[57] CLAIM

The ornamental design for fireplace insert with interchangeable door panels, substantially as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a fireplace insert with interchangeable door panels, showing my new design and shown with the glass door panels in place; FIG. 2 is a rear elevational view thereof; FIG. 3 is a right side elevational view, the left side being a mirror image thereof; FIG. 4 is a top plan view thereof; FIG. 5 is a front elevational view of the fireplace insert with the cast iron doors in place. The bottom surface of the fireplace insert with interchangeable door panels is unornamented.
