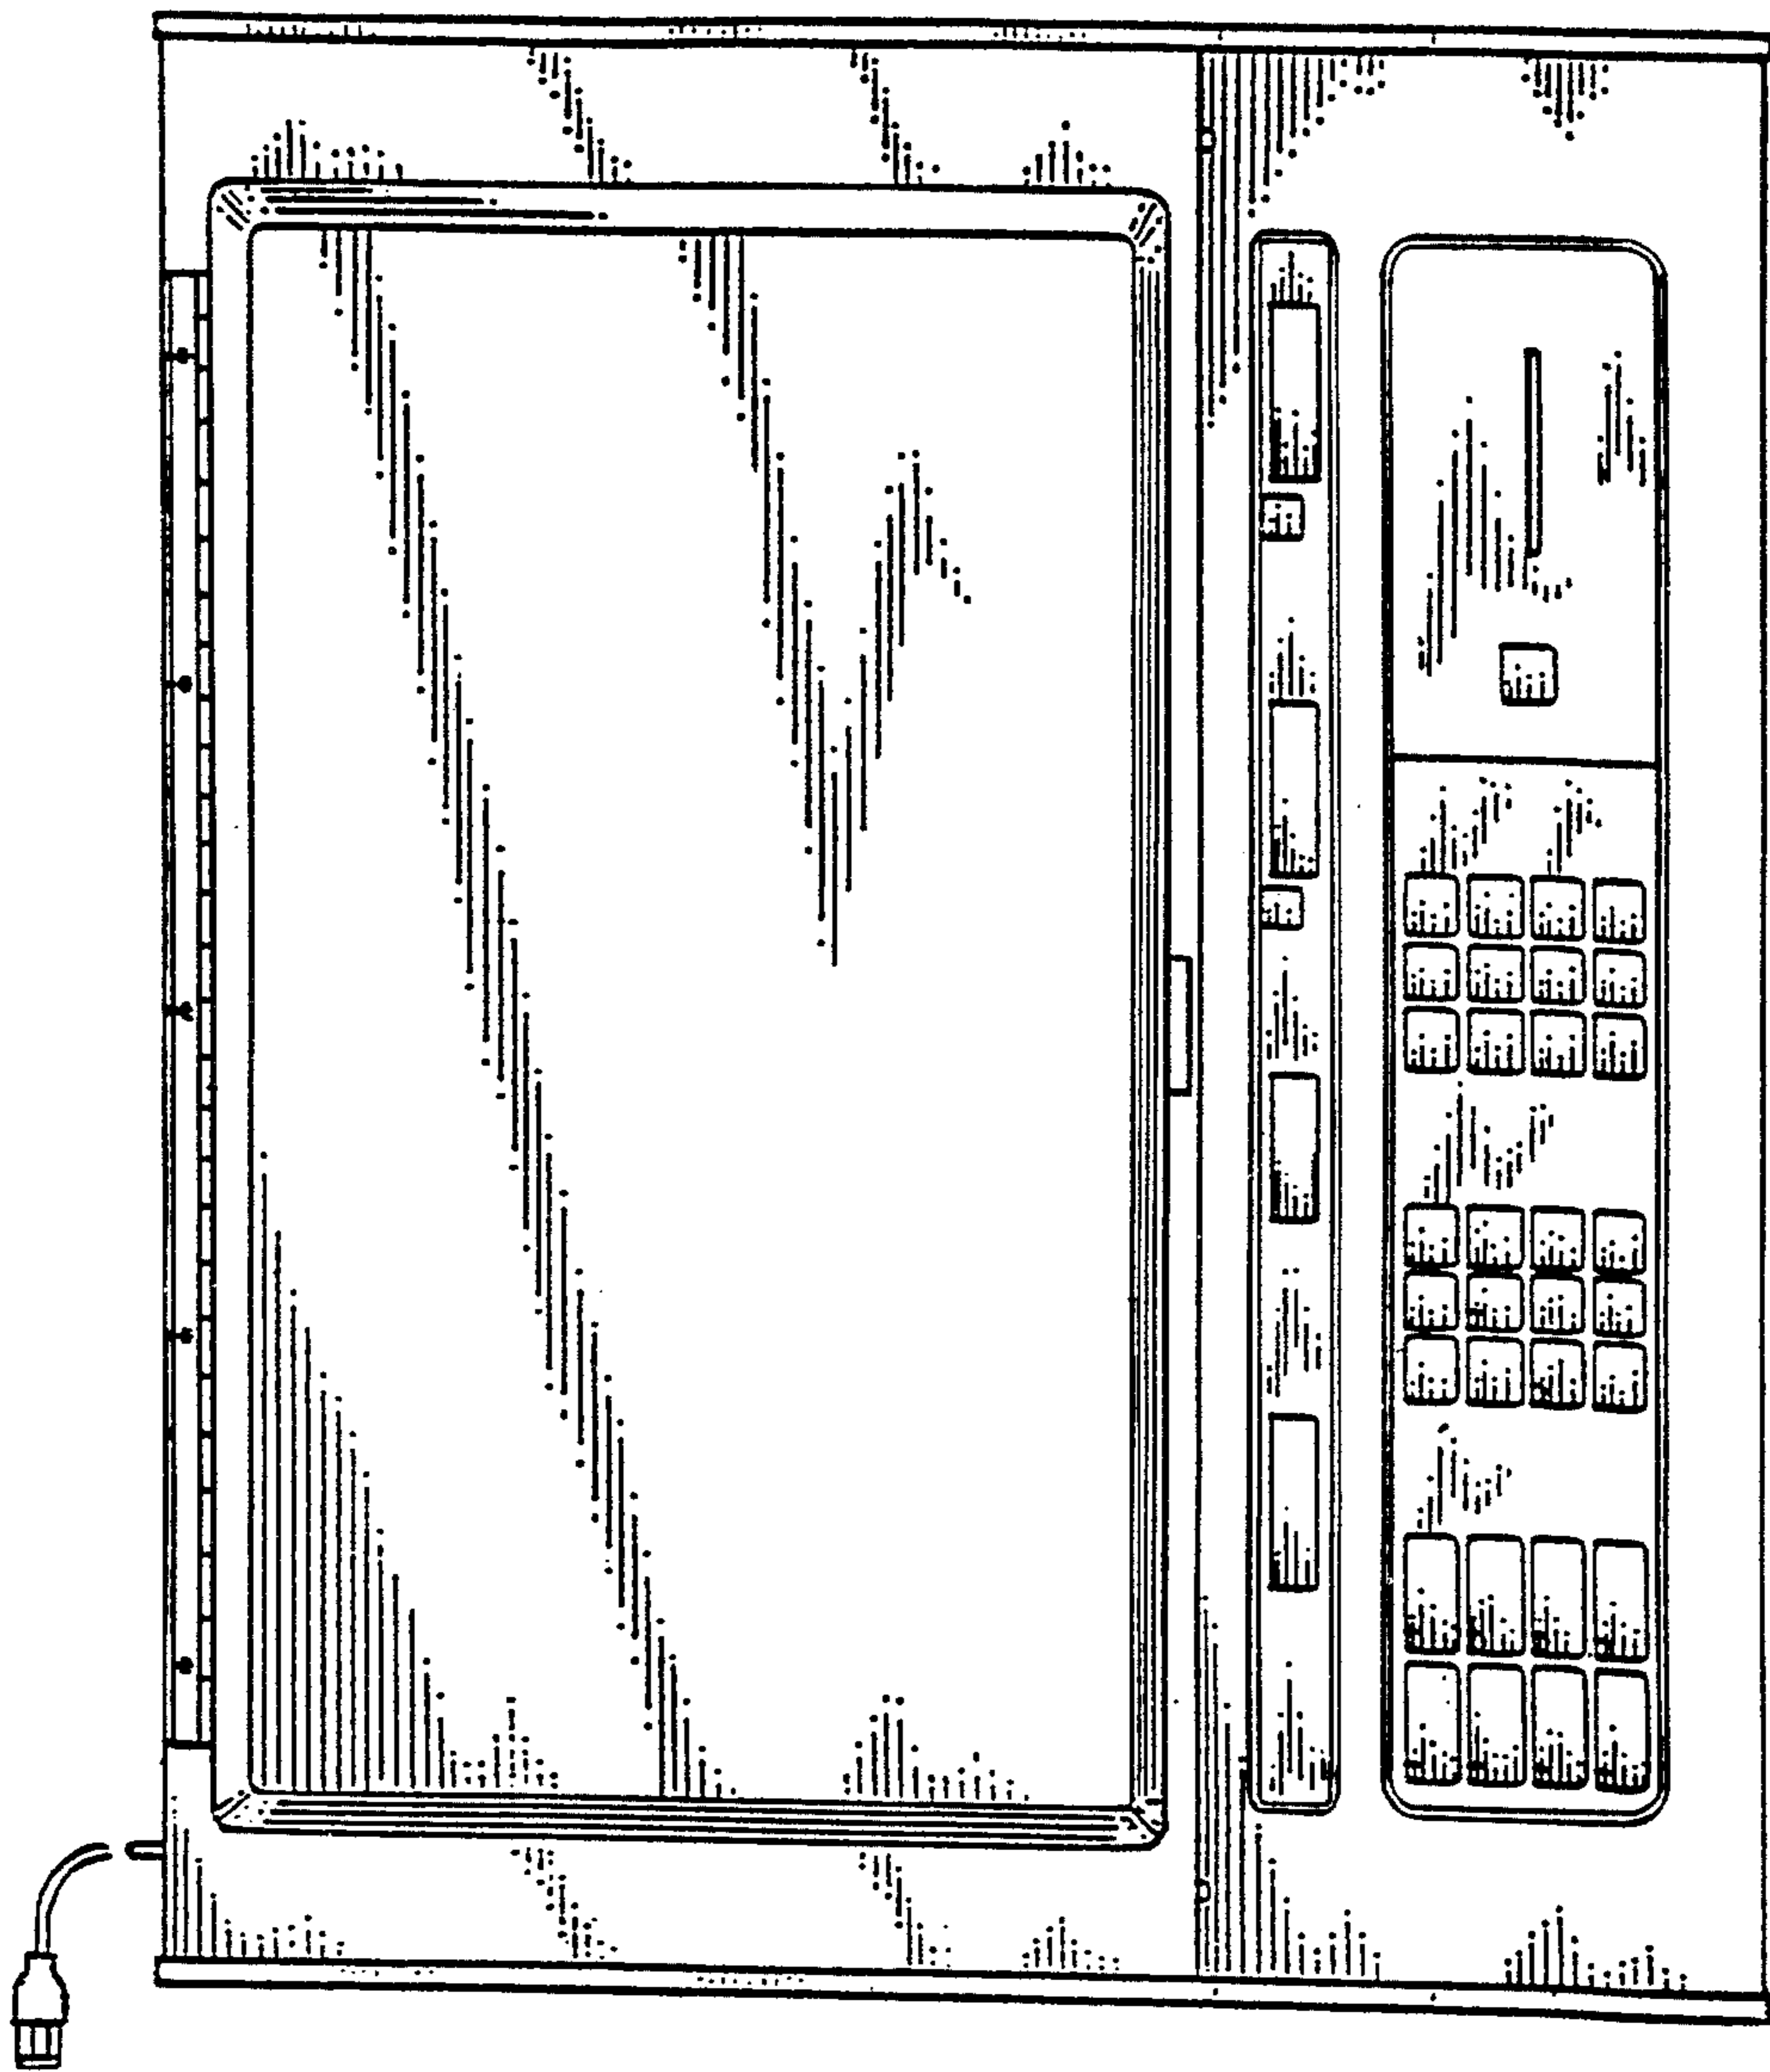

