[57] **CLAIM**

The ornamental design for a vehicle wheel center, substantially as shown and described.

DESCRIPTION

FIG. 1 is a left, front perspective view of a vehicle wheel center showing my new design, it being understood that the broken lines are for illustrative purposes only.

FIG. 2 is a front elevational view thereof.

FIG. 3 is a sectional view taken along line 3—3 in FIG. 2 it being understood that the bolt and nut assemblies have not been shown in section for ease of illustration.

FIG. 4 is a sectional view taken along line 4—4 in FIG. 2.

FIG. 5 is a sectional view taken along line 5—5 in FIG. 2.

FIG. 6 is a sectional view taken along line 6—6 in FIG. 2.

FIG. 7 is a front perspective view of a vehicle wheel center showing a second embodiment of my new design, the difference being that this embodiment features a six spoke center whereas FIG. 1 shows a five spoke center.

—FIG. 1

FIG. 2

—FIG. 7
