[57] CLAIM

The ornamental design for a battery pack belt, as shown and described.

DESCRIPTION

FIG. 1 is a top, front perspective view of a battery pack belt showing my new design; FIG. 2 is a bottom plan view in extended position; FIG. 3 is a front elevational view thereof with the end straps broken away for convenience of illustration; and FIG. 4 is a rear elevational view thereof.

The side of each buckle member not shown is identical to that shown in FIG. 1. Each packet on the belt is identical to the others.
