CLAIM

The ornamental design for credenza, as shown and
described.

DESCRIPTION

FIG. 1 is a front elevational view of a credenza showing
our new design;
FIG. 2 is an enlarged front elevational view of the left-
hand portion of the credenza shown in FIG. 1, illustrat-
ing the details of the drawer and door fronts of the
credenza; and
FIG. 3 is a right side elevational view, the opposite side
being a mirror image thereof.
The top and rear configurations of the credenza are flat
and unornamented.