FIG. 1

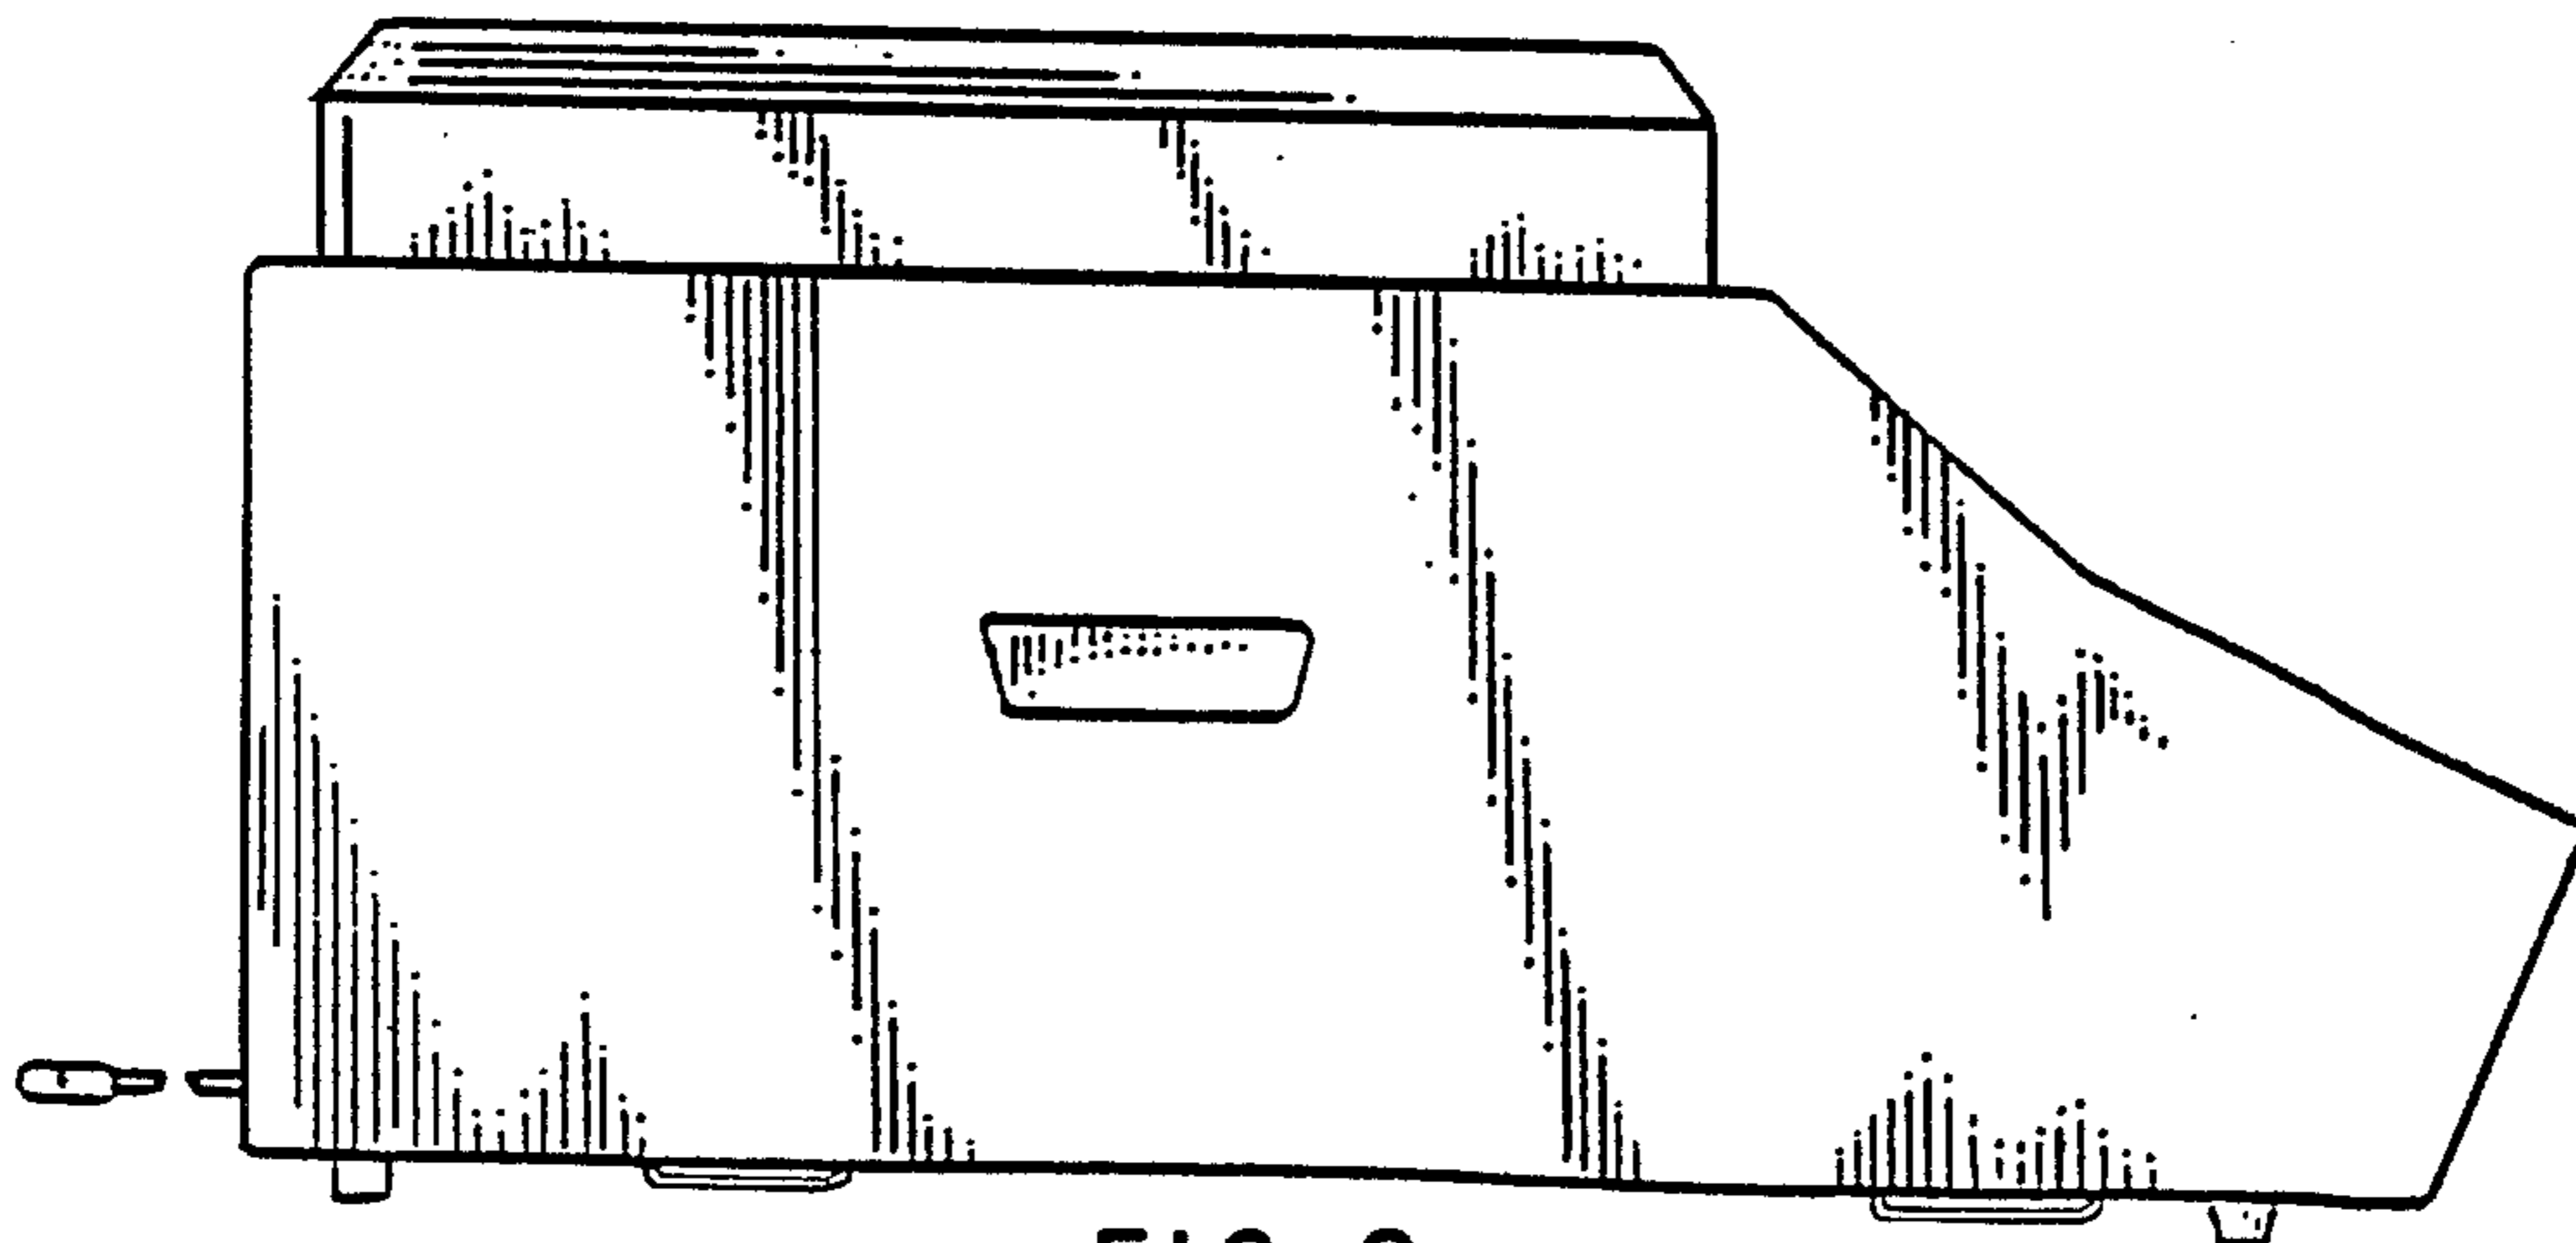

