[57] CLAIM

The ornamental design for a housing for a telephone station handset, substantially as shown and described.

DESCRIPTION

FIG. 1 is a top front perspective view of a housing for a telephone station handset in accordance with our new design;

FIG. 2 is a bottom perspective view thereof, including the transmitter and receiver ends;

FIG. 3 is a top planar view thereof;

FIG. 4 is a side elevation view thereof; the opposite side elevation being essentially a mirror image of the side shown.

The broken lines representing pushbuttons are shown for illustrative purposes only.

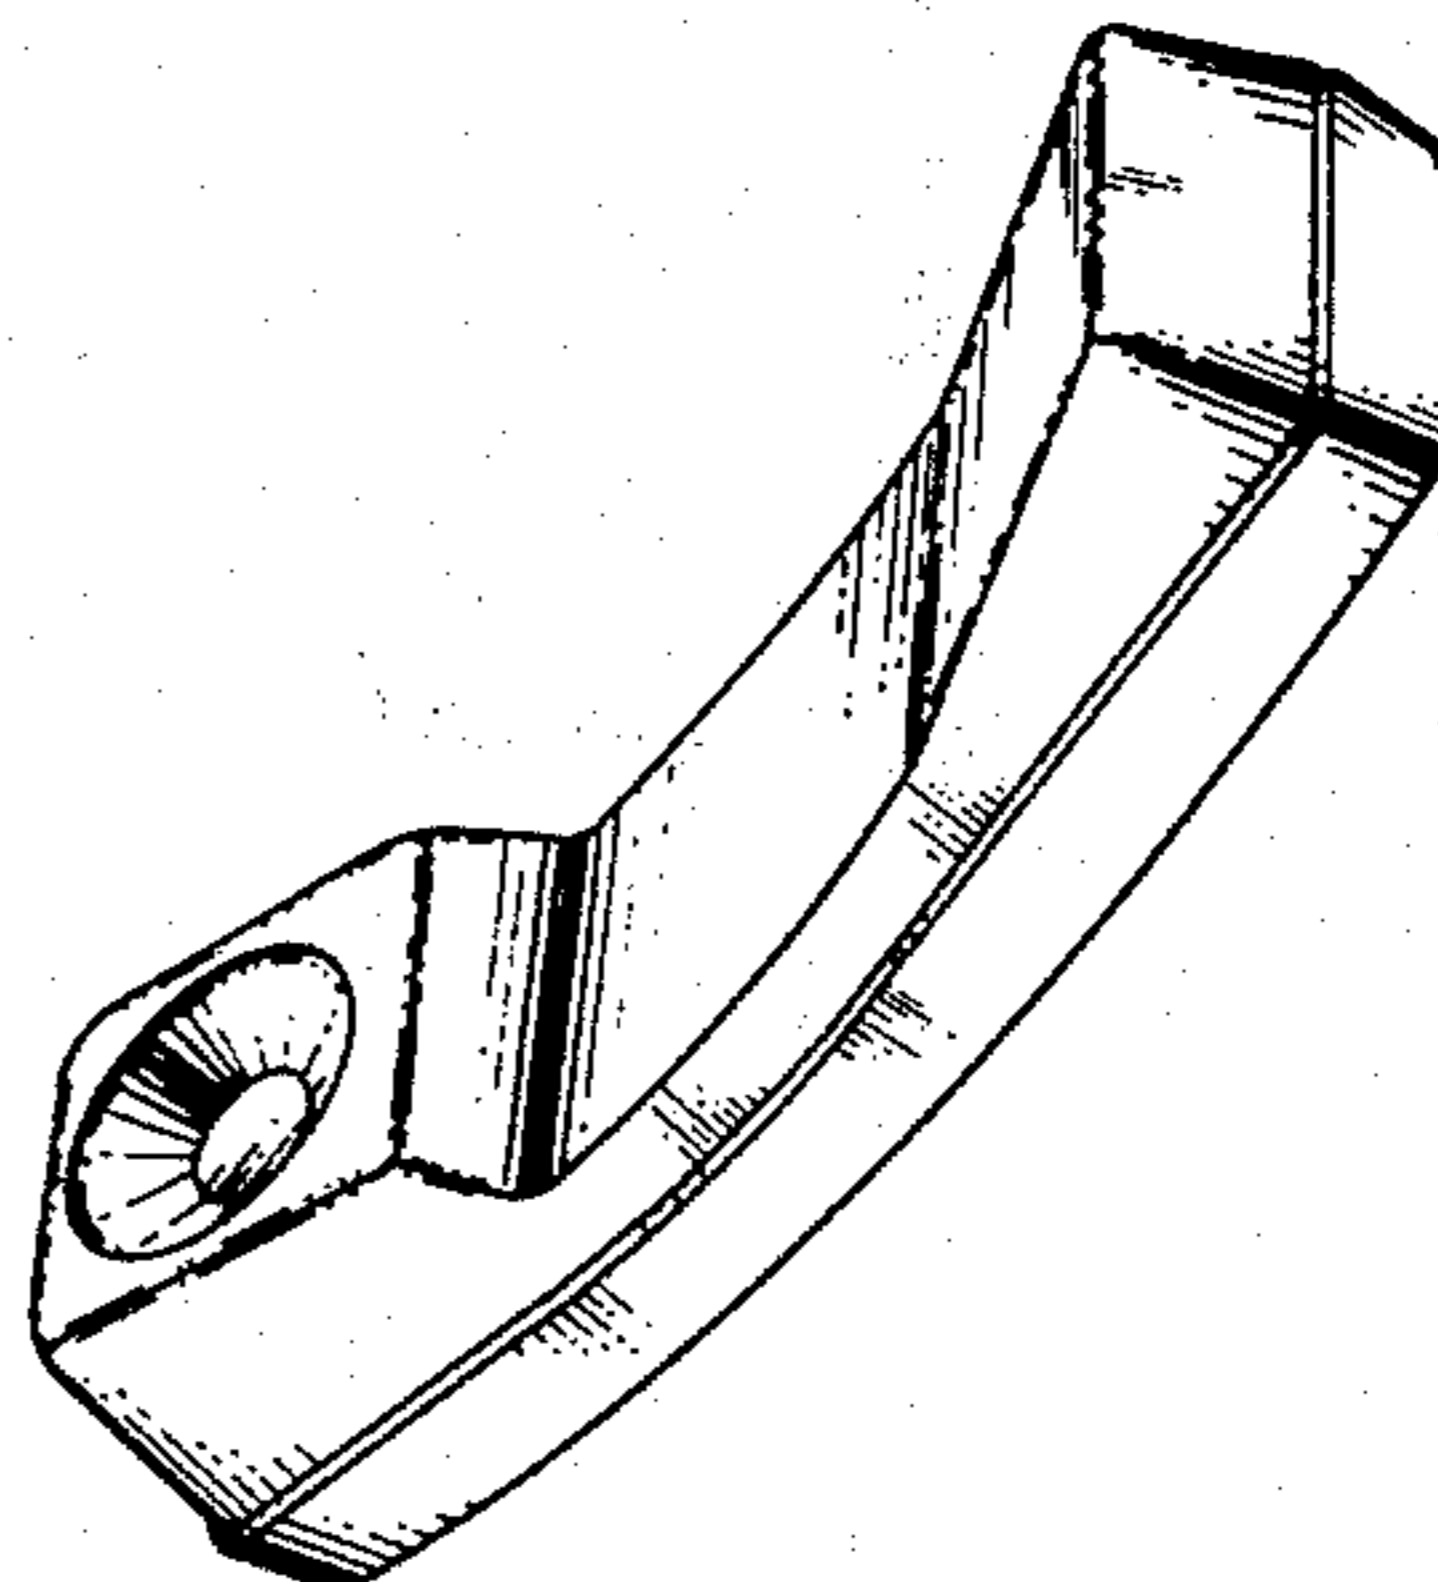

