[57] CLAIM

The ornamental design for an electronic instrument for logging data, as shown and described.

DESCRIPTION

FIG. 1 is a front isometric view of an electronic instrument for logging data showing my new design; FIG. 2 is a front elevational view thereof on an enlarged scale; FIG. 3 is a side elevational view thereof on an enlarged scale, the opposite side being identical; FIG. 4 is a top plan view thereof on an enlarged scale; FIG. 5 is a bottom plan view thereof on an enlarged scale; FIG. 6 is a rear elevational view thereof on an enlarged scale; FIG. 7 is a front isometric view thereof, the brace being extended from the front legs to elevate the front and the lower front cover panel being opened.