FIG. 2

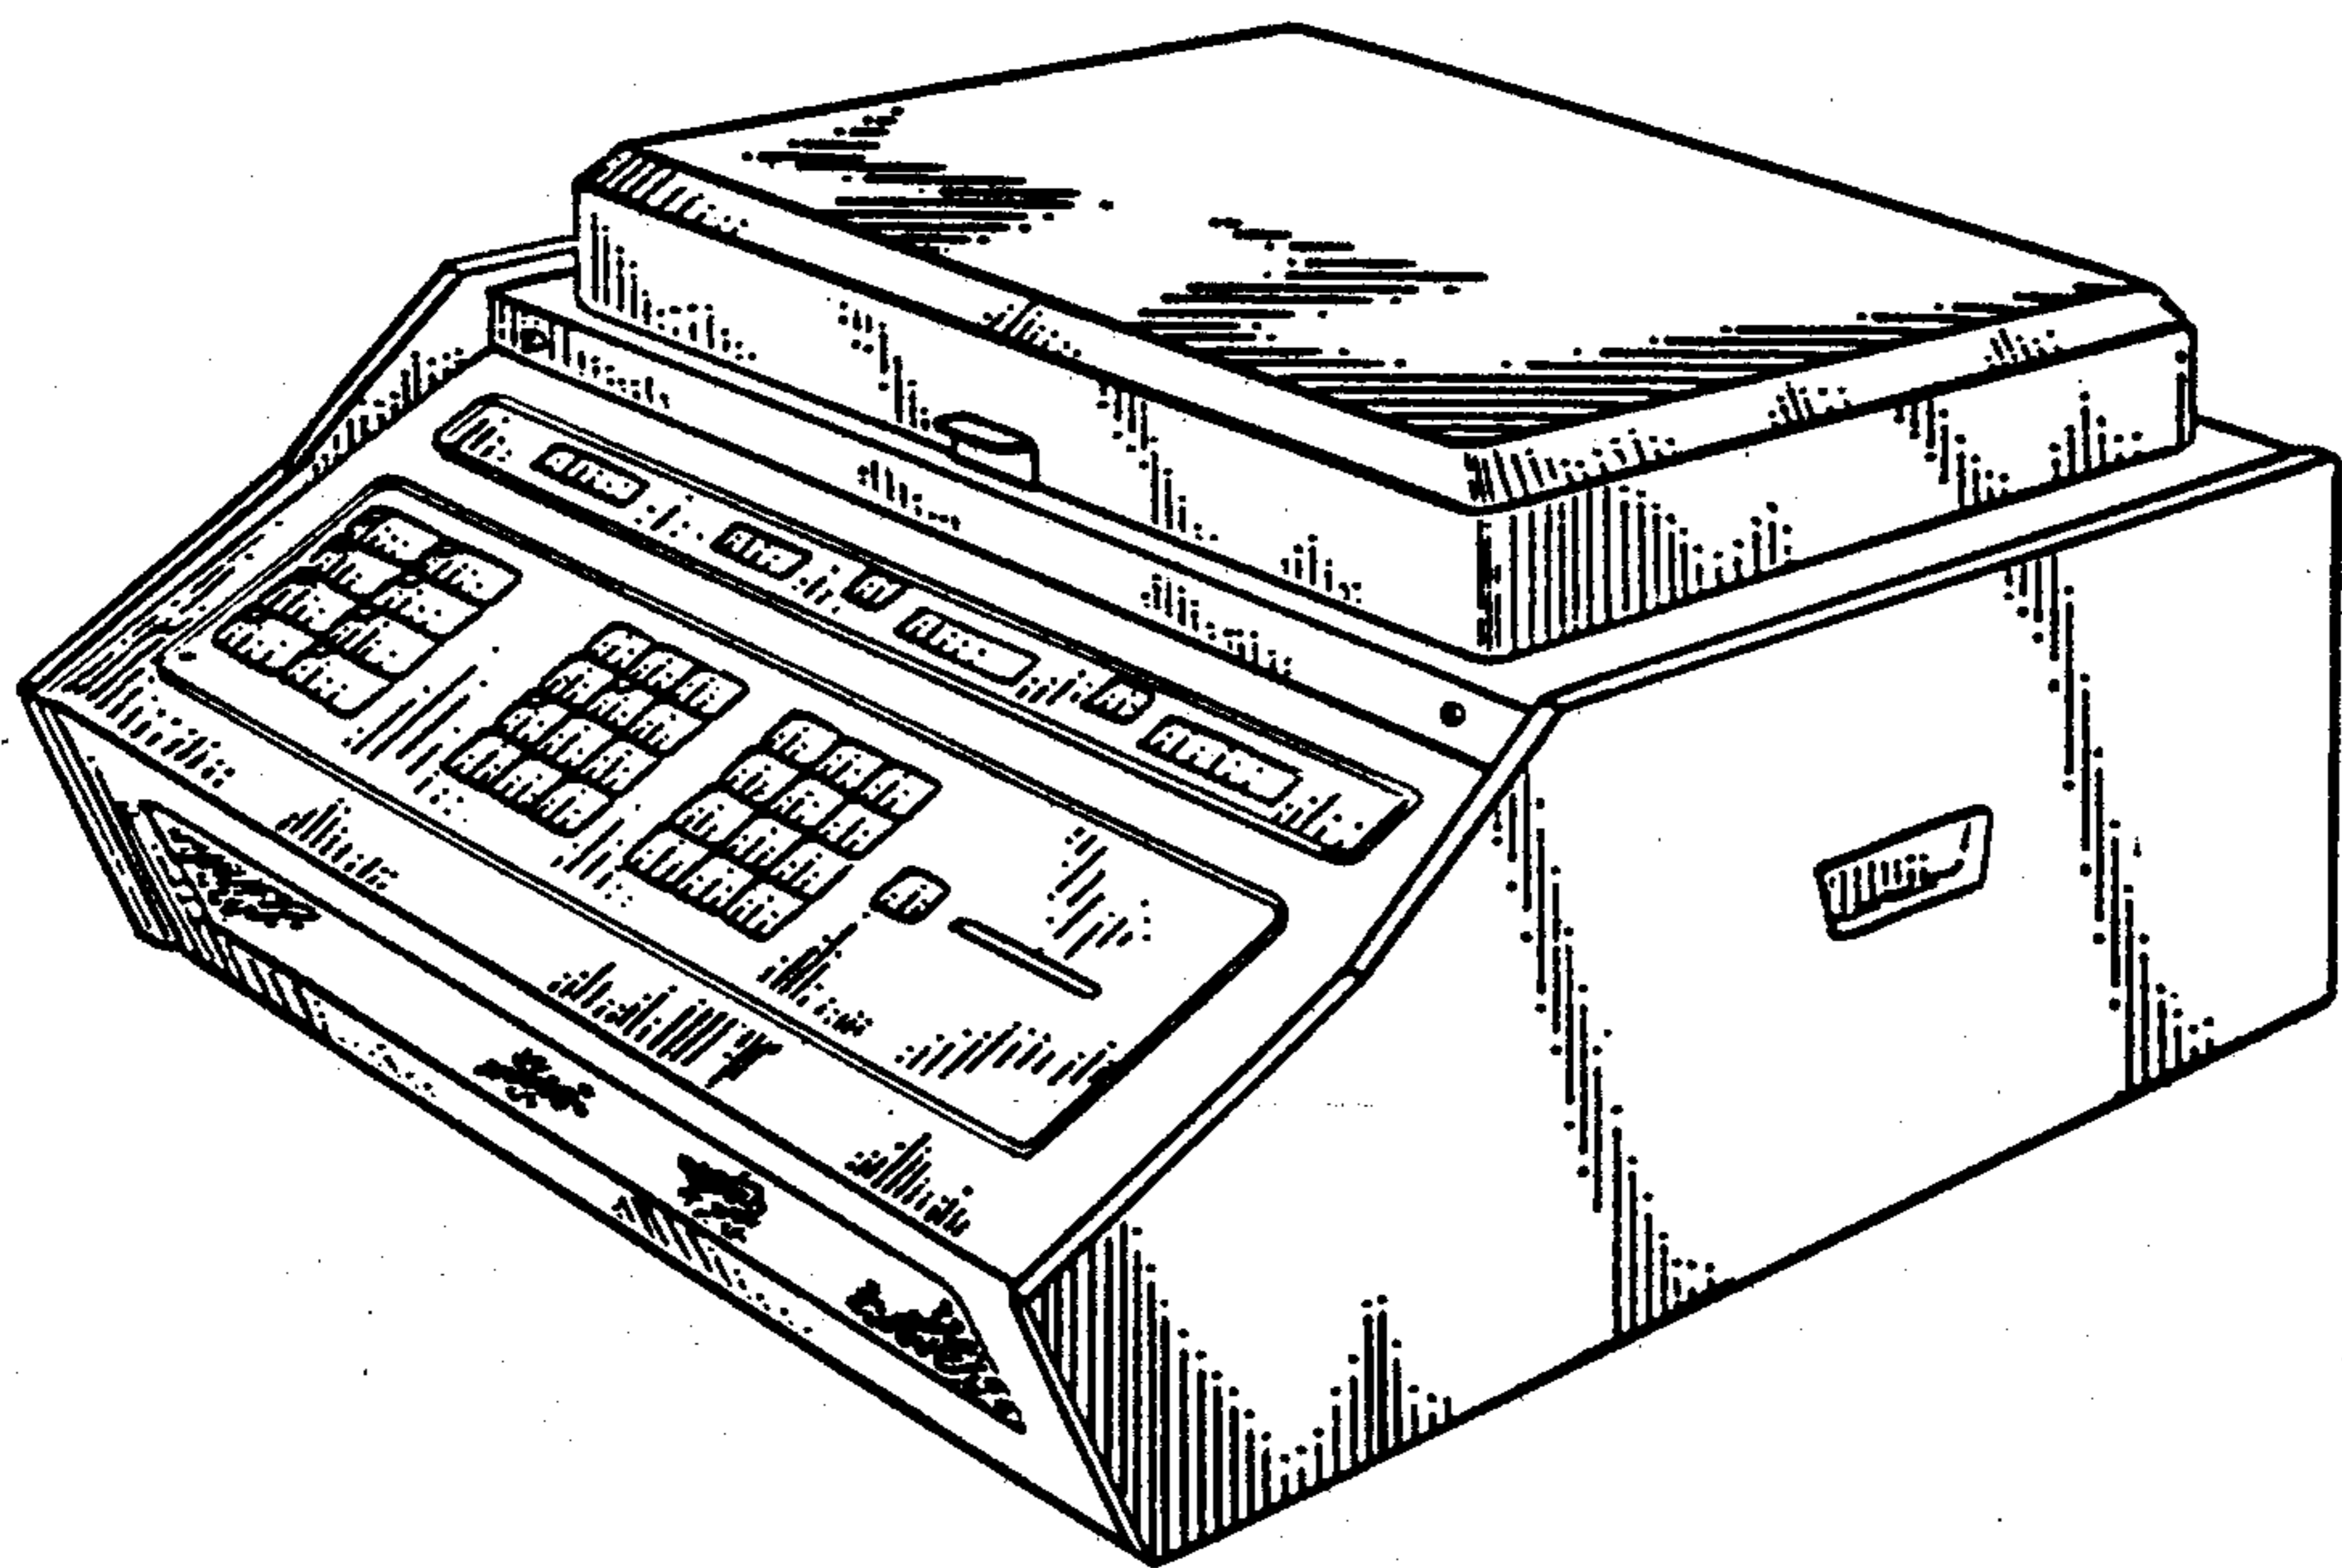

FIG. 3