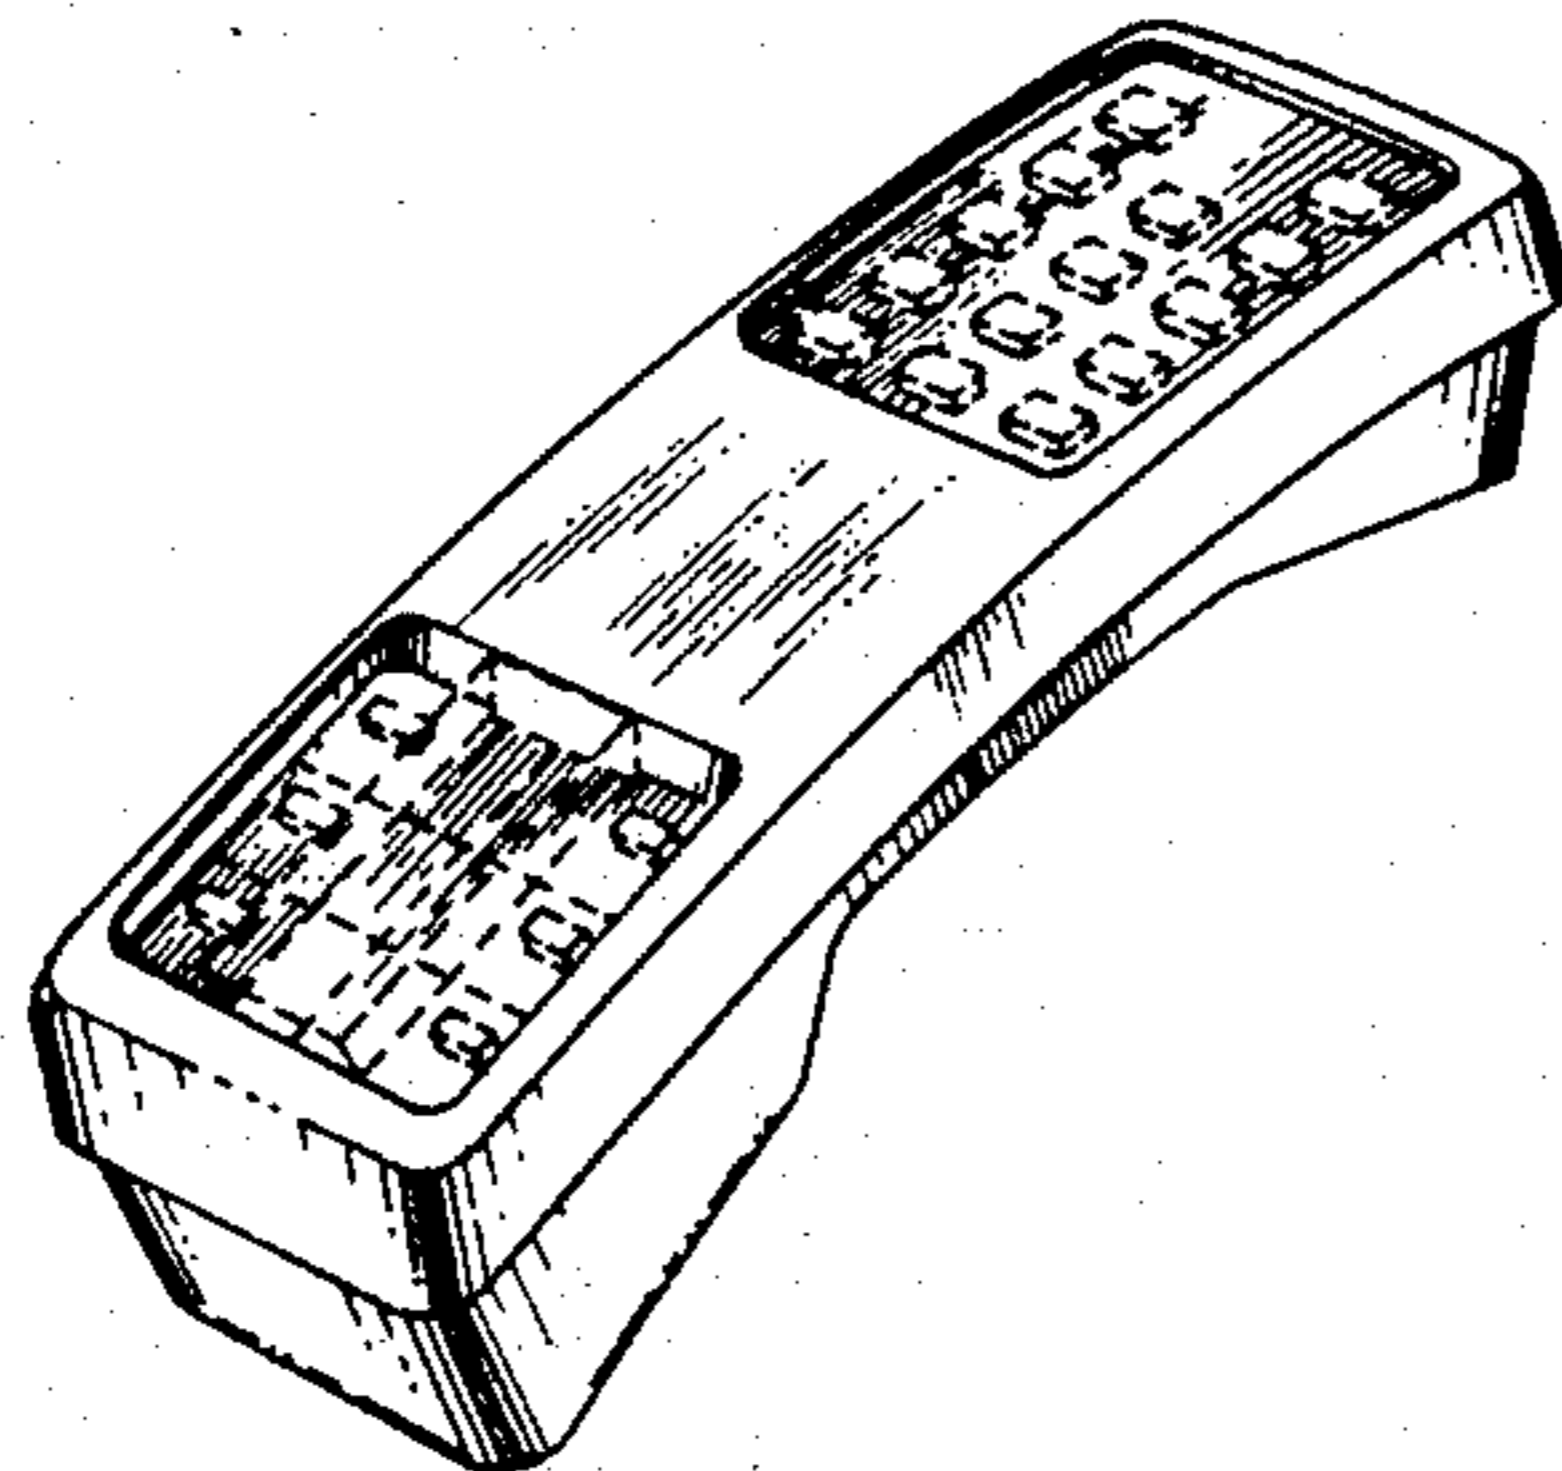

FIG. 1

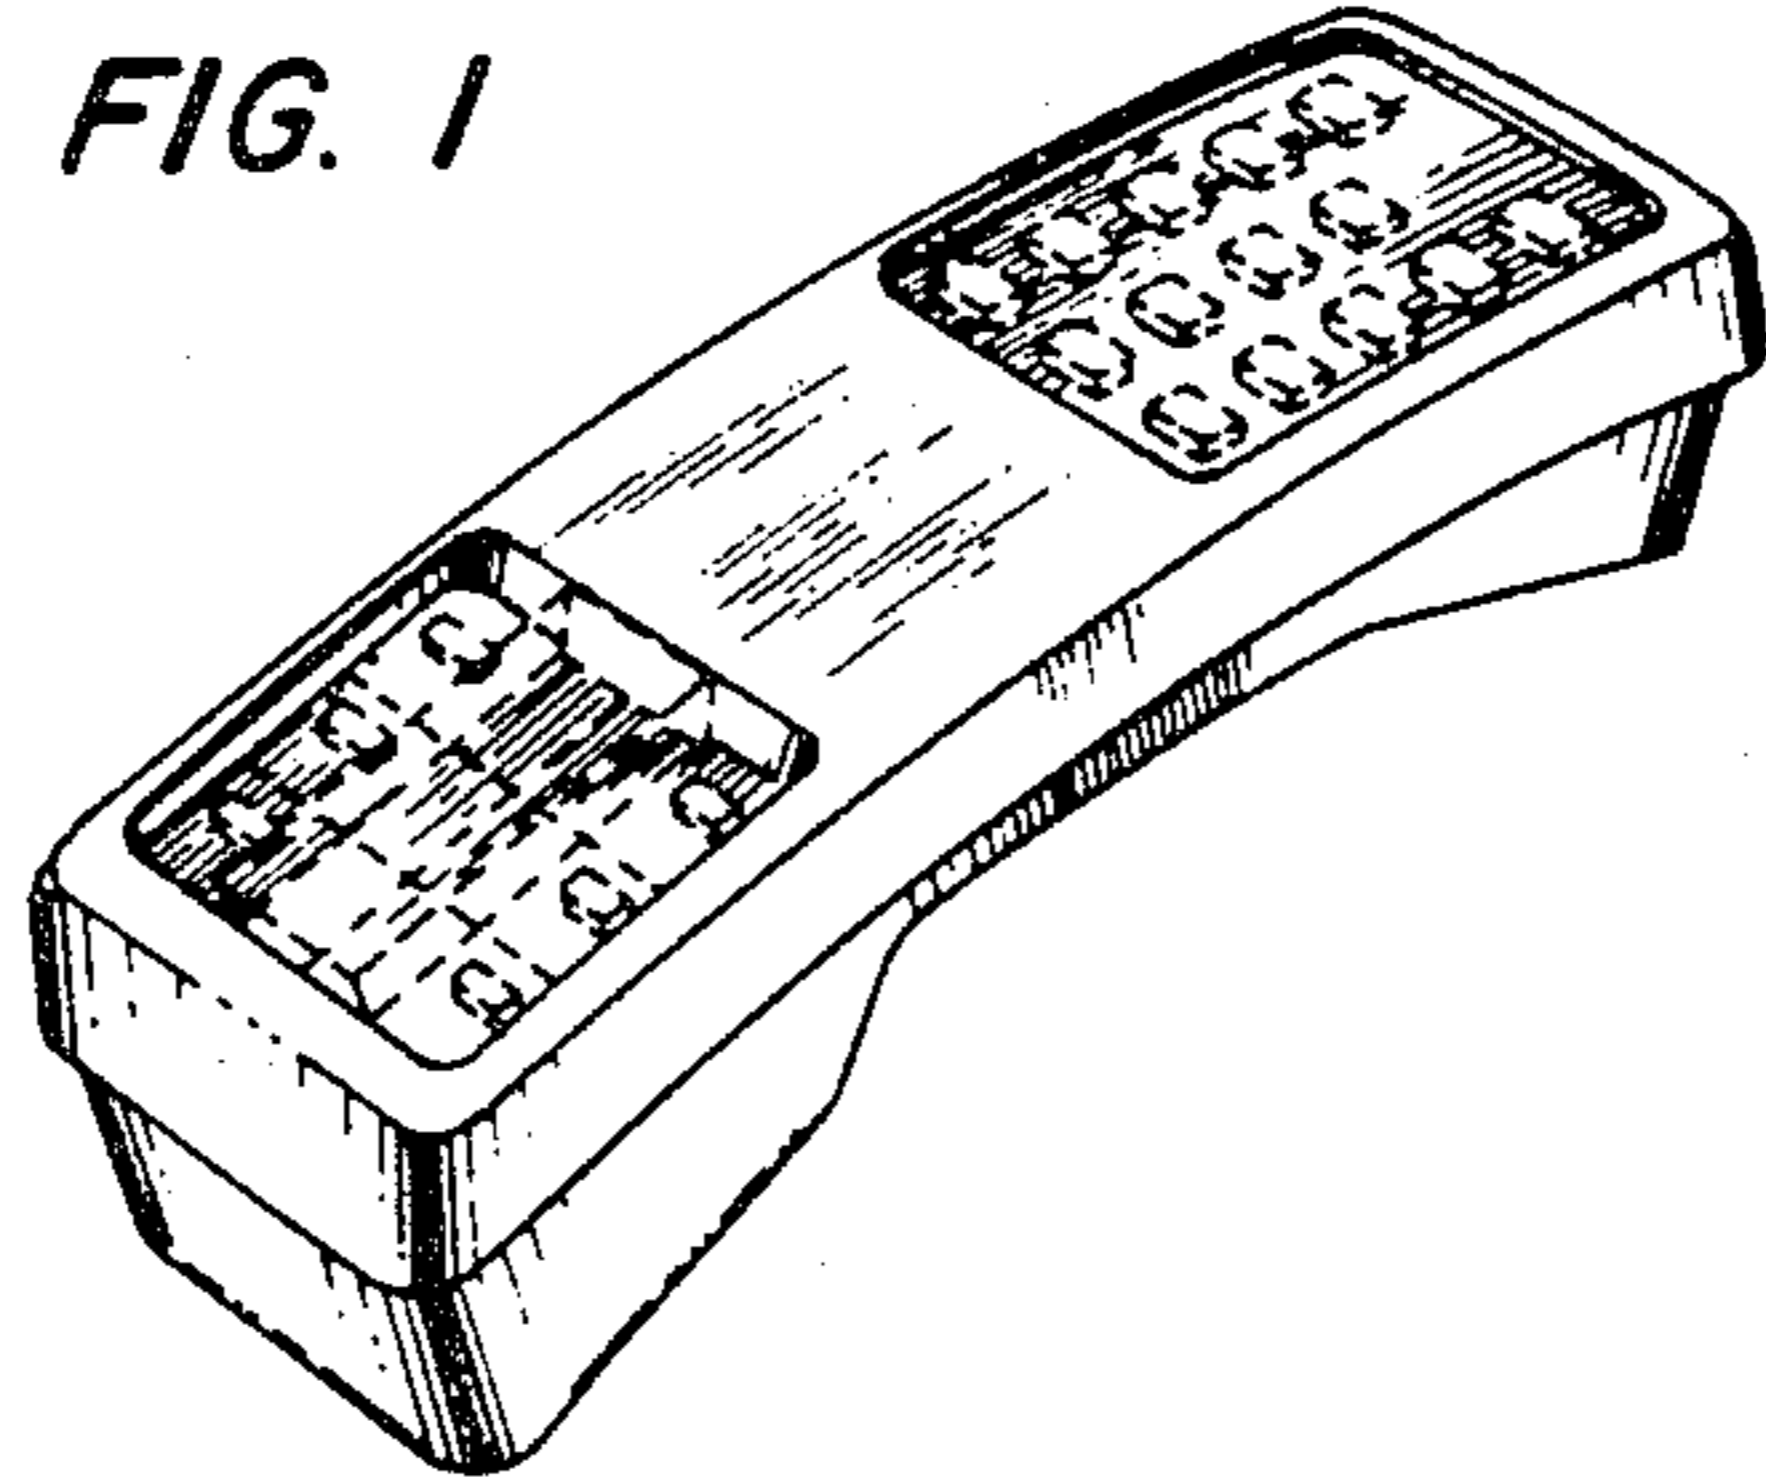

