[57] CLAIM

The ornamental design for a plate, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a plate showing my new design, it being understood that the ornamentation shown within the dashed line sectors continue about the entire surface of the plate in the path indicated.

FIG. 2 is an enlarged fragmentary top plan view of the plate of FIG. 1 showing the design pattern portion of FIG. 1 in greater detail.

FIG. 3 is a bottom plan view thereof.

FIG. 4 is a sectional view thereof, looking in the direction of arrows 4—4' of FIG. 1.

The three annular-shaped bands shown in FIGS. 1 and 2 have been stippled and the diamond-shaped and triangular-shaped elements making up the large centrally located annular band have been shown in black in order to show colored contrast as between the three first above-mentioned bands and the last-mentioned wide band. However, no claim for any colors is made herein.
