[57] **CLAIM**

The ornamental design for a mounting bracket for attaching a sonar transducer to a boat stern including above-water securing means, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of a mounting bracket for attaching a sonar transducer to a boat stern including above-water securing means showing my new design;
 FIG. 2 is a rear elevational view of FIG. 1;
 FIG. 3 is a top plan view thereof;
 FIG. 4 is a bottom plan view thereof; and
 FIG. 5 is a partially cutaway right side elevational view of FIG. 1, the left side being a mirror image thereof.

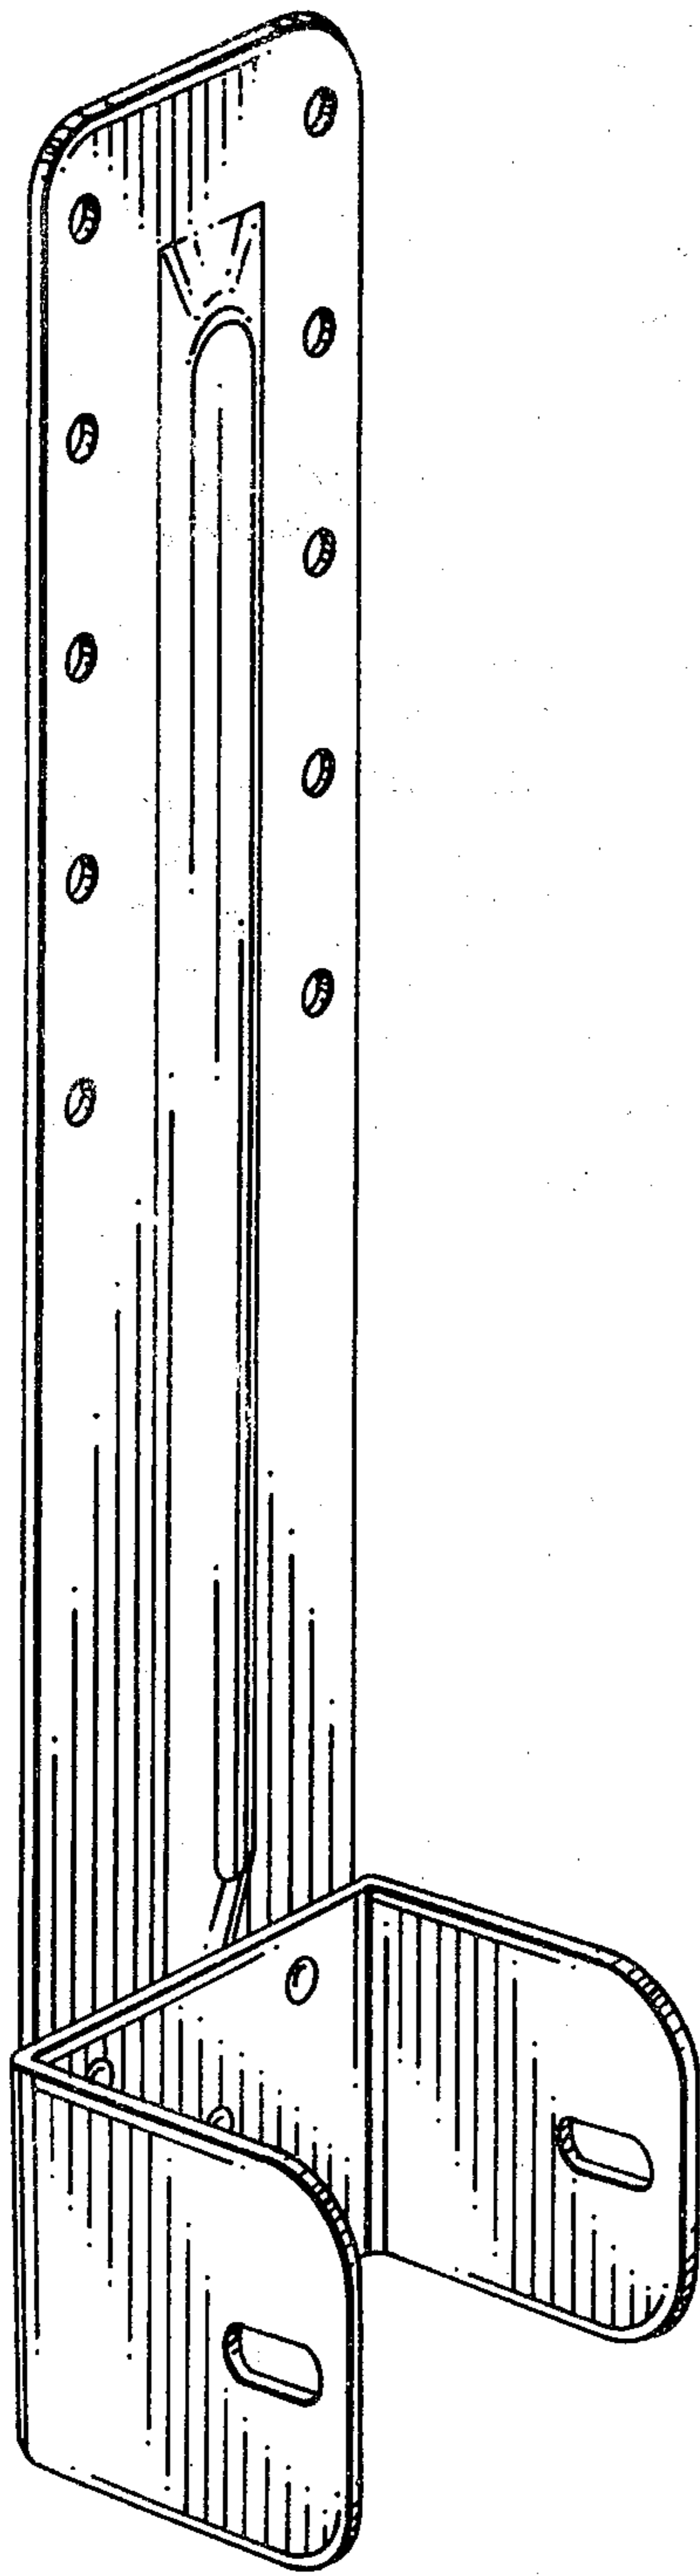

FIG. 1

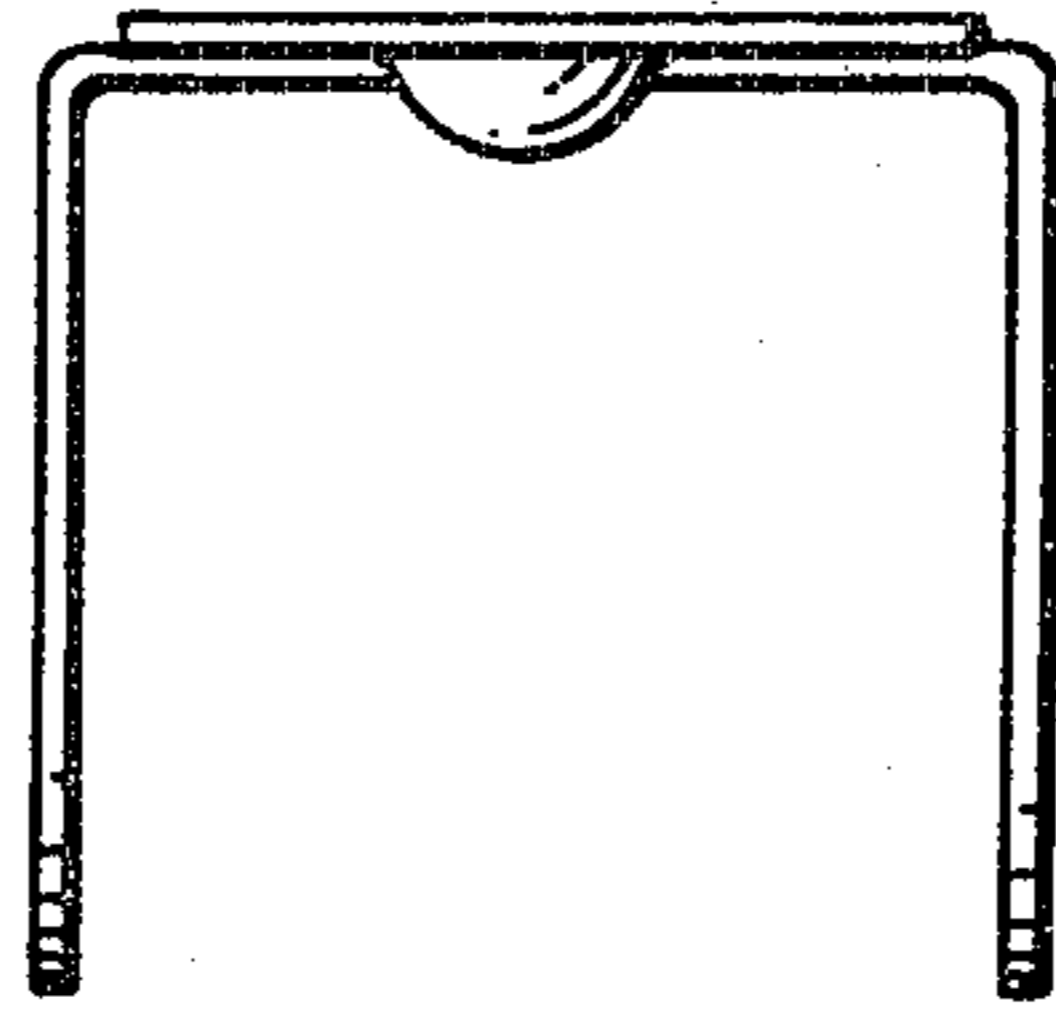

FIG. 3

