[57] CLAIM

The ornamental design for an electrical power module, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of an electrical power module showing my new design; FIG. 2 is a rear perspective view thereof; FIGS. 3 and 4 are respectively front and rear elevational views thereof on a reduced scale; FIGS. 5 and 6 are respectively left and right elevational views thereof on a reduced scale; and FIGS. 7 and 8 are respectively top and bottom plan views thereof on a reduced scale.
