[57] CLAIM

The ornamental design for a roof edge ventilator, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a roof edge ventilator showing our new design;  
FIG. 2 is a bottom plan view thereof;  
FIG. 3 is an enlarged fragmentary elevational view taken from one side thereof;  
FIG. 4 is an enlarged fragmentary elevational view taken from the side opposite that shown in FIG. 3; and  
FIG. 5 is an enlarged elevational view taken from one end thereof, with a portion broken away for convenience of illustration, the opposite end being the same as the end shown.