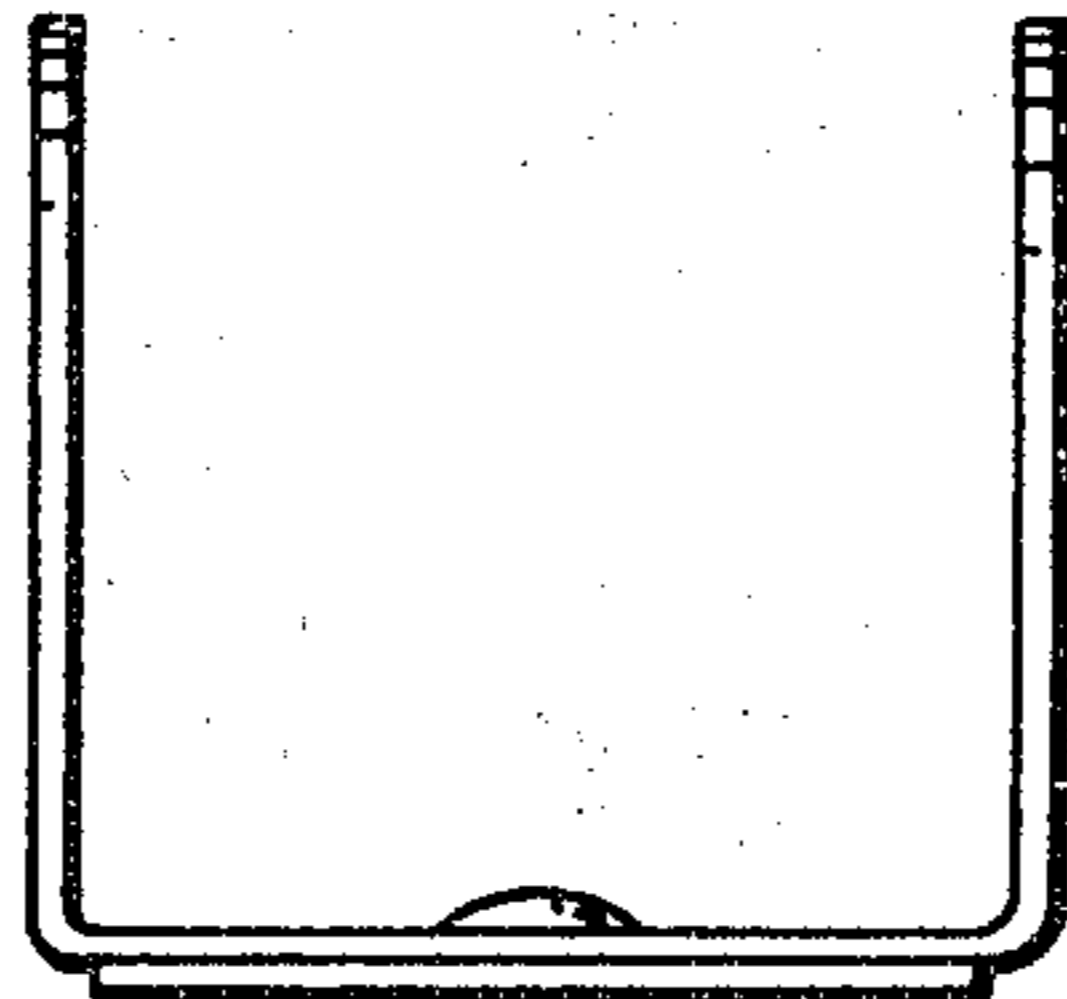

FIG. 4

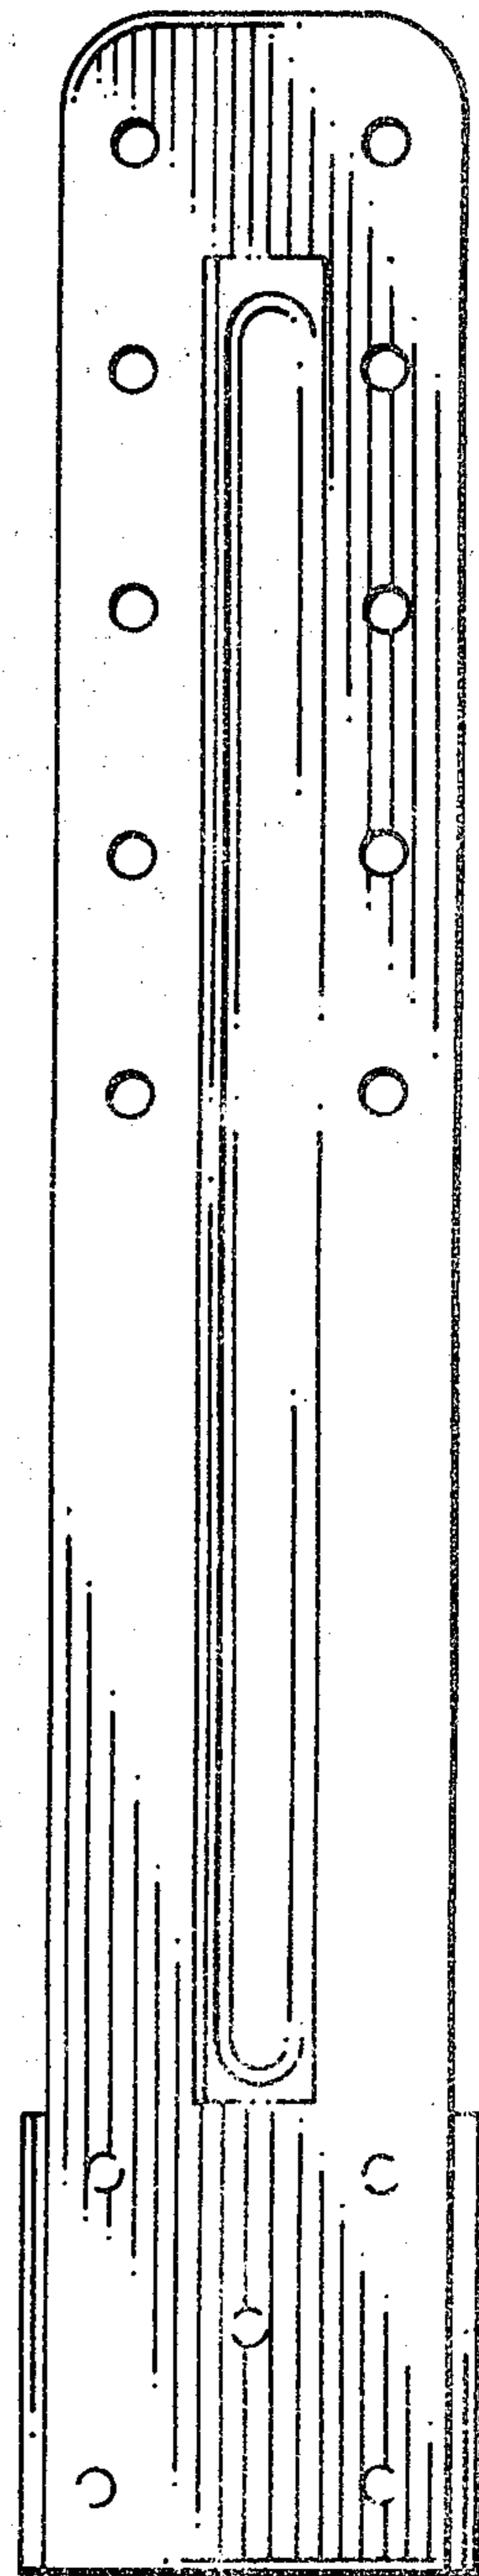

FIG. 2

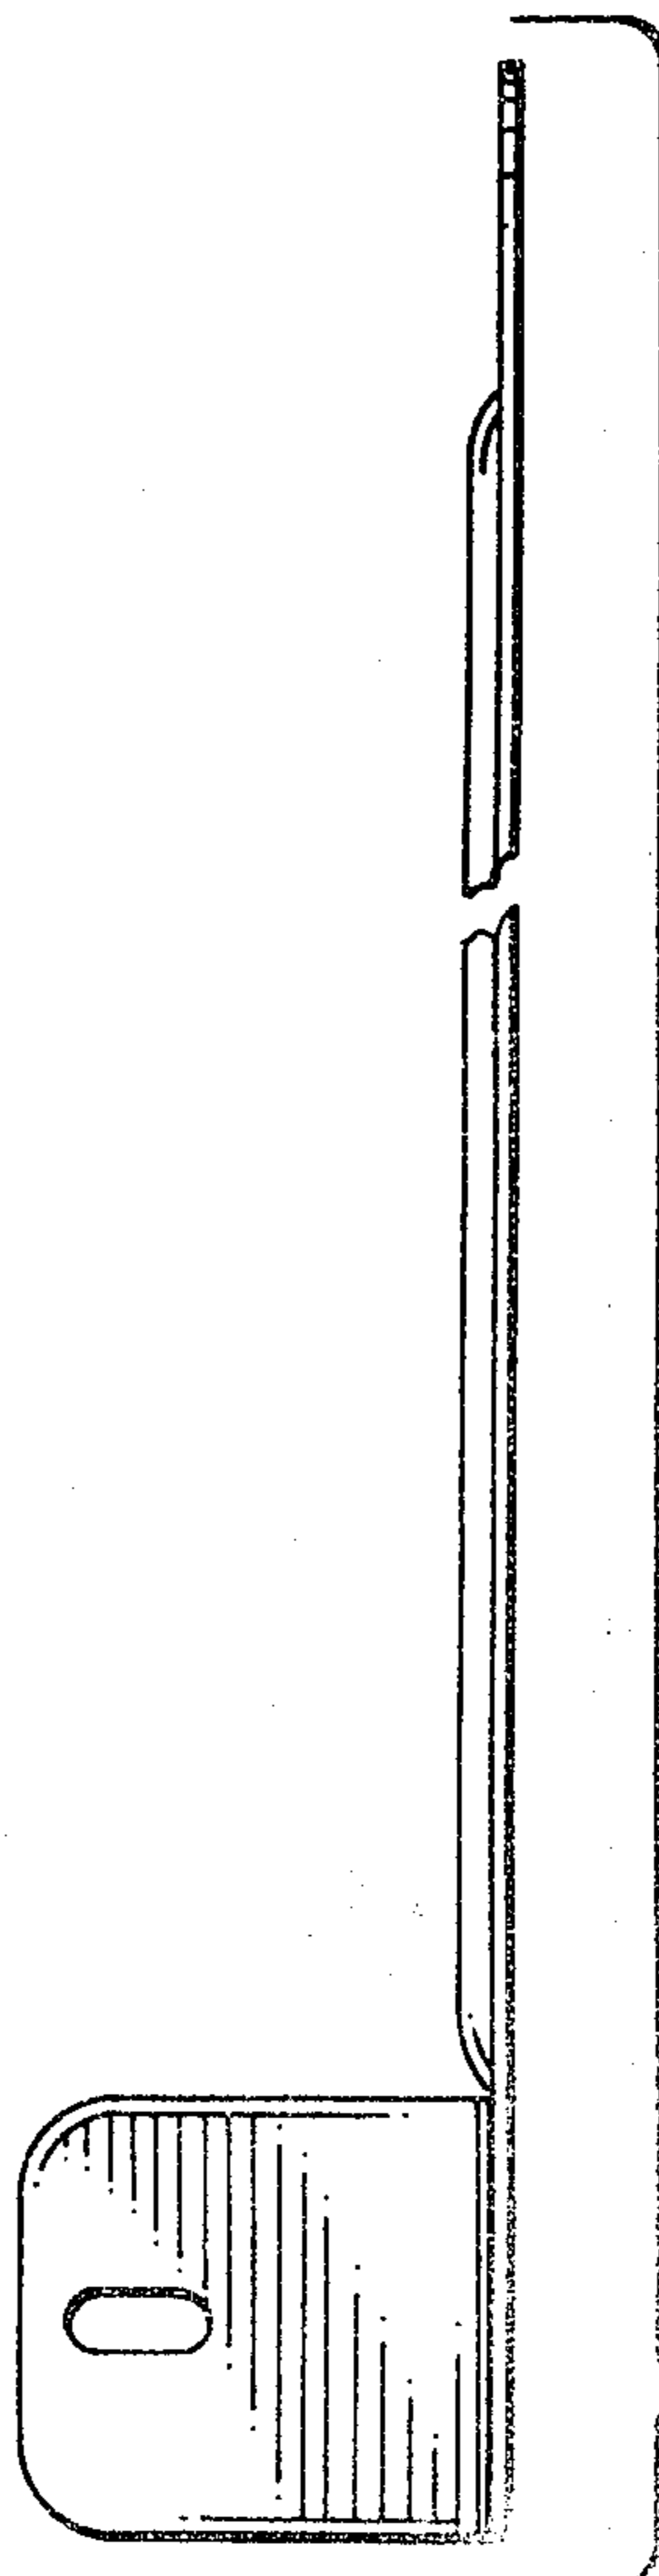

FIG. 5
