[57] CLAIM

The ornamental design for a mounting bracket for attaching a sonar transducer to a boat stern including above-water securing means, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view from the front and side of a mounting bracket for attaching a sonar transducer to a boat stern showing my new design;
FIG. 2 is a rear elevational view of the bracket shown in FIG. 1;
FIG. 3 is a top plan view thereof;
FIG. 4 is a bottom plan view thereof; and
FIG. 5 is a right side elevational view partially cut away for convenience of illustration, the left side elevational view being a mirror image thereof.

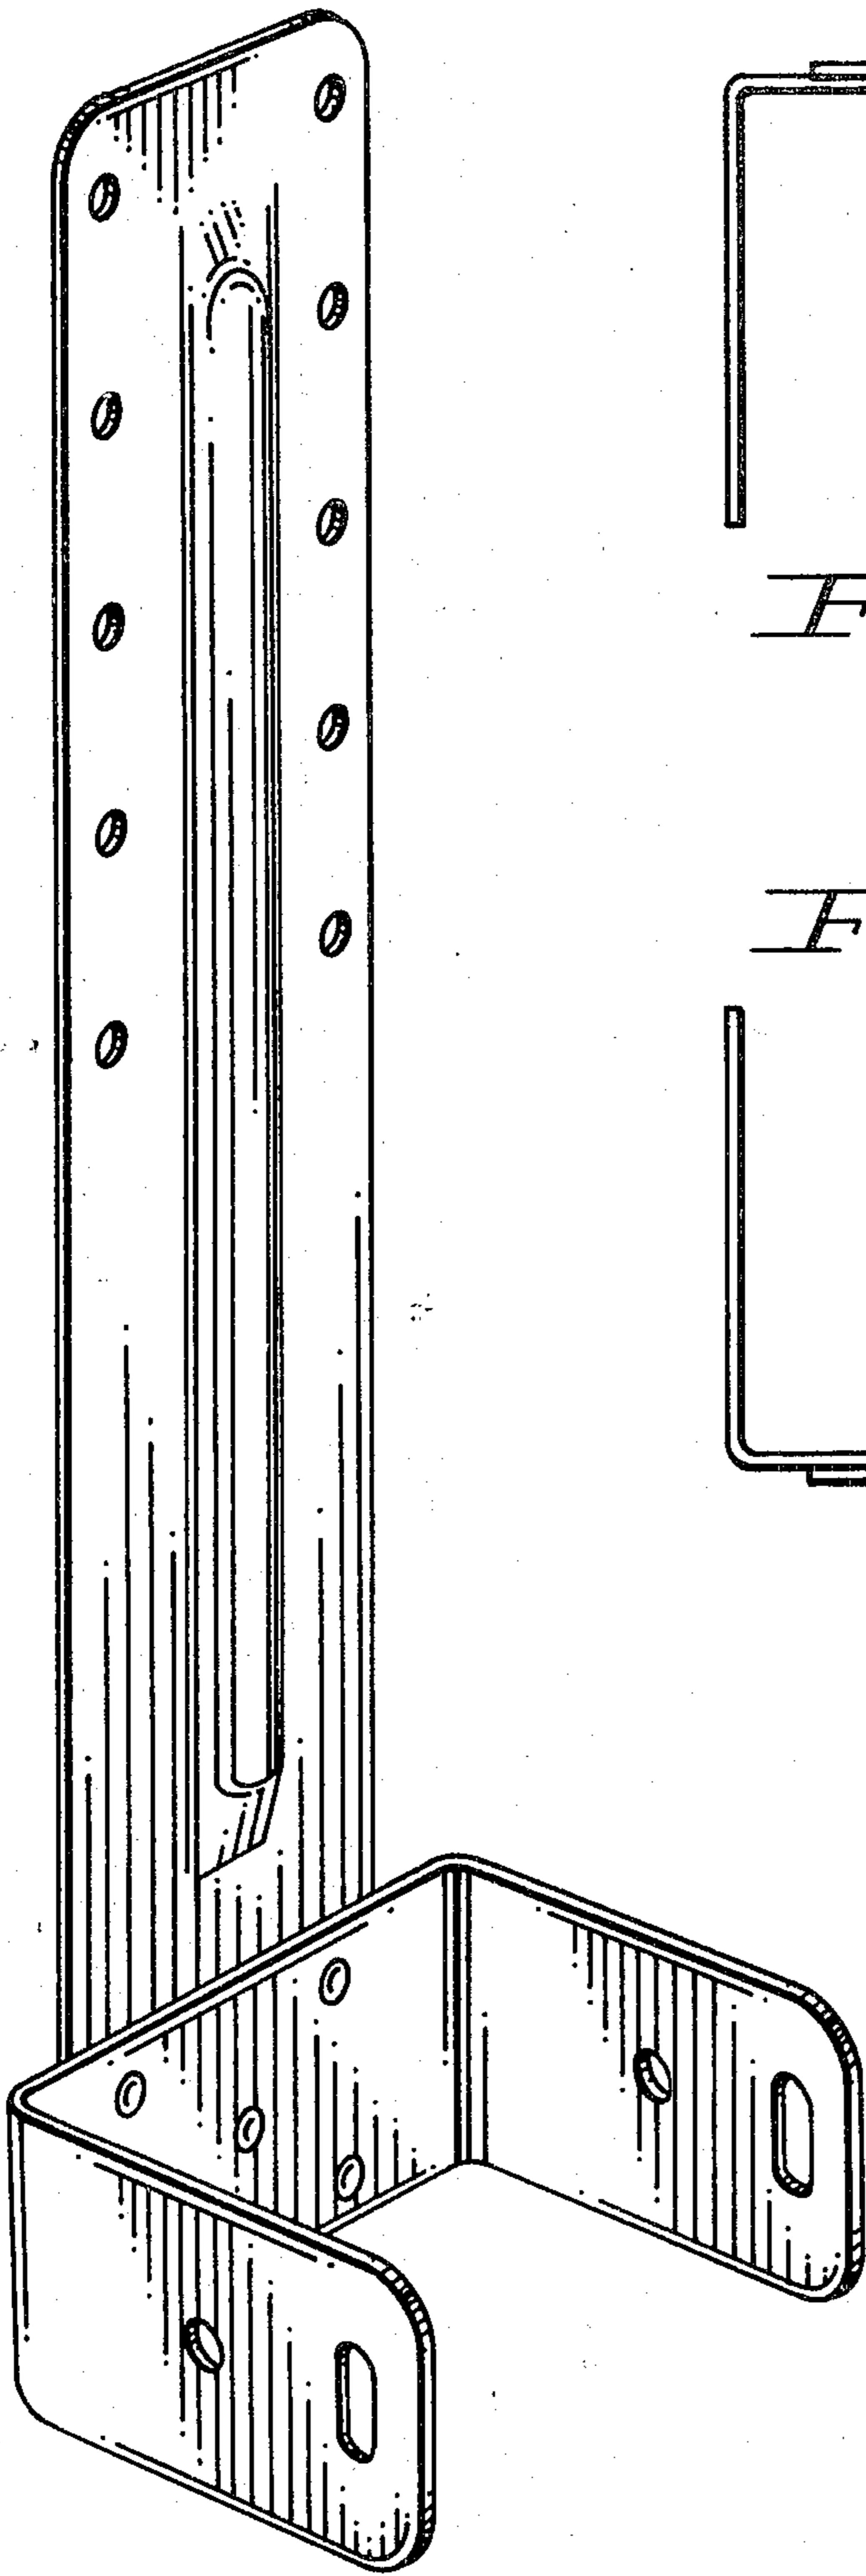

FIG. 1

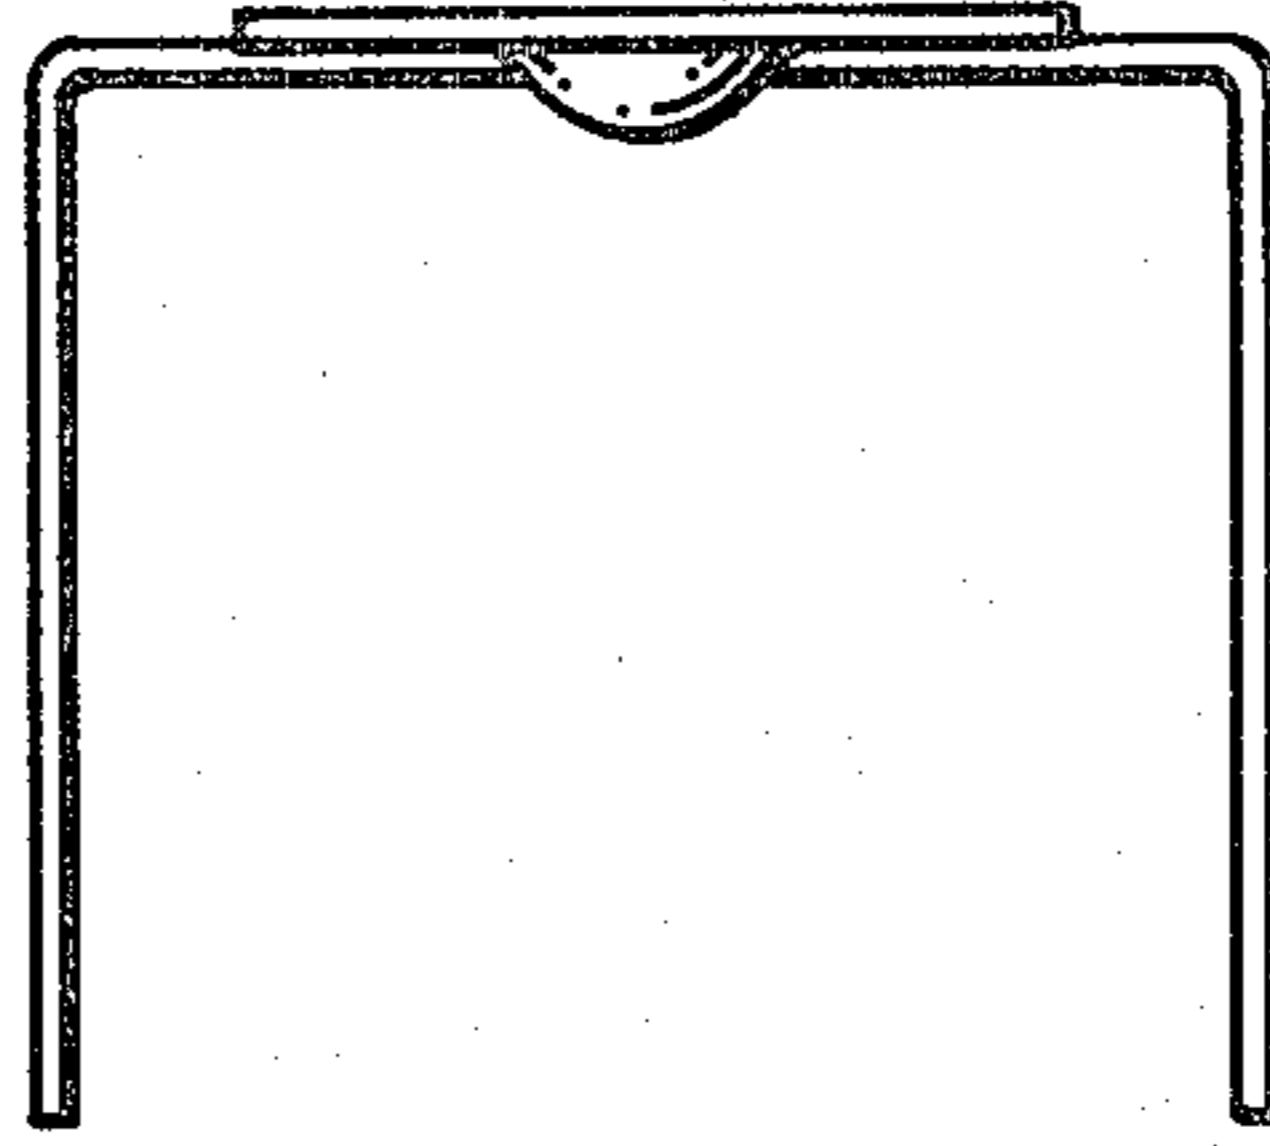

FIG. 3

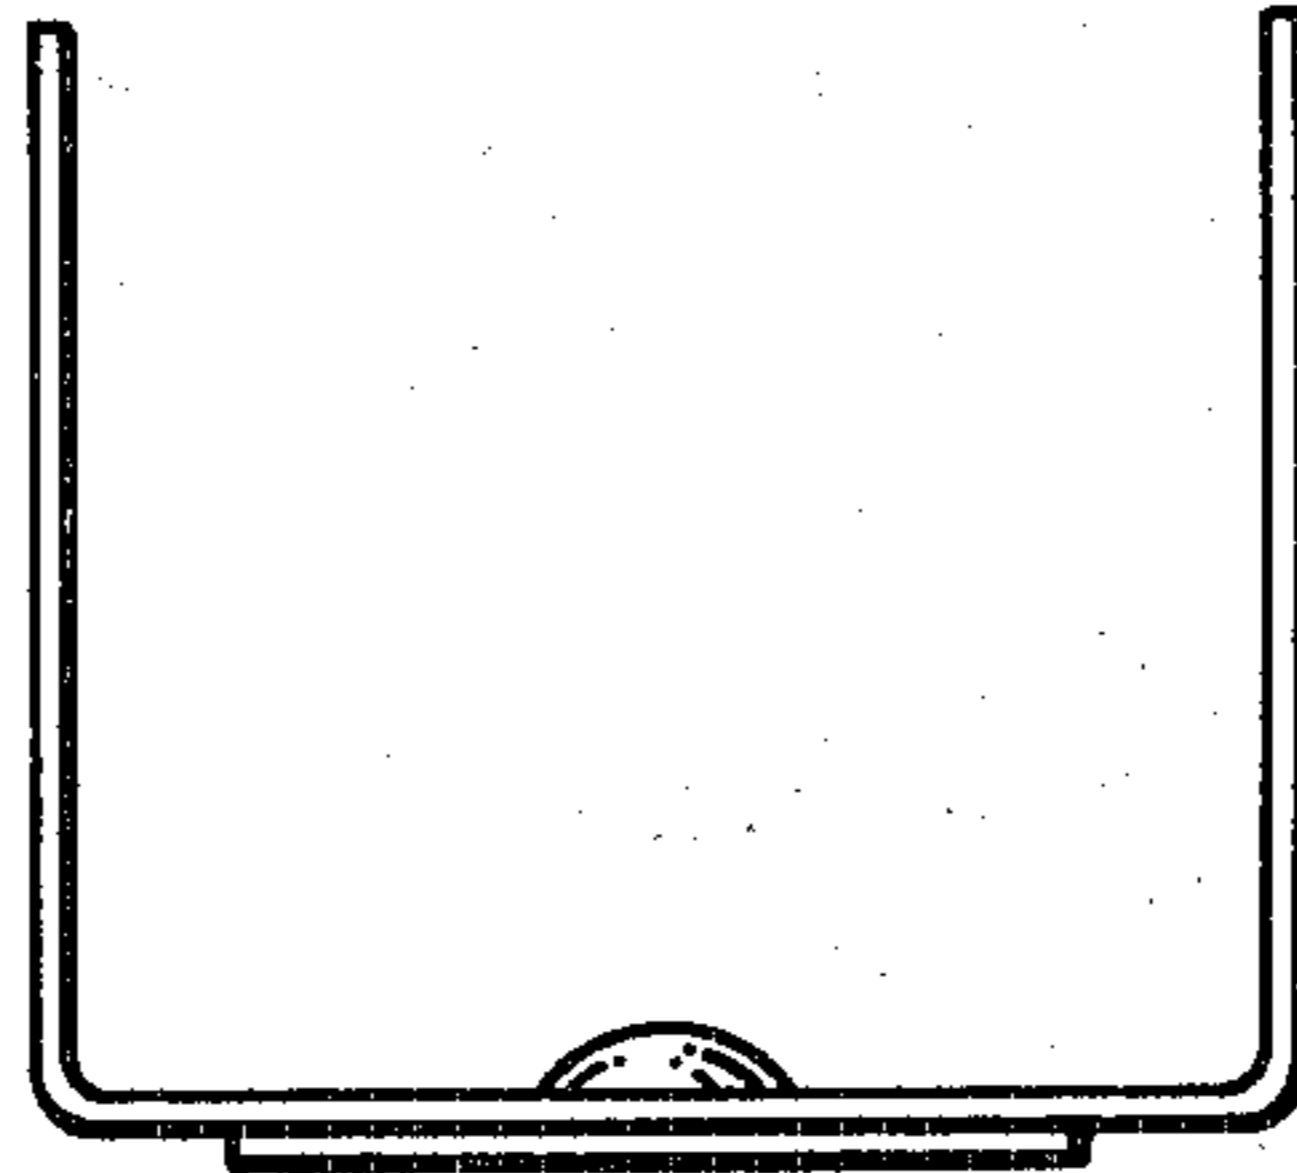

FIG. 4
