[57] CLAIM

The ornamental design for a local area computer network interface housing, substantially as shown and described.

DESCRIPTION

FIG. 1 is a front, perspective view of the local area computer network interface housing showing our new design;

FIG. 2 is a top plan view thereof;

FIG. 3 is a bottom plan view thereof;

FIG. 4 is a right side elevational view thereof;

FIG. 5 is a left side elevational view thereof; and

FIG. 6 is a rear elevational view thereof, the top being at the left.