FIG. 2

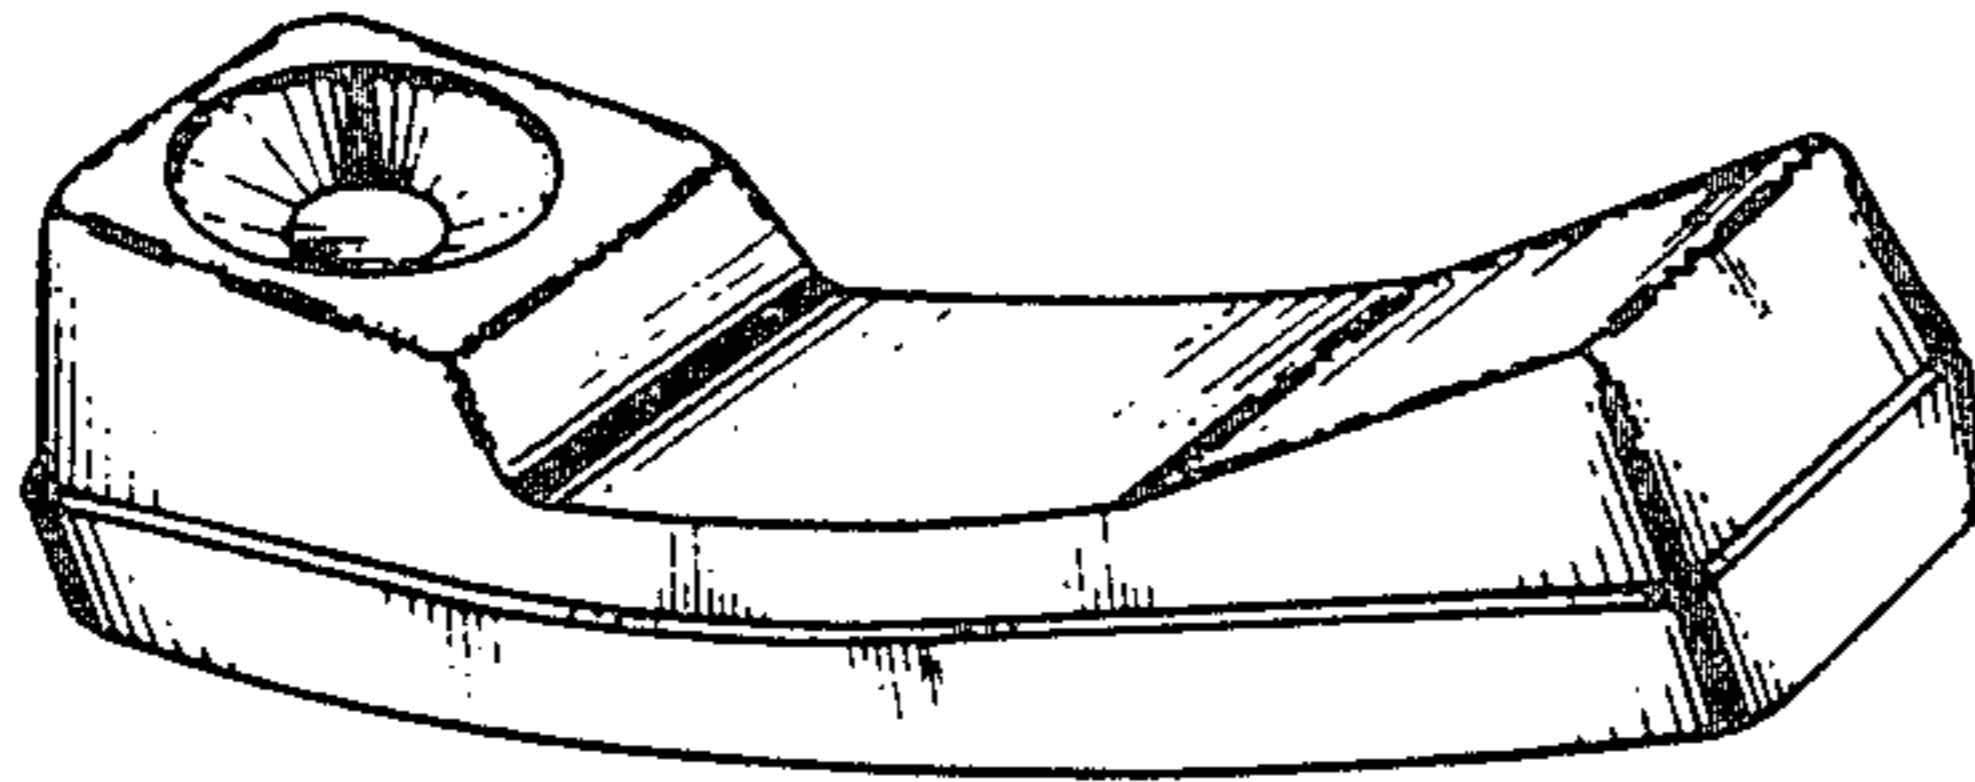

FIG. 3

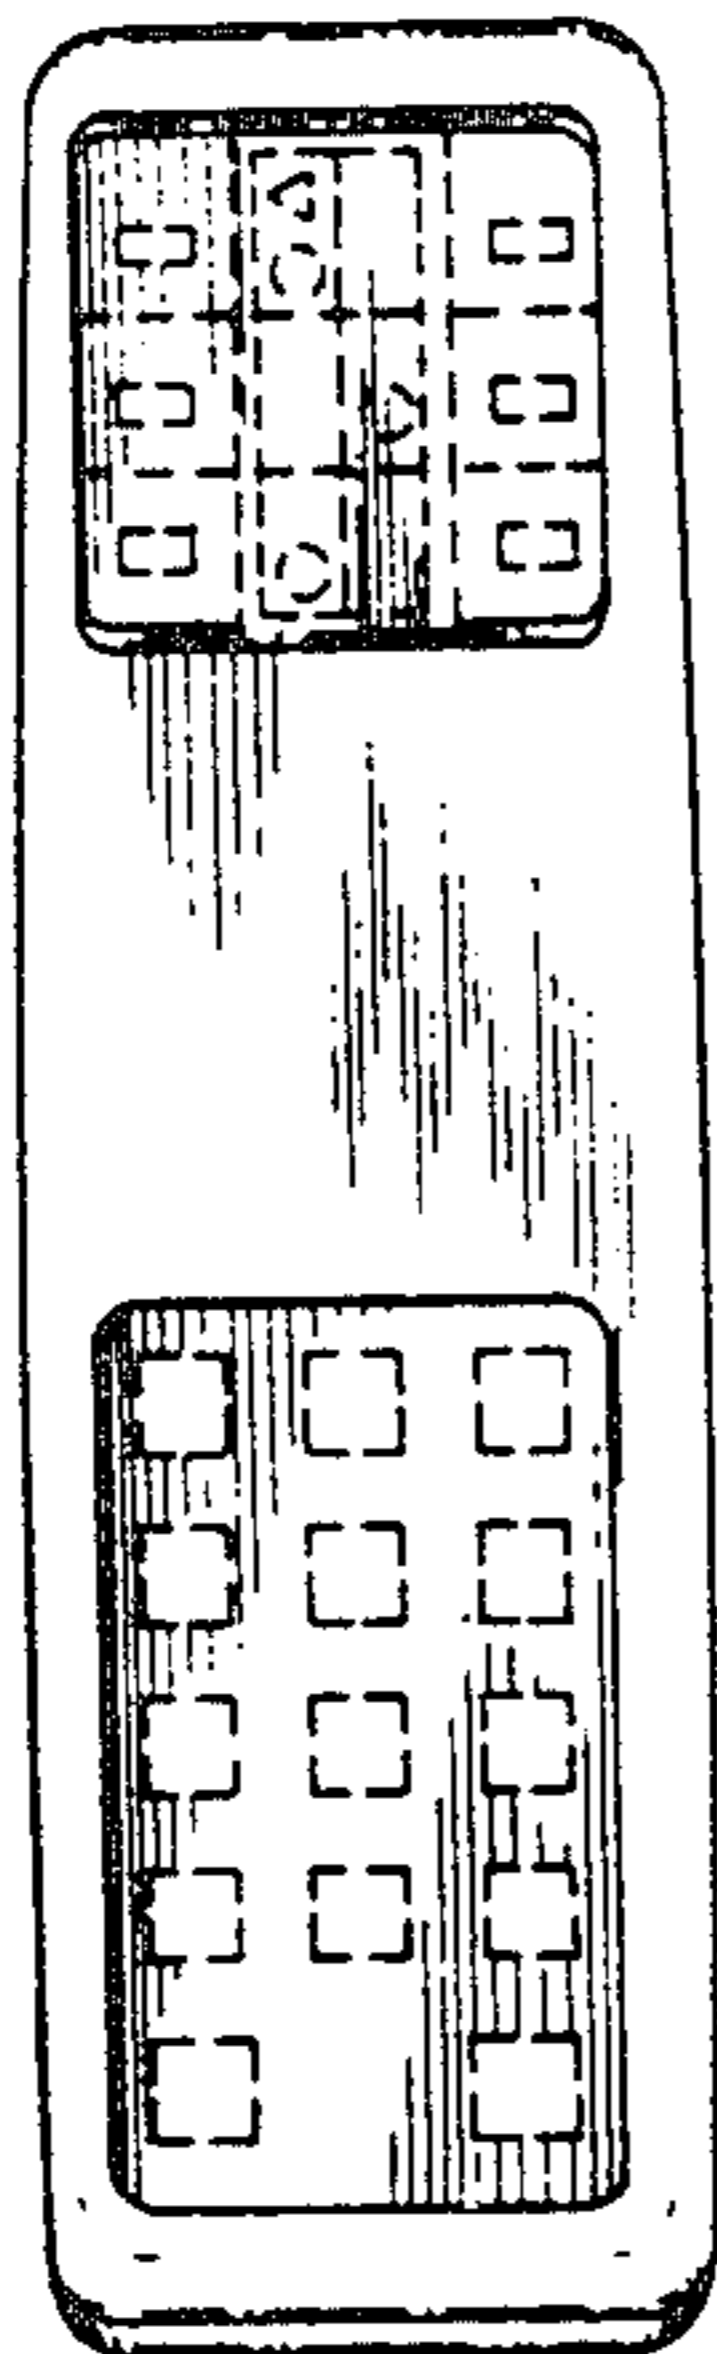

FIG. 4
