[57] **CLAIM**

The ornamental design for a pillow, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a pillow showing my new design with the pocket open;
FIG. 2 is a front elevational view with the pocket closed;
FIG. 3 is a right side elevational view thereof; and
FIG. 4 is a rear elevational view.
The characteristic features of my design are the loops in the top handle and at the center of the top of the pocket.
