[57] CLAIM

The ornamental design for a combined key holder and writing instrument, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a combined key holder and writing instrument, showing my new design; FIG. 2 is a plan view thereof; FIG. 3 is a side elevational view thereof; FIG. 4 is a plan view thereof from the side opposite that shown in FIG. 2; FIG. 5 is a side elevational view thereof from the side opposite that shown in FIG. 3; FIG. 6 is a left end elevational view of FIG. 3; FIG. 7 is a right end elevational view of FIG. 3; FIG. 8 is an exploded perspective view thereof with the key holder separated from the writing instrument; FIG. 9 is a side elevational view of the writing instrument; FIG. 10 is a plan view of the writing instrument from the side opposite that shown in FIG. 8; FIG. 11 is a side elevational view of the writing instrument from the side opposite that shown in FIG. 9; FIG. 12 is a left end elevational view of FIG. 11; FIG. 13 is a right end elevational view of FIG. 11; FIG. 14 is an exploded perspective view similar to FIG. 8 but with the writing instrument turned in the opposite direction; and FIG. 15 is a view similar to FIG. 1 but with the writing instrument inserted into the key holder in the writing position, that is, turned 180° from the position it occupies in FIG. 1.
