[57] CLAIM

The ornamental design for a grille for an air conditioning unit, as shown.

DESCRIPTION

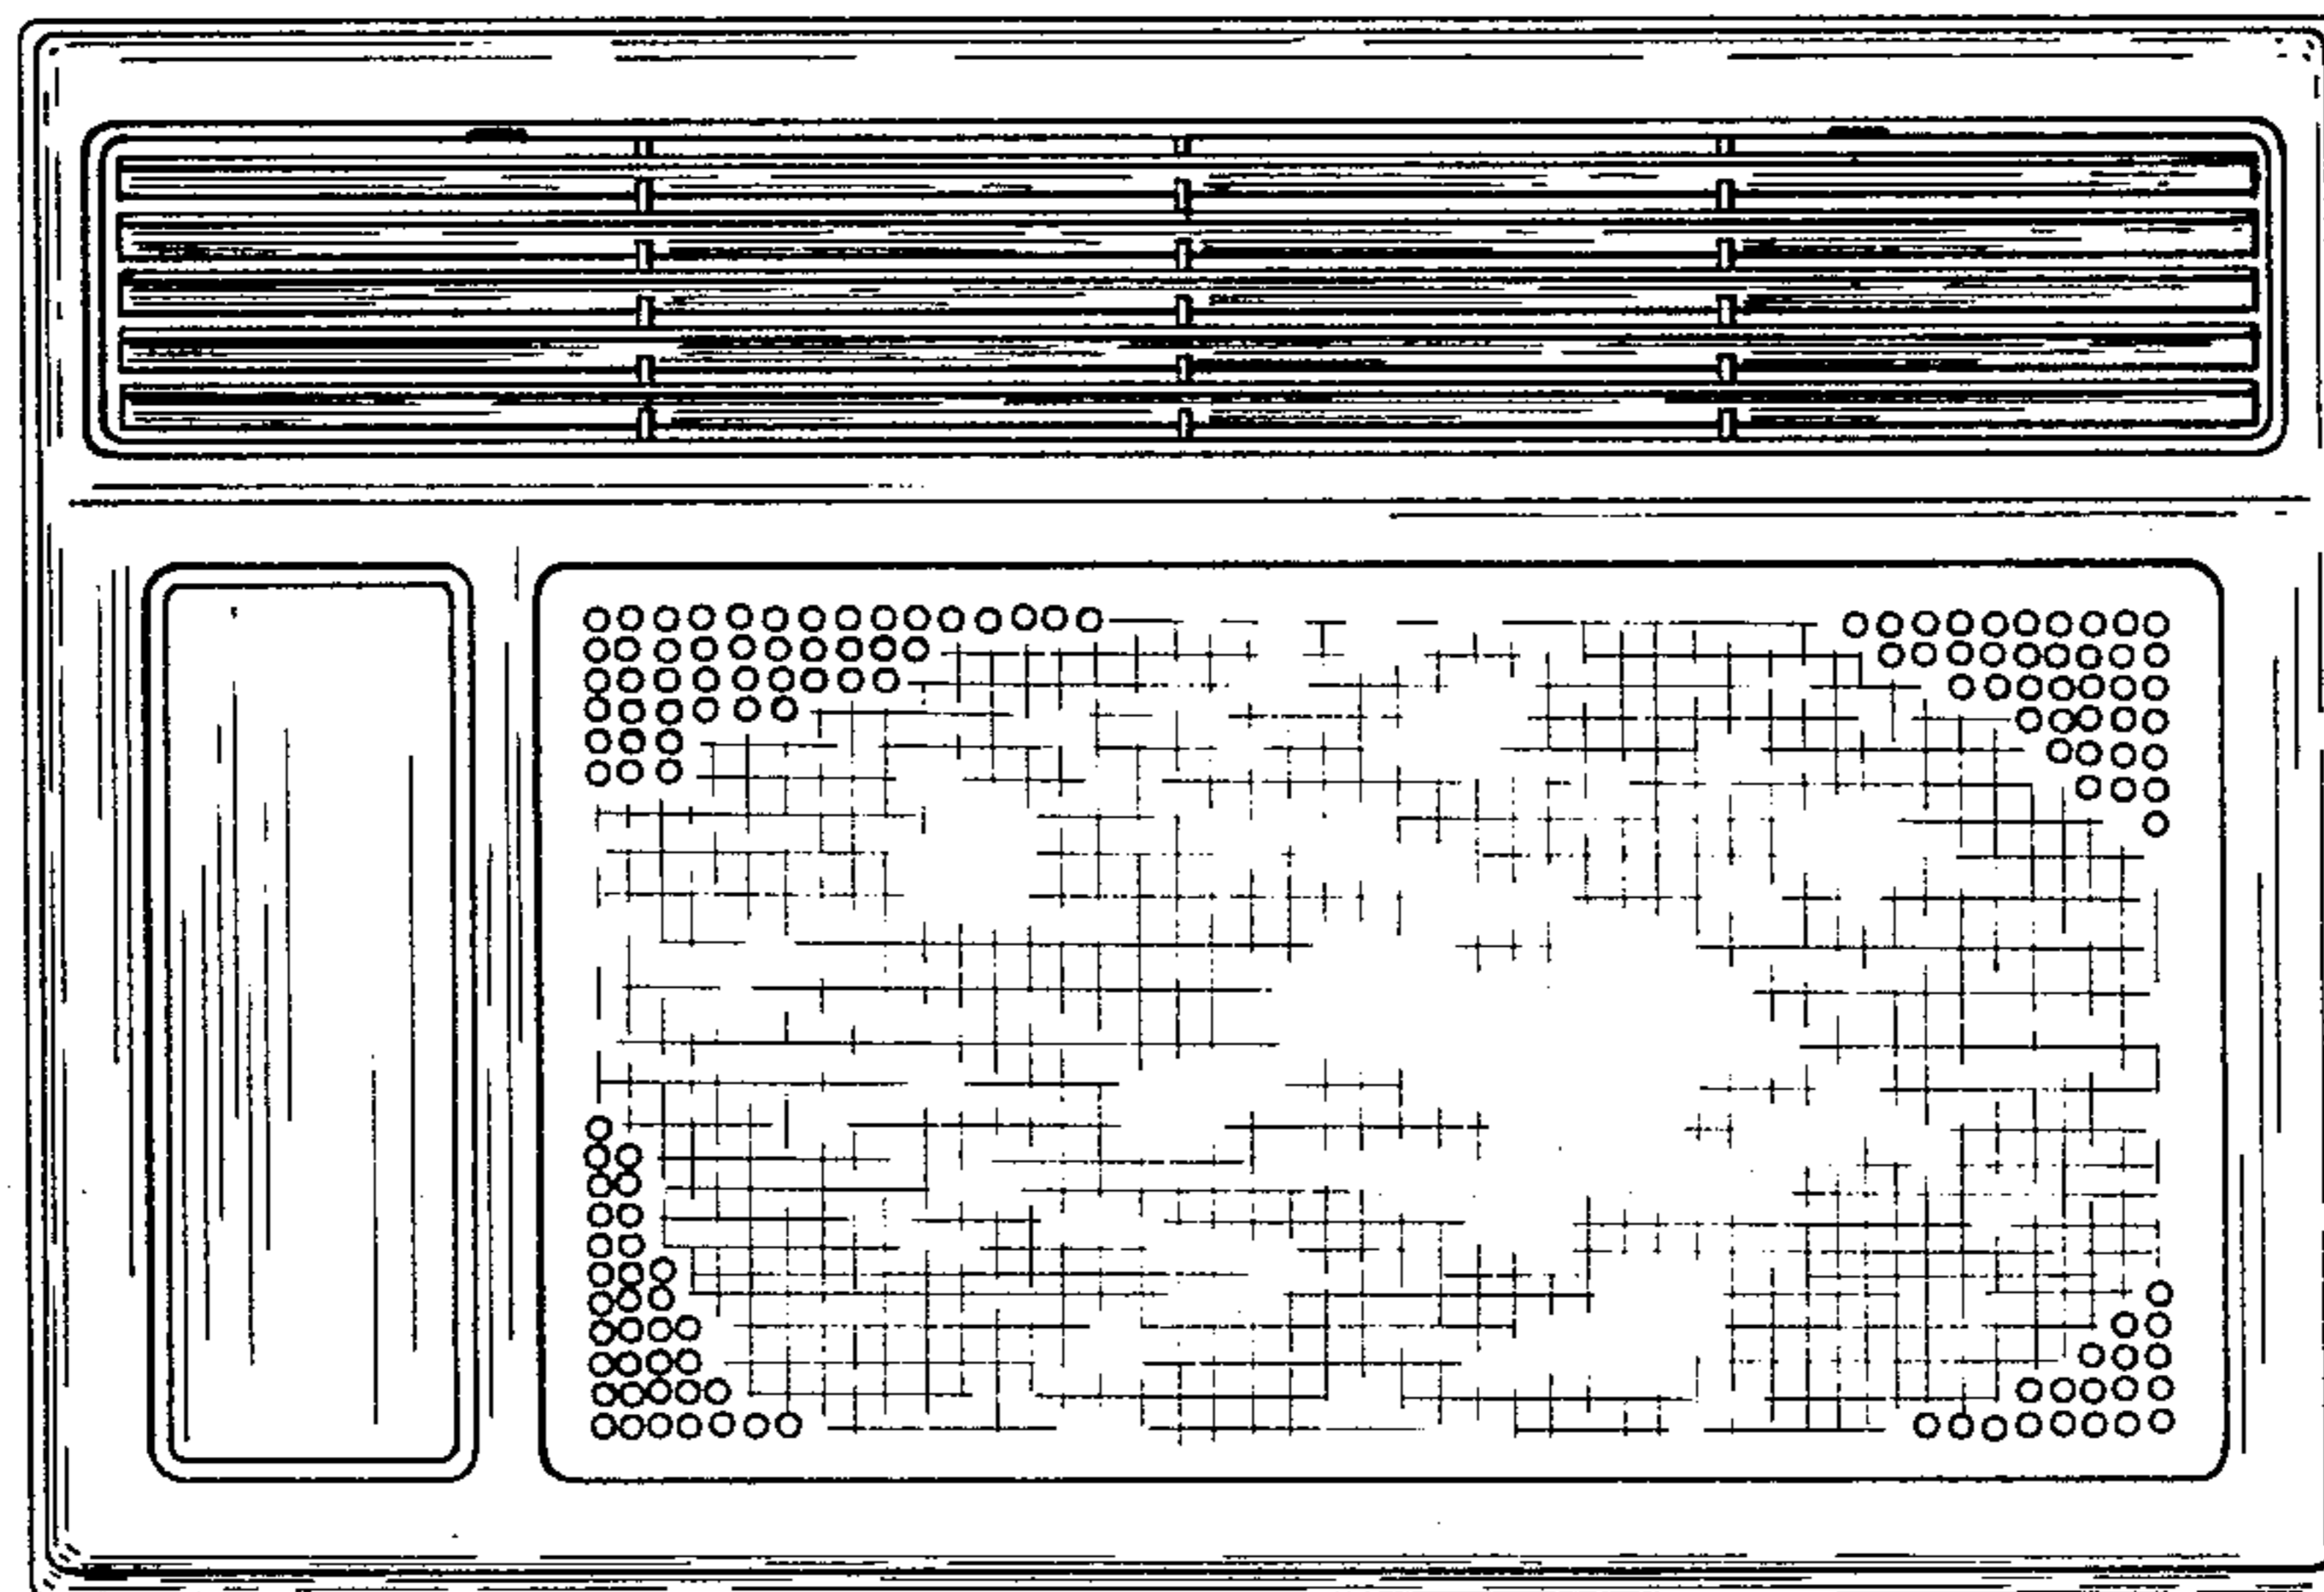

FIG. 1 is a front elevational view of a grille for an air conditioning unit showing my new design, it being understood that the grille pattern is continuous through the area indicated.

FIG. 2 is a top plan view thereof.

FIG. 3 is a side elevational view thereof.

FIG. 4 is an enlarged fragmentary front view thereof showing the left end of the grille.

In the drawings the closely spaced horizontal and vertical lines depict a continuation of the circle motif shown in association with those lines.
