[57] **CLAIM**

The ornamental design for credenza, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a credenza showing our new design;
FIG. 2 is an enlarged front elevational view of the left-hand portion of the credenza shown in FIG. 1, illustrating the details of the drawer and door fronts of the credenza; and
FIG. 3 is a right side elevational view, the opposite side being a mirror image thereof.
The top and rear configurations of the credenza are flat and unornamented.
